SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset. Price £1.00)

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the show containing information as to the exhibits and the names and addresses of the exhibitors.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

CORRESPONDENCE

All correspondence must be accompanied by a stamped, addressed envelope. Any complaint related to the Show must be forwarded to the Show Managers within seven (7) Days of the Show.

Ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

TYPHA & TYPHAST

BURMESE & BENGALS
FeLV Negative Household

**"Have them with spots
or have them without
You will just love them
or that there's no doubt!"**

The similarity between the character of the Burmese and the Bengal is what attracted us to Bengals. They have all the outgoing characteristics of the Burmese, but with the bonus of a superb spotted or marbled pelt.

To see the two breeds playing together, or entwined in sleep, is a visual delight. The harmony of the lovely clear burmese coat contrasts so vividly with the exciting spots or swirls of the bengal.

If you would like to see Bengals for yourself, do visit the Exhibition pens here today. It is an experience not to be missed by any 'serious minded cat lover'! We have an excellent selection on display, all dedicated to convincing you how beautiful they are!

Meanwhile, at home, we have some 'serious minded Burmese boys', who would be delighted to offer their professional services to your young ladies:

GR CH TYPHA SILVERWINGED XPLOER 27c

GR CH GRAYLAG GENERAL JACK 27 Carries Blue & Choc

CH TYPHA PLUSH VELVAT 27a Carries choc

CH TYPHA BOMBADIER IGOR 27c

CH TYPHA MAJIC LANTIN 27c

TYPHA PHANTTOM OARSMAN 27 Carries choc

Also two dedicated Bengal boys:

GOGEEES WARHAWK OF FLYINGWFARMS Brown Spotted

CALUSA TYPHASNOWSTORM Green-eyed Sepia Snow

We have a selection of both Burmese and Bengal kittens available to the right homes.

Unfortunately, as often happens with a new breed, rumours regarding high prices for Bengals have tended to exceed reality. Please do give us a ring if you are interested in the breed. You will probably find they aren't as expensive as you had been led to believe.
