These experts prefer Nutro.

In fact all kinds of dogs and cats prefer Nutro MAX to the other premium brands. That's because we use only high quality chicken, lamb and rice in Nutro MAX.

As far as we're concerned that's the only way to make sure your pet gets good taste along with the good nutrition he needs to maintain a shiny coat, healthy skin, low stool volume, and high energy. But don't take our word for it. Consult an expert.

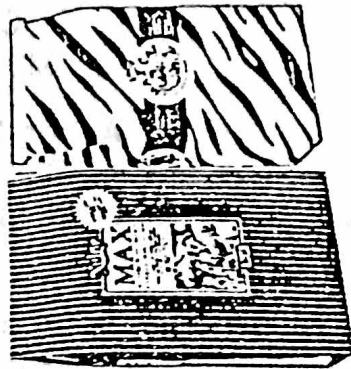

These experts can tell you why.

ENTRY REQUIREMENTS

All cats, kittens and neuters entered in the pedigree section must be registered with the GCCF. To be effective for entry all Registrations/Transfer applications must have reached the GCCF Office, 4-6 Penel Orlieu, Bridgwater, Somerset TA6 3PG at least 21 days prior to the show. No cat or kitten, entire or neutered born after 19.10.71 with one or more parent/grandparent/great grandparent unregistered shall be eligible for competition. If certificates are not to hand when completing the entry form write the name applied for and NAF in the appropriate columns and forward numbers to the Show Manager when registration is received.

Unregistered cats, kittens and neuters may only enter classes in the Household Pet Section

Exhibitors must complete an official Entry Form and subscribe to the declaration therein. No telephone entries will be accepted

If an exhibit is owned by two persons both must sign the declaration. Every exhibit must be identified on the Entry Form exactly as recorded on the Registration/Transfer Certificate relating to it. Exhibitors are responsible for entering the correct description of their exhibits.

Each exhibit must be entered in a minimum of FOUR Classes, one of which must be an Open Class.

For Experimental Breeds granted preliminary recognition by the GCCF. Exhibitors must provide a copy of the approved standard of points WITH THEIR ENTRY and state name of breed and colour on the Entry Form.

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orlieu, Bridgwater, Somerset. Price £1.00)

VETERINARY

Exhibits will be received at the entrance of the Show hall from 7.30 am until 9.45am on the morning of the Show. All exhibits (including those for exhibition only) must be brought to the Show in Baskets or suitable containers and must be accompanied by the owner or owners representative. Each exhibit will be examined by the clubs Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

Exhibits must have clean ears and coats free from pests. The following will not be admitted: Cats or Kittens that have been de-clawed, Male Cats (over 9 months) which are either Monorchid or Cryptorchid, Pregnant or Lactating Queens, Vasectamised Cats may not be show.

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeons opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeons decision is final.

All exhibits must be inoculated against Feline Infectious Enteritis, Current Vaccination Certificates (dated not less than 7 days prior to the Show) must be brought with exhibits for inspection if required.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

REFUNDS

Entry Fees will be refunded for entries withdrawn before the published closing date. Thereafter a percentage of the entry fees may be refunded at the discretion of the Committee. Withdrawal of entry must be in writing. If the entry is withdrawn on Veterinary advice 50% of entry fees excluding penning will be refunded providing that a Veterinary Certificate is received by the Show Manager at least seven days prior to the date of the show.

WITHDRAWAL FROM CAT SHOWS - NEW G.C.C.F. RULING

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show, after this date the cats concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

TALLIES

Tallies will be given out on the day of the show, and must be hung round the exhibit's neck by narrow white tape, ribbon or elastic.

PENNING

The Pen may be wiped down with cottonwool dampened with any non-toxic disinfectant before putting the exhibit into it. Every exhibit must be provided with a white sanitary tray and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. A hot water bottle **OR HEAT REFLECTING MATERIAL** may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging starts at 10am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way.

Sprays of any kind are not allowed in the Show Hall.

No Stud advertisement, written or printed matter of any kind other than the official award cards may be put on pens. No exhibitor may remove an official notice from a cat's pen.

Exhibits are only received on condition that the Club shall not be responsible for any loss or damage to cats, boxes, baskets or any other property or in any other way.

The Committee on behalf of the Club retain the exclusive right to publish catalogues for their Show containing such information as required by the GCCF Rules and reserve to themselves the right to refuse any entry without giving a reason

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes not guaranteed. Announcement of any alteration in the Schedule will be made in 'CATS' and will be deemed sufficient notice.
- (d) Disqualify cats entered in the wrong classes by the exhibitor.
- (e) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

AMENDMENTS TO GCCF RULES

SECTION 2, Rule 6 Note 1 (amended 24.2.93; effective 1.6.93)

"... In the event of a change of Judge of an Open class occurring after the closing date of the show, and provided that the exhibitor informs the Show Manager, prior to judging, that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge WHO SHALL JUDGE THE CAT AND IF THE CAT IS CONSIDERED WORTHY, COUNTERSIGN THE CERTIFICATE which shall then count towards Championship status."

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

- (a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a show, the GCCF will require you to produce a veterinary certificate of freedom from infection as indicated in Rule 4 above before being permitted to attend or exhibit at any further show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details
- (b) Evasion or breach of any of the GCCF rules, or the articles of its constitution may, and often will, lead to disciplinary action and you are to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary
- (c) Except where the context demands otherwise the word 'Cat' in these rules includes kittens and neuters. A kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October

THE GOVERNING COUNCIL OF THE CAT FANCY NEW SHOW RULES FROM 1st JUNE 1976

- 1 No Kitten shall be exhibited under the age of four calendar months. This applies to litters for Exhibition also.
- 2a Any Cat or Kitten which in the opinion of the judge is very under-developed or in poor condition shall be disqualified from competition.
- 2b Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

- 3 Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

REMINDER THAT THE FOLLOWING RULE IS STILL IN FORCE

Cats with unregistered parents but which themselves are registered (on June 1st 1971) and which are eligible for Challenge Certificate on that date shall continue to be so and so shall their suitable progeny for three generation from October 20th, 1971. THEREAFTER, only cats with registered parents, grandparents shall be eligible.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible always complete your show entry form from your GCCF registration document (ie Registration or Transfer certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any mis-interpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree and put RAF (Registration Applied For) or TAF (Transfer Applied For) or both, in the Registered No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF. Try and keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show; such a change must not be a change or exhibit. If you are entering several cats from your household and the owners (exhibitors) differ within that family/household, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms but joint owners of an exhibit/exhibits should always use the same form and BOTH MUST SIGN..

STATUS OF ERRORS-WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) overseas title preceding the name of an exhibit, sire or dam, etc
- (d) full breed number known but not given

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B: AGE LIMITS: Kittens - not less than 4 calendar months and under 9 calendar months on date of show

Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/SIRE/DAM/OWNER/BREEDER. If registration was obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT/SIRE/DAM Omission of Administrative or Breeder's prefix

Incomplete name/unregistered name added

Sire and Dam reversed

Totally incorrect name or names

REGISTERED OWNER Joint when they should be single and vice versa

(EXHIBITOR)/BREEDER Totally incorrect name or names

PLEASE NOTE:

1. The exhibitor(s) must be the registered owner(s) of the cat and NOT necessarily the person who actually takes the cat to the show
2. The breeder of a cat is ALWAYS the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW. These entries will be disqualified. Remember the effective date of all registrations and transfers is the FIRST DATE OF VALID RECEIPT BY THE GCCF, and if you enclose your own stamped addressed acknowledgment card with your application form this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW. Entries, such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned, so always check with the Show Manager if in doubt about which class to enter.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register, as long as this was the only reason for the Reference registration.

Exhibitors can appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble free, not to mention the show checking.

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised about against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of four months (4) may not now be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.

- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark. The GCCF Executive Committee advise that moistening a cat's lips with water is at least equally as effective in cooling the cat.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme
- h) Sphynx Cats. The GCCF recommendation that they are not accepted for exhibition as it is not considered a viable pet for the average home and exhibiting may mislead the public.

IMPORTANT NOTE ON CHEQUES

Ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

THE SUPREME SHOW IS OPEN TO ALL QUALIFIED CATS

Full details are given in the schedule but basically the Supreme is open to all titled cats, all cats that have won one or more certificates. Kittens born on or after 1st September 1992 and are adult by the day of the show may qualify by winning a kitten open class at a GCCF Championship show. The Show Committee has decided that for this year **KITTENS WILL NOT BE ACCEPTED** in the pedigree section. This situation will be reviewed for the 1994 show. Non-pedigree exhibits must have won an open class at a GCCF championship show or a Whiskas heat as appropriate.

Schedules will be available at the GCCF Stalls, or by post from the GCCF Office 4-6 Penel Orliou, BRIDGWATER, Som. TA6 3PG from late June. Please send a large S.A.E. (9" x 7").
