Duty Veterinary Surgeon

Ms Alison Coutts BVMS MRCVS.

On behalf of the Officers and Committee of the Manchester and District Cat Club may we take this opportunity to welcome you to our First Exemption Show.

Those of you who will remember previous shows held under canvas as part of the Manchester Council "Platt Fields" show may wonder why we are holding our first exemption show.

The answer ...the show licence for all the previous events was held by Manchester Council and not the club...hence this is our first show.

So to all our old friends from those days may we thank you for your continuing support and to the many new first time exhibitors here today we on behalf of the entire cat fraternity bid you a very warm welcome.

To the members of the public visiting perhaps their first cat show may we point out the guidance notices around the hall and ask you to observe and respect the advice given on them.

Please observe the NO SMOKING ban in all areas of the hall with the exception of the area immediately surrounding the bar.

This is to conform to the fire regulations and more importantly for the benefit of the cats!

The club and show committee have worked tirelessly in order to bring you the best event possible, if you have any constructive ideas for improving the show or facilities please let us know...we can only make this a show you would wish to return to in the future with your help.

Finally may we wish you all 'the best of luck' during the day and a safe journey home.

John A Cameron-Pilkington

Joint Show Managers

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules- (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset. Price £2.00)

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

project ringworm
research

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

Jassy

*I have a cat called Jassie,
Who's Ginger and divine,
She's not just a little pussycat,
But a real good mate of mine.*

*Each night she sits upon my chest,
Before she settles down,
Sometimes I think she's human,
She deserves a cap and gown.*

*And when she wants to come in,
She knocks upon my door,
I very often think,
She's been here 8 times before.*

*So, lovely little Jassie,
Don't ever go astray,
Because I know my heart would break,
Till you came back one day.*
