WELCOME to the 25th Anniversary of the BEDFORD Show.

It has been my privilege to be Show Manager of this popular show for a few years now, during which time we have seen many changes in both the shows management and the Committee running it. Nonetheless the BEDFORD has continued to have a responsible and hardworking committee, all of whom are willing to work not only on the day of the Show but behind the scenes during the year as well, in an effort to maintain the standard set by my predecessors, John & Pinkie Shewbridge, Gill & Bob Day, Michael & Beryl Warde, Pat Edwards.

Gone are the days when one had time to run Shows without the aid of a computer and it was the late Kay Burgess to whom we turned to initiate us into the joys of computerisation, later obtaining our own program through the skills of John Errington.

We have also been fortunate to keep the same venue, the support from the Hall management has always been excellent, however the future of the Hall is uncertain and therefore any suggestions for another venue in the Bedfordshire area will be gratefully received and considered by the Committee.

To Dorothy Richards our president, who along with the late Judith Burlton founded the Club, our thanks for all your support. Dorothy has continued to maintain a keen interest in the Club, she escorts our Dignitaries, chairs our AGM, and allows us the use of her lovely home for our Summer Barbecue, which has become an unmissable event.

The BEDFORD could not have been so successful over the years if it had not been for the support of the exhibitors, judges, stewards, printers - Reliance, rosette manufacturers - Richardson Designs, stall holders and volunteers, some of whom have supported us since the first show, my thanks to you all. I know that with so many Clubs being licensed to hold shows there is a considerable choice and people will always have their favourites, but this club will always make an effort to put as much back into the show, in the way of prize money and specials as we can safely afford and will endeavour to keep costs down as much as possible, this does not mean we cannot improve and are always open to your suggestions.

Good luck today and please come back next year .

SOME NOTES FOR VISITORS & EXHIBITORS

Judging will commence at 10.00 a.m. and exhibitors will be requested to clear hall at this time until 12.30 p.m., whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's award slip and not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a judge, or enter into conversation with a judge, until that judge's engagement is complete.

The cats and kittens are all very beautiful and it is very tempting to play with them through the pen but **under no circumstances should you touch an exhibit** which does not belong to you. No exhibits are to be removed from the halls until 5 pm or when the Show has been officially declared closed there will be no early passes.

Ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
