## ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised about against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of four months (4) may not now be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme
- h) Queen who have kitted within 12 weeks of the date of the show may not be shown.

### **NEW RULE ON BITING AT SHOWS (Effective 1.6.88)**

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

### **VETERINARY CLEARANCE CERTIFICATES**

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

## **STONEYRIDGE BRITISH STUD CATS**

*Hello, my name is Champion Stoneyridge Valantino. My mum thinks I am the best thing since sliced bread but I have yet to see blue bread. I would like you to meet some of my friends that live with me. You are more than welcome to visit us at home, Dad likes any reason to put the kettle on and have a chat and if you are really lucky, you might be able to see some of our children that are for sale from time to time, though you will not be under any pressure to buy.*

### **STONEYRIDGE LEO :-**

*Mum says he is a cream, but I bet he doesn't taste like it! He thinks he is clever because he has lilac and has two CCs, but mum says I have to be nice to him as he is only a baby... though he could be as clever as his grandad who carries chocolate and colourpoint. Mmmm, talking of chocolate, there is a rumour from the nursery of a new little chocolate boy for later this year. I bet he will taste nice, I like chocolate!*

### **STONEYRIDGE CHOCOLATE CHIP:-**

*Mum says she is going to show him later in the year so you can all have a look at him.*

*Mum only charges £60 stud fee for you lucky ladies to have us all to yourselves, and we only ask for you to be free from bugs and germs as we are all very house proud. So if you would like to come and see us, then please give mum a ring; she won't bite.*

The Cat Welfare Trust

Registered Charity No. 800719

project ringworm research

**THE SKIN DISEASE** resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

**THE RISK OF SPREAD OF INFECTION TO MAN** is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

**CATS WITH RINGWORM SUFFER** from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

# Pride

**The New Low Cost Healthcare Plan for those who care about their cats health.**

**Pride offers so much reassurance for just over £1 a week. A small price to pay for complete peace of mind.**

The very latest medical treatment is now available for your cat when you insure with Pride. Pet Protect's Low Cost plan has been tailor made for caring cat owners like yourself, who value their pet's health.

Pride - the Healthcare Plan for cats - ensures that expensive veterinary treatment will be paid for without fuss and bother whilst giving you the choice of vet to visit, one with which you as well as your cat will be familiar.

You can claim up to £1500 for veterinary treatment if your cat has an accident or falls ill and this mean payment for surgery, x-rays, hospital care, drugs and all necessary veterinary fees. You are covered each and every time your cat needs treatment and that is just one benefit of Pride's insurance plan.

- *£1500 for veterinary fees, including complementary medicine.*
- *£500 to pay for recovery costs.*
- *Full death benefit - from illness or accident, up to £500.*
- *£500 Boarding fees for your cat if you have to go into hospital for more than two days.*
- *Full benefit for loss by theft or straying, up to £500.*
- *Up to £500 Holiday cancellation.*
