## SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 4-6 Penel Orleu, Bridgwater, Somerset, TA6 3PG, Price £1.00. These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show Hall other than exhibiting Cats, Kittens or Neuters.

### ELIGIBILITY OF EXHIBITS TO ENTER SHOW

**PEDIGREE SECTION:** All Cats, Kittens and Neuters of breeds recognised by, and registered with, the GCCF, (except those registered on the Reference Register) are eligible for entry in the competition. To be effective for entry, all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. It is wise to enclose a stamped addressed postcard for acknowledgement of registration/transfer applications, particularly for cats entered for shows, so that you will know that the application has been received by the GCCF and on what date. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grandparents unregistered shall be eligible for entry into Open Classes.

**NON-PEDIGREE SECTION:** All unregistered Cats, Kittens and Neuters of unknown or unregistered non-pedigree parentage are eligible for entry in the Non-Pedigree Section. All Non-Pedigree cats over nine months of age must be neutered.

### GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, printing the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer application, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager(s) in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager(s) should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager(s) whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager(s) for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

## STATUS OF ERRORS - WHAT TO EXPECT

**MINOR ERRORS.** These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit (revised 12.1.95)
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) Sire and Dam reversed (revised 5.1.94) or named incorrectly (revised 12.1.95)
- (g) breeder joint when single and vice versa (revised 5.1.94)

**INCORRECT DATE OF BIRTH.** This is usually classes as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

**N.B. AGE LIMITS:** Kittens-not less than 14 weeks and under 9 calendar months on date of show.  
Adults-not less than 9 calendar months on date of show.

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER.** If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

<b>EXHIBIT</b>	Totally incorrect name Incomplete name/unregistered name added
<b>REGISTERED OWNER (EXHIBITOR)</b>	Totally incorrect name or names Joint when they should be single and vice versa Declaration not signed by registered owner(s) N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.
<b>BREEDER</b>	Totally incorrect name or names N.B. The breeder of the cat is always the registered owner of the dam on the date of the cat's birth.

**REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW.** These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the GCCF and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

**TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.** Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

**INCORRECT CLASS ENTRY.** These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

**CAT REGISTERED ON THE REFERENCE REGISTER.** No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of

explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking

### **ON ARRIVAL AT THE SHOW**

Exhibits will be received at the entrance of the show hall from 8.00 a.m. until 9.45 a.m. on the morning of the show. All exhibits must be brought to the show in boxes, baskets or suitable containers, and must be accompanied by their owner or representative.

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined.

Tallies and exhibitors' passes will be issued at vetting in. Tallies should be hung around the exhibit's neck by means of white tape, elastic or narrow ribbon and should not be removed until the show closes.

All exhibits must be vaccinated against Feline Infectious Enteritis, not less than seven days prior to the show. Please note that HOMEOPATHIC VACCINATION cannot be accepted. Exhibitors may be asked to produce a current vaccination certificate for each exhibit.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queens who have kittened within 12 weeks before this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

Unfit exhibits must be removed by their owners and payment forfeited. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owners thereof shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain the reasons and accordingly notify the GCCF within 48 hrs. of the show, ensuring that a copy of the rejection form is forwarded to the exhibitors concerned.

The procedure for veterinary clearance is clearly stated in the GCCF Show Rules. However, exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a Clearance Certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature, acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

### **PRESENTATION AND BENCHING OF EXHIBITS**

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with a clean white blanket or blankets, (plain woven, not cellular) of reasonable size to lie on (Vet-bed or like material with white or green backing may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.00 a.m. and can be returned after 1.00 p.m. Water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting material are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks. No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the show manager(s). "For Sale" notices are not allowed.

The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substance may be left in the coat of exhibits. Exhibitors are reminded that using products which change the appearance of the coat could lead to disqualification.

Such preparations are on open sale, often by stall holders, but we advise most strongly against their use.

Exhibits received into the show hall cannot be removed, without the permission of the show managers, prior to the closure of the show.. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. The show closes at 5.00 p.m. or earlier at the show manager's discretion. There will be no early removal passes issued.

### **JUDGING AND JUDGES**

Judging will commence at 10.00 a.m. and exhibitors will be requested to clear the hall at this time until 12.30 p.m., whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge to countersign any certificate awarded to that exhibit in that class, which will then count towards Champion/Premier status.

Notes:

- a) The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc.) shall be the cat's status on the day of entry, except where Section 2, Rule 15e applies.
- b) The wins as a kitten do not count when the exhibit is shown as an Adult or Neuter.
- c) The wins as an Adult do not count when the exhibit is neutered and shown.
- d) To be eligible for entry into Grand Champion/Premier classes, the status of Champion/Premier must be attained on or before the closing date for entries published in this schedule (see Section 2, Rule 15e).
- e) When counting wins/prizes include all obtained in any class at a show held under GCCF Rules.

### **EXHIBITS FOR ASSESSMENT CLASSES**

Cats, kittens and neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class, plus a minimum of three applicable Miscellaneous or Club classes. Assessment classes are not competitive. Exhibits will be assessed and awarded a 'Merit' certificate if considered, by the judge, to meet the approved Standard of Points.

**PLEASE NOTE:** Exhibitors must provide, with their entry form, a copy of the GCCF approved Standard of Points for each exhibit they are entering into Assessment Classes.

### **CORRESPONDENCE**

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show.

To prevent disappointment, it is recommended that exhibitors enclose a stamped addressed postcard with their entries, to be returned as acknowledgement of receipt of entries.

### **NOTICE OF CHANGE**

An announcement in "CATS" magazine of any alterations or additions made to this schedule or in these regulations shall be deemed sufficient notice.

### **SHOW WITHDRAWALS AND ALTERATIONS**

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

**ALL WITHDRAWALS MUST BE IN WRITING.**

**ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER.**

**NB** No telephone alterations and/or deletions will be accepted.  
All exhibits **MUST** be entered according to their status at the closing date of entries.  
Corrections to your entry form can be made on show day.

**The committee would like to draw your attention to the following:**

An entry for which fees are paid by a cheque that is returned marked 'Refer to Drawer' will be withdrawn from the show until an additional fee of £5.00 is paid to cover administration and bank charges.

### **SPECIAL NOTICE TO EXHIBITORS**

There will be no refund of entry fees after entries have closed.  
Prizes to be claimed within 7 days of the show.

Exhibitors:- If your cat has won a champion or premier title here today, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of champions etc. is published in CATS, shortly after which medals are sent to owners from the office.

Applying for a Prefix:- Breeding prefixes cost £50 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety, send a large stamped addressed envelope to the office, together with the registered number and name of the cat. No fee is charged by the GCCF. Once signed by your veterinary surgeon, return it to the GCCF office. We recommend you keep a photocopy available to show to owners of queens using your cat at stud.

## HELP ERADICATE RINGWORM

Support the CWT project to produce a vaccine

- THE CAT WELFARE TRUST is delighted to announce the appointment of Mrs Ann Robinson who has started research for the project at Langford House, Bristol University.
- THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.
- THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

DONATIONS SHOULD BE SENT TO: Mr J Allen (Treasurer), Cat Welfare Trust,

## A SECTION MANAGER'S LAMENT

Oh Exhibitor, Exhibitor, why do you treat me so?  
I'm only trying to help you to enter Durham Show.  
The problems that you cause me, arrive by post each day.  
They make me shout and scream and cuss, my hair is turning grey.

There can sometimes be an error when you are adding entry fees.  
Will you buy a calculator? Will you check your entry please?  
Will you write your entry neatly and then read it I implore you?  
And if, by chance, you type it - why then, I just adore you!

Alas you enter 'neuter' in the class just for 'entire'  
Or you forget your Pussy's birthday, his dam or even sire!  
His registration number may be there or maybe not!!  
Oh Exhibitor, Exhibitor, you put me in a spot!!!

As closing date approaches, the avalanche descends.  
I'm buried beneath envelopes, no time for food or friends.  
I exist on cups of coffee as I burn the midnight oil.  
The job of Section Manager is one of sweat and toil.

But I can get my own back. I can ring you without warning!  
I can summon you from comfy bed on early Sunday morning.  
I can wake you up at midnight, after 3 a.m. is better.  
That will teach you to ignore my plea for brief confirming letter!

We can sort out all the problems, we can get your entry right.  
There is just a possibility I might get to sleep at night.  
But Exhibitor, dear Exhibitor, the one thing that I fear,  
Is unless I flee the country, I've got this job next year!!

*Alice T Harvey*
