JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

THE GOVERNING COUNCIL, OF THE CAT FANCY NEW SHOW RULES FROM 1st JUNE 1976

- 1 No Kitten shall be exhibited under the age of Fourteen Weeks. This applies to litters for Exhibition also.
- 2a Any Cat or Kitten which in the opinion of the judge is very under-developed or in poor condition shall be disqualified from competition.
- 2b Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

- 3 Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset. Price £1.50.

Every exhibit must be provided with a white sanitary tray and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. A hot water bottle OR HEAT REFLECTING MATERIAL may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging starts at 10am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way.

PLEASE NOTE: Sprays of any kind are not allowed in the Show Hall

The Committee on behalf of the Club retain the exclusive right to publish catalogues for their Show containing such information as required by the GCCF Rules and reserve to themselves the right to refuse any entry without giving a reason

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfill their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes not guaranteed. Announcement of any alteration in the Schedule will be made in CATS' and will be deemed sufficient notice.
- (d) Disqualify cats entered in the wrong classes by the exhibitor.
- (e) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being canceled for any reason.

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised about against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of fourteen weeks (14) may not be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme
- h) Sphynx Cats. The GCCF recommendation that they are not accepted for exhibition as it is not considered a viable pet for the average home and exhibiting may mislead the public.
- j) Queens who have kitted within 12 weeks of the date of the show may not be shown.

ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
