A MESSAGE TO VISITORS

We welcome you to this All Breed Championship Cat Show, and hope that you will have an enjoyable day viewing the beautiful exhibits and chatting with fellow cat lovers. Should you purchase a cat or kitten today, please remember that the Yorkshire County Cat Club CANNOT be held responsible in any way regarding a dispute arising from the purchase. However, there are Judges and Veterinary Surgeons here today who will be happy to advise where possible.

For the protection and comfort of the cats we ask you and your family to observe the following, and so ensure that infection will not be passed from cat to cat and that no exhibit will be frightened.

- 1 PLEASE DO NOT HANDLE CATS OR PUT FINGERS INTO THE PENS
- 2 PLEASE WALK - DO NOT RUN IN THE HALL - SPEAK QUIETLY
- 3 PLEASE BE CONSIDERATE TO THE JUDGES AND DO NOT CROWD THEIR TABLES

THANK YOU FOR COMING TO THE SHOW

NOTICES

Photographing of Exhibits at Cat Shows - Exhibitors are warned that moving cats from their pens to a photographer's stand to be photographed may cause problems. Firstly, there is a risk of infection if the photography booth is not being properly disinfected, secondly there is a risk of the cat escaping if the booth is not secure. Finally, if the cats are absent from their pens during judging, they will not be judged in that class.

PENNING BY PENNINE PENNING

ROSETTES BY SHOWRING ROSETTE CO, ACCRINGTON, LANCS

The Show Managers would like to thank Barry & Sue Kirk of KIRK'S KOMPUTER for all the help that they have given in the compilation of this catalogue by use of a computer.

Why a stomach as small as the tip of this thumb needs Whiskas Kitten Food.

FOR THE LIFE, your kitten can have up to 4 times the energy need, relative to body weight, of an adult cat.

Yet a ten week old kitten's stomach is only the size of the tip of a man's thumb.

This means her food must be concentrated to supply the nutrients she needs and be easy for her tiny

stomach to digest.

However, even at a tender age, she knows what's good for her.

Her food must taste and smell the way a carnivorous connoisseur demands.

It also has to be tender to suit her developing mouth.

Which is why everyone at the Waltham Centre for Pet Nutrition

applied all their energy and brainpower to make Whiskas Kitten Food exactly what your little power pack needs.

You'll see the results when she finally sits still, in the health that shows from her coat and eyes.

THE BLUE CROSS

The Blue Cross provides veterinary treatment for cats and other small animals belonging to people who are genuinely unable to meet the full cost of treatment. We would gladly welcome your support in maintaining these costly services.

WISHING EVERY SUCCESS TO THE BEAUTIFUL CATS ON SHOW TODAY. *We trust that you take care to protect them against the three common diseases: Enteritis, Influenza and Leukaemia.*

HAVE YOUR CATS AND LITTERS OF KITTENS VACCINATED AGAINST ENTERITIS AND INFLUENZA AND KEEP UP TO DATE WITH BOOSTER INJECTIONS

BEWARE OF FELINE LEUKAEMIA *The main spread of this virus is by carrier cats which may look very healthy. Only blood tests can show that cats are not infected. Steer clear of non-tested cats and kittens.*

Leukaemia Virus is passed on by licking and mating. The quarantine period, after contact with a possible infected cat, is three months, followed by a blood test.

IF YOU BREED CATS, TEST EVERY CAT IN YOUR HOUSE - EVERY YEAR
