All Pedigree Cats, Kittens or Neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 21 days before the Show, If the Registration number has not been received when completing the entry form, write N.A.F. (Number applied for) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

=====

SHOW RULES and REGULATIONS.

The Show is held under Rules of the Governing Council of the Cat Fancy and is open to all. A copy of the Rules can be obtained from the GCCF Office at 4/6 Penel Orliou, Bridgwater, Somerset. TA6 3PG. Price £1. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

GENERAL GUIDELINES ON ENTERING SHOWS.

Where possible, always complete your Show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the Show entry form with the details from the pedigree and put RAF (Registrations Applied For) or TAF (Transfer Applied For), or both in the Regd. No. box. It is wise to enclose a stamped addressed acknowledgment postcard with all registration and transfer applications particularly for cats entered for Shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form- then, when you receive registration details and number check these against the entry form and notify the Show Manager in writing of any differences in the details as

well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that Show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the Show (on Show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and both must sign.

STATUS OF ERRORS + WHAT TO EXPECT.

MINOR ERRORS.

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:-

- (a) spelling errors.
- (b) Separation of names that should be one word, and vice versa.
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit. (revised 12.1.95)
- (d) Overseas title preceding the name of an exhibit, sire or dam etc
- (e) full breed number known but not given.
- (f) Sire and Dam reversed (revise 5.1.94) or named incorrectly. (revised 12.1.95)
- (g) Breeder joint when single and vice versa. (revised 5.1.94).

INCORRECT DATE OF BIRTH.

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS. Kittens= not less than 14 weeks and under 9 calendar months on date of the Show.

Adults =not less than 9 calendar months on date of Show.

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER.

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

- EXHIBIT o Totally incorrect name.
- REGISTERED OWNER. o Joint when they should be single and vice versa.
- (EXHIBITOR) o Declaration not signed by registered owner(s)
N.B.The exhibitor(s) must be the registered

BREEDER

owner(s) of the cat and not necessarily the person who actually takes the cat to the show.

- o Totally incorrect name or names.

N.B. The breeder of a cat is always the registered owner of the dam on the date of cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW.

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **FIRST date of valid receipt** by the GCCF, and if you enclose your own stamped addressed acknowledgment card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY.

These will be disqualified from the class concerned- so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER.

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

=====

Exhibitors may appeal against any disqualification resulting from Show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor/s. The above advice, however, is aimed to keep your Show entries trouble-free, not to mention the Show checking.

=====

NEW SHOW RULES FROM 1st JUNE 1988.

Any cat or kitten rejected by a Veterinary Surgeon or disqualified by a judge on the grounds of condition should be reported to the Honorary Secretary of the GCCF by the Show Manager.

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the Show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that consideration by the Executive Committee. If the cat is reported at any subsequent Show, it shall be disqualified from all Shows unless the Executive Committee

rule otherwise.

Blind cats may not be exhibited at GCCF licensed Shows.

VETERINARY REJECTION/CLEARANCE CERTIFICATES.

Where an Exhibit has been rejected or disqualified by a Veterinary Surgeon the Show Manager shall obtain from the Vet the reasons, and accordingly notify the GCCF within 48 hours of the Show ensuring that a copy of the rejection is forwarded to the Exhibitor concerned. Exhibitors whose cats have been rejected at Shows please note the following points:=-

- 1). When sending your clearance Certificate please include your copy of the rejection slip.
- 2). Please DO NOT send these Certificates by recorded delivery as this can cause considerable delay in receipt of your Certificate, If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed envelope and this will be returned to you.
- 3). Exhibits should not attend Shows until they have received a letter from the GCCF confirming the clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

NOTES ABOUT REJECTIONS AT SHOWS.

(see Section 3, Rules 16,17 and Section 4. Rules 4a-4f, 7a-7c).

Rejection from a Show means only that the cat showed signs indicating that it might have an infectious or contagious disease, or that it was not in a suitable condition to be shown, and is NOT A DIAGNOSIS of any particular disease. It is protection of other cats present at the Show or for the protection of the breed.

Cats will be rejected under Section A for fleas, pregnancy, lactation, undersize, poor condition, trauma (eg clawed eye) distress, signs indicating the presence of drugs, gross malformation in pedigree cats (including monorchidism in adults, cryptorchidism in adults, polydactyly, folded ears, curly tails, or severe expression of any of the Standard faults in the SOP booklet) or if they have been declawed. They will also be rejected if it is not possible to examine them safely. No clearance is required but the cat may not be shown again until the reason for rejection is no longer present.

Cats will be rejected under Section B for ear mite infestation or for dirty or waxy ears indicative of possible ear mite infestation. In-contact cats will be examined using an auriscope and may be admitted to the Show if their ears are clean. The exhibitor will be issued with a rejection form and clearance form. All cats owned by the exhibitor and/or living at the same address must be examined by a veterinary surgeon, NOT LESS THAN SEVEN DAYS after the Show, and certified free of ear mites, using the clearance form which, together with the rejection form, must then be sent to the GCCF Office.

Cats will be rejected under Section C if they show signs of possible infectious disease including ocular or nasal discharge, mouth ulcers, diarrhoea or vomiting, enlarged lymph nodes, raised temperature etc.

All in-contact exhibits will be rejected. The exhibitor will be issued with a rejection form and clearance form. All cats owned by the exhibitor and/or living at the same address must be examined by a Veterinary surgeon, NOT LESS THAN SEVEN DAYS after the Show and certified free of the symptoms for which they were rejected or ANY OTHER signs of infectious disease, using the clearance form which, together with the rejection form, must then be sent to the GCCF Office. Cats will be rejected under Section D if they show any skin lesions indicative of possible ringworm, including areas missing or broken hair or any scabs. All in-contact exhibits will also be rejected. The exhibitor will be issued with a rejection form and a special clearance form which details the tests that must be carried out WITHIN SEVEN DAYS AFTER THE SHOW (on the rejected cat only at this stage) before the clearance certificate can be completed and sent, together with the rejection form, to the GCCF Office.

Any exhibitor whose cat is rejected under Section B,C, or D should consider their cattery/household to be in quarantine from the date of the Show until they receive the official GCCF acceptance of their clearance certificate. Their cats may not attend shows nor may they sell kittens or take or accept queens to stud. Official GCCF acceptance of clearance certificates must be received before exhibiting at any show.

Any person whose cats have been rejected under Sections C or D must not officiate as a Judge or Steward or in any other capacity which requires the handling of cats at Shows until a clearance certificate as required by the GCCF has been obtained.

SHOW ENTRY.

In order to exhibit at the Show, the Exhibitor must complete the official entry form from details as stated on the Registration/Transfer Certificates and READ and SIGN the form AND the Declaration. If Joint owners both must sign the form. Entry forms from Exhibitors under 18 years of age MUST be countersigned by a parent or guardian. Exhibitors are responsible for the correct description of the exhibit and for entering the correct classes. Exhibits must be entered in the OPEN CLASS and at least 3 other classes. CHARITY classes (including Roy Chapman Memorial Classes) are not included in these 4 classes. No exhibit may be entered into more than 8 classes.

EXHIBITS FOR ASSESSMENT.

Cats, Kittens and Neuters of those Breeds with Preliminary recognition must enter the appropriate Assessment Class, plus a minimum of 3 applicable Miscellaneous/Club classes. Assessment classes are not competitive. Exhibits will be individually assessed and awarded a "Merit" certificate if considered, by the Judge, to meet the approved standard of points.

EXHIBITORS MUST PROVIDE A COPY OF THE GCCF APPROVED STANDARD OF POINTS AND INCLUDE WITH THEIR ENTRY.

All entries should include a S.A.E. or post card for acknowledgement of receipt of entries.

CORRESPONDENCE.

All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint relating to the Show must be forwarded to the Show Manager within 7 days of the Show.

All alterations and/or Additions must be made in writing to the show Manager.

The Show Manager will be pleased to assist anyone who requires help filling in the form. (PREFERABLY NOT BETWEEN 6 and 8 pm)

VETTING IN.

Vetting in slips and tallies will be given out at the entrance to the hall. Tallies must be hung round the exhibit's neck by narrow white tape, ribbon or elastic and should not be removed until judging is complete. All exhibits must be accompanied by the owner or owner's agent. Exhibits will be received at the Show Hall from 8.0am to 9.45am where they will be examined by a Veterinary Surgeon before being penned. No exhibit is to be penned before being so examined, or the Exhibitor will be disqualified and all fees forfeited. Exhibits must have clean ears and coats free from pests. Pregnant or lactating queens may not compete. No exhibit that has been de-clawed will be admitted. Neither will male cats which are either monorchids or cryptorchids. If, in the Veterinary Surgeon's opinion, it is desirable that unfit exhibits must be removed by the owner/agent, all other exhibits from the same household and the owner may be debarred from attending the Show. The Veterinary Surgeon's decision is final, and no exhibits so rejected shall be presented to a second Veterinary Surgeon. All exhibits must be brought to the Show in baskets or suitable containers.

EXHIBITS AND PENNING.

Each competitive exhibit must be provided with a clean WHITE LITTER TRAY, WHITE WATER BOWL AND WHITE BLANKET/S without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but WHITE Vet-Bed or like material with white or green backing may be used. A hot water bottle OR HEAT REFLECTING MATERIAL may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. Judges are instructed to pass any pen that is distinguished in any way. All exhibits must have water but food dishes must be removed when judging starts and may not be returned until 12.30. No written or printed matter of any kind other than official notices and award cards may not be put on to the pens.

No exhibitor may remove any official notice from a pen.

"FOR SALE" notices may not be displayed on the pens but details of exhibits or others for sale may be advertised in the Show catalogue or on the "FOR SALE" board displayed in the hall.

SPHYNX CATS cannot be accepted for exhibition at this Show.

Kings Lynn Railway and Coach Stations are about 1 mile from Show Hall.

MEALS and SNACKS.

COUNTERSIGNING OF CERTIFICATES.

GCCF Rule Section 2. Rule 6 Note 1(amended 24-2-93; effective 1-6-93)
In the event of a change of Judge of an Open class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager, prior to judging, that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge WHO SHALL JUDGE THE CAT AND IF THE CAT IS CONSIDERED WORTHY, COUNTERSIGN THE CERTIFICATE, which shall then count towards Championship status.

GCCF Rule Section 4 Rule 4a (amended June 1992)

Queens who are pregnant, lactating OR WHO HAVE KITTENED WITHIN THE PAST 12 WEEKS may not compete and must not be exhibited at any Show or exhibition and Veterinary Surgeons in attendance are instructed to reject any queen in these conditions.

Please note that in addition to the classes you have entered your cat MAY also be handled for the purpose of assessing candidates in the GCCF Appointment Scheme.

WITHDRAWAL FROM CAT SHOWS.

The last date for withdrawal of a cat from a Show is the advertised closing date for entries of the Show, after this date the cats concerned may not be withdrawn from the catalogue of the Show and the 13 day Rule about entering two Shows within 13 days will apply. Entry Fees will be refunded for entries withdrawn before the closing date. Thereafter a percentage of fees may only be refunded at the discretion of the ECCS Committee providing a Vets Certificate is received by Show Manager at least 3 days prior to the Show. All withdrawals of entries must be in writing.

Registered Charity No. 800719

project ringworm research

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
