FROM THE CHAIRMAN

Welcome to our very first all-breed Championship Show! When we first embarked on the ladder towards today, it seemed an eternity away, but I have to say that the time has gone very quickly indeed. So much work is involved, by so many people, all the year round, in order to achieve an enjoyable show, that the time melts away. So, here we are, numerous exhibitions, 1 Non-pedigree show, 3 Exemption shows and 3 Sanction shows later, competing with the best of them.

There has been a tremendous response this year, despite our clashing with 3 other Championship shows, filling our hall to a capacity 560 pens by closing date, which has delighted us, and disappointing, regretfully, a large number of would-be exhibitors whose entries or telephone calls arrived too late. We have cats here today from as far apart as Aberdeen and Jersey, and we do appreciate the effort, expense and commitment which everyone has made to be here. Thank you all very much.

Support for our Best in Show sponsorship has been most generous, particularly from local companies Morgan Motors Ltd. and Beacon Waste Ltd. such that, at the time of writing this, each of our overall Best In Group winners will receive at least £22.50, and the Overall Best In Show winner will receive at least £27.50. We really appreciate this.

To those who are visiting a cat show for the first time, whether as an exhibitor or spectator, we hope that you have a most enjoyable day. We also hope you will see that although the cats are carefully prepared for this beauty competition, and each is judged to a Standard of points in the Pedigree Section and on condition and temperament in the Non-Pedigree Section, all the cats are basically much-loved family pets, and none is a 'hot-house plant'. Pedigree cats are not delicate - they are bred as much for health, vigour and temperaments as for their looks. Their types and colours are many and varied, and there should be something to appeal to everyone. By offering classes for neutered cats and for non-pedigrees, we promote and support the need for neutering/spaying and for good cat care generally.

My most grateful thanks go to the hard-working members of the show committee who put in so much effort both prior to and during the show, plus those club members and friends who have helped. A very special thank you goes to my assistant show manager, Joyce Wilcox, for her sterling hard work.

For those who are interested in joining our club, which caters for all cat lovers, an application form is contained within this catalogue, or one may be obtained from our information stand. We meet monthly in Worcester, organise events both educational and social, and we issue a Journal twice yearly.

We wish everyone a happy and successful day, and a safe journey home. Next year's show will be on the 13th September 1997, and we hope to see you again then.

Anna Bailey, Chairman.

YOUR CHANCE TO HAVE YOUR SAY!

CLUB MEETING

THURSDAY 19TH SEPTEMBER 1996

8.00 P.M.

ST ANNES CHURCH HALL, CORNMEADOW LANE, WORCESTER.

For September's monthly meeting (3rd Thursday), we shall give everyone a chance to comment on today's show while it is fresh in our minds. We have issued survey forms at past shows, but only a small proportion of these are ever returned, and there is no real opportunity to answer points made.

As ever, a show can always be improved upon, and we will all have different perspectives on the many facets of the event. We need constructive ideas for any changes which might be considered, together with feedback on the aspects which you particularly appreciated.

If you would be willing to help with next year's show (13th September 1997!), both prior to and during the day, we should be delighted to hear from you.

Do make an effort to come along and contribute - what other club would extend such an invitation?

NOTE:

All exhibitors' property is left in the hall at the owners' risk.
No exhibitor may remove any official notice from any cat's pen.

The show is held under the rules of the GCCF and is open to all. Exhibitors are requested to read Section 4 of the Rules (Exhibits & Exhibitors), copies of which are available from the GCCF, 4-6 Penel Orliou, Bridgwater, Somerset, TA6 3PG, price £1.50 including postage. Exhibitors are requested to familiarise themselves fully with these rules, as they will be strictly applied. Ignorance of any rule will not be accepted as an excuse for its breach.

TIMES OF THE SHOW Vetting-in will be from 0730 to 0945. The judging area of the hall will be cleared at 0955. Judging will commence at 1000. The show will be open to the public from 1230 - 1700. There will be no early removals.

SHOW PROCEDURE AND REGULATIONS

PRESENTATION OF EXHIBITS Take a pride in presenting your exhibit: make sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with food dish, water dish and sanitary pan: all articles must be WHITE. Every exhibit must have a CLEAN WHITE BLANKET/S to lie on. None of this equipment may bear any distinguishing marks; blankets must be plain woven; cellular blankets are not allowed. Judges are instructed to pass any pen which is distinguished in any manner. A dish with water MUST be left in the pen, but food dishes must be removed from competitive pens when judging commences at 1000 and may not be returned until 1300.

Tallies must be hung around the exhibit's neck by means of white tape, ribbon or elastic and must not be removed until the show closes.

No written or printed matter of any kind, other than official notices and award cards, may be put onto competitive pens. Exhibition pens may be decorated in any manner.

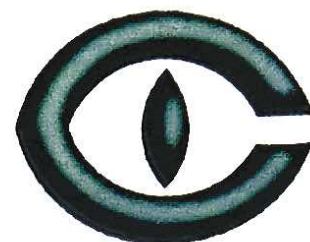

WHITE EQUIPMENT IS ON SALE AT THE SHOW

CLOSURE OF SHOW AND REMOVAL OF EXHIBITS Exhibits once received into the show hall cannot be removed without permission of the Show Manager. They are then only received on condition that the Club shall not be held responsible in any way for any loss or damage to exhibits, carriers or other property.

The show closes at 1700 and no exhibit may be removed from its pen before this time. Failure to observe this rule will result in forfeiture of awards.

**PLEASE CONTACT THE SHOW MANAGERS FOR ANY ADVICE ON SHOW MATTERS.
IF A WRITTEN REPLY IS REQUIRED, PLEASE REMEMBER TO ENCLOSE A S.A.E.**

JUDGES are empowered to withhold any prize/award in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judges' slips and not from any catalogue or prize card.

Exhibitors:- If your cat has won a champion or premier title here today please make your claim to the GCCF office. You should include the cat's name, Breed Number, Sex, Breeder's name, Owner's name and address and the names and dates of the three shows together with the awarding Judges' names. All claims are acknowledged. Periodically a list of Champions etc. is published in CATS and shortly after medals are sent from the office to Owners. A Show Season runs from June to May.

Applying for a Prefix:- Breeding Prefixes cost £50 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for registration and transfer are available from the office.

Certificate of Entirety:- All male cats that are used at stud for the first time must have a Certificate of Entirety deposited with the GCCF, prior to the registration of their first litter of kittens. Established stud cats must have their certificate deposited by 31 December 1996. Official GCCF Certificates of Entirety are now available from the office on receipt of a large stamped addressed envelope together with the registered number and name of the cat. No fee is charged by the GCCF for the certificate and once it has been signed by your veterinary surgeon it should be returned to the GCCF office. Owners are recommended to make a photo copy so that they can show it to the owners of queens using their cat at stud.

Publications:- Price lists and address lists of Club Secretaries are available on receipt of a SAE. The following are obtainable by post from the office :-

project ringworm research

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
