SHOW RULES, PROCEDURES AND REGULATIONS

This show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the rules may be obtained from the GCCF Office.

REGISTRATION

No cat or kitten, entire or neutered, born after 19.10.71 with one or both parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.

If the Registration number has not been received when completing the entry form, write NAF (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the right description of the exhibit and for entering them in the correct classes. Please do not omit to READ and SIGN the declaration - if joint owners, both MUST sign the form.

VETTING-IN

Vetting-in slips and tallies will be given out at the entrance to the hall. Tallies must be hung round the exhibit's neck by narrow white tape, ribbon or elastic and must not be removed until judging is complete.

ALL EXHIBITS MUST BE INOCULATED AGAINST FELINE INFECTIOUS ENTERITIS

You may be asked to produce a current certificate.

All exhibits must be accompanied by the owner or the owner's agent. Exhibits will be received at the Show Hall from 7.30am until 9.30am on Saturday 27th August, 1994 where they will be examined by a Veterinary Surgeon before being penned.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owners, and Entry Fees are forfeited. There will be quarantine pens for those cats rejected but owners are advised to take home any unfit cat. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owner, shall be debarred from attending the Show. **THE VETERINARY SURGEON'S DECISION IS FINAL.**

PENNING OF EXHIBITS

Double pens are not available, except for exhibition. Each competitive exhibit must be provided with a white sanitary tray and clean white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet Bed or like material with green or white backing may be used if preferred. Hot water bottles or heat reflecting may be used provided they are covered by the blankets in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water but food containers must be removed before judging starts at 10.00am and may not be returned until 1.00pm. Judges are instructed to pass any pen that is distinguished in any way other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter related to the exhibit. Exhibits actually received at the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

The Show closes at 5.00pm. No cat may be removed from its pen before this time.

THIS RULE WILL BE STRICTLY ENFORCED

No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this Rule is £10.00.

Judges are empowered to withhold any Prize or Championship in any Class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips, not from catalogue or award cards.

The committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Refuse any entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Refuse admission to the Show Hall without giving a reason.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the Entry Fees to cover essential expenses in the event of the Show being cancelled for any reason.
- (g) No exhibitor may remove any official notice from the cat's pen.
- (h) All exhibitors' property is left in the Hall at the owners' risk.

NEW SHOW RULE FROM 1st JUNE, 1983

(Addition to Rule 6, Note 1 - Section 2, Show Management)

In the event of a change of Judge of an Open Class occurring after the closing date of the Show, providing that the exhibitor informs the Show Manager, prior to the judging, that a Certificate has previously been awarded by the replacement Judge, the show Manager shall appoint one other Judge to countersign any Certificate awarded to the cat in that Class, which will then count towards Champion or Premier status.

NOTICE OF CHANGE

An announcement in 'CATS' of any alteration made in the Schedule or in these Rules and Regulations shall be deemed sufficient notice thereof.

WARNING

Breeders and Owners are hereby warned by the G.C.C.F. of the unfortunate consequences which may follow the sale of **WHOLE LITTERS TO ONE BUYER**. The West of England and South Wales Cat Society cannot be held responsible for Cats and Kittens bought at the Show, neither will they be held responsible for details of such which appear in the Catalogue.

NO SPRAYS OF ANY KIND ARE ALLOWED IN THE HALLS The pen may be wiped down with a little cotton-wool dampened with any non-toxic disinfectant before putting the Exhibit into it.

PLEASE NOTE HOMOEOPATHIC VACCINATION CANNOT BE ACCEPTED FOR THE PURPOSES OF SHOWING UNDER SECTION 4, RULE 4f.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your Show Entry Form from your G.C.C.F. Registration Document (i.e. Registration or Transfer Certificate) for the Cat which is being exhibited, **PRINTING** the details carefully to avoid any mis-interpretation of your handwriting.

If you have not received your Registration Document at the time of entry, complete the Show Entry Form with the details from the Pedigree and put R.A.F. (Registration Applied For) or T.A.F. (Transfer Applied For) in the Reg No. box. It is wise to enclose a stamped addressed postcard for acknowledgement with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the G.C.C.F.

Try to keep a copy of your entry form - then when you receive registration details and number, check these against the entry form and notify the Show Manager, in writing, of any differences in the details, as well as giving the Registration Number if applicable. This may not be received in time for the printing of the Catalogue, but your letter should be attached to your entry form which will save unnecessary notification of discrepancies when the show records are checked. All catalogue errors are checked against the original entry for and any exhibitor's letter is used for reference.

If you are entering several cats from your household and the owners differ within the household/family, please use a separate form for each owner, if available, otherwise please indicate **VERY CLEARLY** which owner owns the cats, ensuring that all owners sign the entry form. In the case of joint ownership, only one entry form should be used and both owners sign the entry form.

STATUS OF ERRORS - WHAT TO EXPECT

Minor Spelling Errors - These only warrant a notification for your reference and this is only sent if it is apparent that registration details were available for the Show.

Incorrect Date of Birth - This is usually classed as a minor spelling error unless it affects an entry into classes based on age group when it could warrant disqualification of the exhibit from such classes but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

Incorrect Name of Exhibit/Owner/Sire/Dam or Breeder - If Registration was obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

Exhibit/Sire/Dam - Omission of Administrative or Breeder's Prefix - Incomplete name - Sire or Dam reversed - Totally incorrect name or names.

Owner/Breeder - Joint where should be single and vice versa - Mr when it should be Mrs and vice versa - Totally incorrect.

Registration/Transfer Not Received by G.C.C.F. 21 Days Before the Date of the Show - These entries will be disqualified. Remember the effective date for all registrations and transfers is the first date of valid receipt by the G.C.C.F. and if you enclose your stamped addresses acknowledgement cards, as previously advised, this will be stamped with the G.C.C.F. Office date of receipt.

Transfer of Exhibit from Exhibitor to a New Owner Received by G.C.C.F. more than 21 Days Before the Date of the Show - Entries such as these will be disqualified as the exhibitor's entry form becomes invalid.

Incorrect Class Entry - This will be disqualified from the Class concerned - so please check with the Show Manager if in doubt about which Classes to enter.

Cats Registered on the Reference Register - No cat registers on the Reference Register is eligible to be shown and therefore these entries will be disqualified.

Exhibitors can appeal against any disqualification resulting from show checking, giving their reasons and/or explanations, which are referred to the Executive Committee if considered valid. If not, a further explanation will be given. However, the above advice is aimed to keep your show entries trouble free, not to mention ease the task of show checking.

Use of Shampoo which changes a cat's colour can lead to disqualification.

TROPHIES

All Trophies won at the Show held on 28th August, 1993 should be returned to the Honorary Support Cup Secretary no later than 21st August 1994.

VETERINARY LETTERS

(Amended Notice)

In the past, Cats showing signs of skin lesions might have been allowed entry to a Show on production of a letter from their Veterinary Surgeon, stating the origin of the lesions. This was subject to the agreement of the Duty Vet. **THIS IS NO LONGER APPLICABLE.** Such letters are no longer accepted at Shows and any Exhibitor presenting a Cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The G.C.C.F. Veterinary Officer recommends Exhibitors not to take a Cat to a Show if it has any skin lesions indicative of ringworm, however small.

project ringworm research

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

- PEDIGREES - PEDIGREES - - PEDIGREES - PEDIGREES -

We are aware of the time consuming chore of writing out pedigrees, and the costs of producing other stationery for your puppies/kittens.

We are a secretarial agency, with a very special interest in G.S.D's, and are able to produce all your pedigrees on computer.

WHAT WE DO:

For a initial set up fee, we put your brood bitches/breeding queens on computer, when a bitch/queen is mated you forward to us the sires stud pedigree, then when your bitch has whelped/queen has kittened, you let us know how many in the litter, and we will forward to you the set of pedigrees.

We have been offering this locally for about five years, and are now able to offer this service to other owners.

This is a completely professional & confidential service.

THE COST:

Initial set up from £35.00

- depending upon on the number of bitches/queens in your kennel/cattery.

Each set of Pedigrees thereafter £5.00/litter.

- Kennel logos can be used, either your own, or we will design one for you -proofed of course.

- Photographs and/or sketches of your own dogs/ cats POA

Other Items of Stationery - as required. POA

REMEMBER - WE CAN:

- Save you Time - writing out of all those pedigrees!
- Save you money - buying pedigrees to write on!
- Give a smarter and more professional impression of your kennels/cattery and dogs/cats.

For further details, telephone **SARA McLAREN on 0373 858475**

We have numerous samples awaiting your instruction.
