SHOW RULES, PROCEDURES AND REGULATIONS

This show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the rules may be obtained from the GCCF Office.

REGISTRATION

No cat or kitten, entire or neutered, born after 19.10.71 with one or both parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owners at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.

If the Registration number has not been received when competing the entry form, write NAF (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the right description of the exhibit and for entering them in the correct classes. Please do not omit to READ and SIGN the declaration - if joint owners, both MUST sign the form.

VETTING-IN

Vetting-in slips and tallies will be given out at the entrance to the hall. Tallies must be hung round the exhibit's neck by narrow white tape, ribbon or elastic and must not be removed until judging is complete.

ALL EXHIBITS MUST BE INOCULATED AGAINST FELINE INFECTIOUS ENTERITIS

You may be asked to produce a current certificate.

All exhibits must be accompanied by the owner or the owner's agent. Exhibits will be received at the Show Hall from 7.30am until 9.30am on Saturday 26th August, 1995 where they will be examined by a Veterinary Surgeon before being penned.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owners, and Entry Fees are forfeited. There will be quarantine pens for those cats rejected but owners are advised to take home any unfit cat. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owner, shall be debarred from attending the Show. **THE VETERINARY SURGEON'S DECISION IS FINAL.**

PENNING OF EXHIBITS

Double pens are not available, except for exhibition. Each competitive exhibit must be provided with a white sanitary tray and clean white or near white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet Bed or like material with green or white backing may be used if preferred. Hot water bottles or heat reflecting may be used provided they are covered by the blankets in accordance wit GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water but food containers must be removed before judging starts at 10.00am and may not be returned until 1.00pm. Judges are instructed to pass any pen that is distinguished in any way other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter related to the exhibit. Exhibits actually received at the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

The Show closes at 5.00pm. No cat may be removed from its pen before this time.

THIS RULE WILL BE STRICTLY ENFORCED

No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this Rule is £10.00.

Judges are empowered to withhold any Prize or Championship in any Class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips, not from catalogue or award cards.

The committee reserve to themselves the right to:

(a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
(b) Refuse any entry without giving reason.
(c) Cancel, amalgamate or divide classes.
(d) Refuse admission to the Show Hall without giving a reason.
(e) Disqualify cats entered in the wrong classes by the exhibitor.
(f) Retain a percentage of the Entry Fees to cover essential expenses in the event of the Show being cancelled for any reason.
(g) No exhibitor may remove any official notice from the cat's pen.
(h) All exhibitors' property is left in the Hall at the owners' risk.

NOTICE OF CHANGE

An announcement in 'CATS' of any alteration made in the Schedule or in these Rules and Regulations shall be deemed sufficient notice thereof.

WARNING

Breeders and Owners are hereby warned by the G.C.C.F. of the unfortunate consequences which may follow the sale of WHOLE LITTERS TO ONE BUYER. The West of England and South Wales Cat Society cannot be held responsible for Cats and Kittens bought at the Show, neither will they be held responsible for details of such which appear in the Catalogue.

NO SPRAYS OF ANY KIND ARE ALLOWED IN THE HALLS The pen may be wiped down with a little cotton-wool dampened with any non-toxic disinfectant before putting the Exhibit into it.

PLEASE NOTE HOMOEPATHIC VACCINATION CANNOT BE ACCEPTED FOR THE PURPOSES OF SHOWING UNDER SECTION 4, RULE 4f.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your Show Entry Form from your G.C.C.F. Registration Document (i.e. Registration or Transfer Certificate) for the Cat which is being exhibited, **PRINTING** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your Registration Document at the time of entry, complete the Show Entry Form with the details from the Pedigree, giving the first choice of name if it is a non-prefix registration, and put R.A.F. (Registration Applied For) or T.A.F. (Transfer Applied For) in the Regd. No. box. It is wise to enclose a stamped self-addressed postcard for acknowledgement with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the G.C.C.F.

Try to keep a copy of your entry form - then when you receive registration details and number, check these against the entry form and notify the Show Manager, in writing, of any differences in the details, as well as giving the Registration Number if applicable. This may not be received in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show Managers are permitted to accept corrections, at their own discretion, up to the close of the Show (on show Day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. it may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign.**

GCCF SUPREME SHOW
Saturday 18th November 1995 at the NEC Birmingham

STATUS OF ERRORS - WHAT TO EXPECT

Minor Errors - These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

(a) minor spelling errors
(b) separation of names that should be one word, and vice versa
(c) overseas title preceding the name of an exhibit, sire or dam etc.
(d) full breed number known but not given
(e) Sire and Dam reversed (revised 5.1.94)
(f) breeder joint when single and vice versa (revised 5.1.94)

Incorrect Date of Birth - This is usually classed as a minor spelling error unless it affects an entry into classes based on age group when it could warrant disqualification of the exhibit from such classes but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS: Kittens - **not less than 14 weeks*** and under 9 calendar months on date of show with effect from 1.6.94

Adults - Not less than 9 calendar months on date of show

**minimum kitten age 4 calendar months until 31.5.94*

Incorrect Name of Exhibit/Owner/Sire/Dam or Breeder - If Registration/Transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

Exhibit/Sire/Dam - Omission of Administrative or Breeder's Prefix - Incomplete name - Sire or Dam reversed - Totally incorrect name or names.

Registered Owner (Exhibitor) - Joint when they should be single and vice versa - Totally incorrect name or names - Declaration not signed by registered owner(s).

N.B. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show.

Breeder - Totally incorrect name or names.

N.B. The breeder of a cat is PBalwaysPB the registered owner of the dam on the date of the cat's birth.

Registration/Transfer Not Received by G.C.C.F. 21 Days Before the Date of the Show - These entries will be disqualified. Remember the effective date for all registrations and transfers is the **first date of valid receipt by the G.C.C.F.** and if you enclose your stamped addresses acknowledgement cards with your application form this will be stamped with the G.C.C.F. Office date of receipt.

Transfer of Exhibit from Exhibitor to a New Owner Received by G.C.C.F. more than 21 Days Before the Date of the Show - Entries such as these will be disqualified as the exhibitor's entry form becomes invalid.

Incorrect Class Entry - These will be disqualified from the Class concerned - so always check with the Show Manager if in doubt about which Classes to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Cats Registered on the Reference Register - No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble free, not to mention the show checking.

Use of Shampoo which changes a cat's colour can lead to disqualification.

TROPHIES

All Trophies won at the Show held on 27th August, 1994 should be returned to the Honorary Support Cup Secretary no later than 21st August 1995.

Mrs H COLQUHOUN

19 Arrowsmith Avenue, St. Johns, Worcester, WR2 5ST

PLEASE NOTE

No alterations to entries will be accepted after closing date:

5th JULY, 1995

PLEASE NOTE: Check your Entry Form carefully. All Spellings, Dates, Sex and Registration Numbers MUST be correct. Breed Numbers must also be filled in. Also ensure that Address and Telephone Number are filled in on Entry and that you have signed your form.

VETERINARY LETTERS

(Amended Notice)

In the past, Cats showing signs of skin lesions might have been allowed entry to a Show on production of a letter from their Veterinary Surgeon, stating the origin of the lesions. This was subject to the agreement of the Duty Vet. THIS IS NO LONGER APPLICABLE. Such letters are no longer accepted at Shows and any Exhibitor presenting a Cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The G.C.C.F. Veterinary Officer recommends Exhibitors not to take a Cat to a Show if it has any skin lesions indicative of ringworm, however small.

Exhibitors are reminded that using shampoos which change the colour of a cat's coat leads to disqualification.

Club Show Support

The following Clubs are offering Club Specials only to fully paid-up Members of the individual Clubs. Please send SAE with all claims to the 'Support Secretary' of the INDIVIDUAL CLUB.

Exhibitors winning West of England and South Wales Club Cups and Trophies here today will be notified by the Cup Secretary and they will be presented at the Trophy Tea Party.

ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
