Exhibitors:- If your cat has won a champion or premier title here today, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of champions etc. is published in CATS, shortly after which medals are sent to owners from the office.

Applying for a Prefix:- Breeding prefixes cost £50 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office.

Welcome to our TENTH CHAMPIONSHIP SHOW

Very many thanks to all those who have supported us for so many years and are here yet again. Welcome to our new exhibitors.

Without you - the exhibitors, the judges, the Clubs who have put on special exhibitions, the stallholders and all our helpers including the stalwarts who run the raffle, tombola and club tables - it just would not be possible.

Very many thanks to the supporting Clubs and to the many people who have given trophies and specials.

The new venue was popular last year - and the show made a profit.

TO OUR VISITORS -

We hope that you like the cats you see here today, but PLEASE DO NOT TOUCH THEM AS THIS CAN SPREAD INFECTION.

You may wish to buy a kitten: many breeders have advertised in the catalogue or you can 'phone the Club Secretaries to ask about kittens for sale. You may find that some of the kittens here are for sale but please remember - IT IS NEVER ADVISABLE TO BUY A KITTEN DIRECT FROM A SHOW. Kittens are easily upset and a change of home after a day at a show may be enough to make any kitten ill.

BOOK your kitten today and arrange to collect it at least a week later. Be patient - remember that this kitten will be your cat for life.

This Show is held under licence granted by the Governing Council of the Cat Fancy and is, therefore, subject to the Rules of the Council; copies of these are available from the GCCF Office.

Exhibitors are responsible for the correct description of their exhibits and their entry in the correct classes. **PLEASE CHECK YOUR ENTRY IN THIS CATALOGUE.**

If there is an error in your entry please tell the Show Manager **IMMEDIATELY** so that it may be corrected and thus avoid your disqualification.

The Committee reserve the right to:

1. Appoint other judges should those advertised be unable to fulfil their engagements and to appoint further judges should they be required.
2. Fix and limit the number of exhibits to the show and to accept or refuse entry without giving reasons.
3. Cancel, amalgamate or divide classes.
4. Publish a catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors, and process such information by computer.
5. Retain a percentage of the entry fees to cover essential expenses in the event of the show being cancelled for any reason.

Nobody may remove an exhibit from its pen except the owner, owner's agent or Show official. Exhibitors must not carry their exhibits round the show hall. Exhibits must not be held in such a way as to annoy other exhibits. Any person in any way interfering with or removing any exhibit from its pen during the Show, except with the permission of the Show Managers, will forfeit any award that may be due. Exhibits actually received into the Show Hall cannot be removed without the permission of the Show Managers.

The Show closes at 5.00 pm and no exhibit may be removed from its pen before this time. Anyone breaking this rule could be **DISQUALIFIED** and forfeit any prize money and awards.

Judges are empowered to withhold any award in any class if the exhibits do not, in the Judge's opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaints relating to the Show must be forwarded, in writing, to the Show Managers within seven days of the Show.

**PLEASE MAKE SURE THAT YOU OWN, HAVE READ
AND UNDERSTAND THE G.C.C.F. RULES.**

Proudly represented by:

GRAND PREMIER NEPHTHYS NORA BATTY 32c

(Ch Nephthys Bungalow Bill x Ch Nephthys Nell Gwynn)

4 GPCs, 15 PCs, many BOBs and NBIS. Nora is the UK's first and only female Grand Premier Cream Point Siamese and still winning at the age of 8 years - GPC, PC & BOB at Wessex '97.

She is appearing today by kind permission of The Boss who has also decided to come along and see what this show business lark is all about.

NEPHTHYS OMEGA (Compo) 32c

(Ch Nephthys Bungalow Bill x Lowdollah Lita)

Yes. I know he's not show quality, but Nora would be very bored and noisy if she's on her own all day whilst I'm busy with the cups and specials! Please go and say hello to them - for those who don't know Nora she's the dainty "girlie" looking one and Compo's the big thug!

The Feline Advisory Bureau is a charity dedicated to the health and welfare of cats. The Bureau was founded in 1958 when knowledge of the cat and its veterinary care was in its infancy. By gathering information and funding veterinary surgeons to specialise in the care of cats, FAB had a major influence on early improvements in veterinary treatment. Since then the Bureau has continued to be a leader in feline matters, both in veterinary diagnosis and treatment, and in the welfare of cats in boarding and quarantine catteries. It has created the scientific backbone for many of the advances in the treatment of cats that we enjoy today. The need to fight against disease, and to try to understand the physical and mental makeup of our felines continues... the more we learn the more we find there is to discover.

FAB members receive....

- Quarterly colour FAB Journal
- Special rates for referral consultations with FAB scholars
- Reduced rates for continuing education days and conferences
- A chance to participate in FAB's regional network

FAB operates an Advice helpline....

The FAB office is open 9 am to 5 pm Monday to Friday. Staff will endeavour to help you with feline problems or advise you where to find further help.

Help eradicate ringworm

The Cat Welfare Trust

Registered Charity No. 800719

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

Venita Cook died earlier this year

A past Committee member
and Treasurer of the RP&TPSCE.
Venita was also responsible for the
overall style of the Breed 32 Show.

In addition to designing the logo,
she produced the original covers, posters,
prize cards - you name it - she designed it.

She also produced the little cat drawings that
fill in the spaces (please DON'T "steal" them)

We will all miss her very much
