Welcome to our 22nd Championship Show.

This year sees the Essex under the new show management team of Helen Hewitt and Sue Kirk. Helen very kindly (nay, madly) offered to be Joint Show Manager with Sue after Barry left last year, and we are very grateful to her. I would also like to thank the Section Managers who took on the task of accepting entries and sorting out queries/giving information to exhibitors. Thanks must also go to the Committee and non Committee members who make up the Essex Team, without their enthusiasm and commitment before, during and after the show, the Essex would not be the friendly show that it is. To the vets, judges and stewards a big thank you for coming, hope you enjoy meeting old friends and new (feline and human). Lastly, my thanks to you, the exhibitors, for bringing your special feline friends to the show.

Without all these people we wouldn't have a show.

Martin Paterson
Chairman

It has been reported that, in addition to humans, Aloe Vera can give amazing benefits to animals.

As advised by our independent advisor, Dr Ivan Danhof, The World's Leading Authority on Aloe Vera, in his video "Remarkable ALOE",

ALOE VERA has been found to be anti-inflammatory, anti-bacterial and pain relieving.

ALOE VERA can help healing and boost the immune system.

A GCCF Challenge/Premier certificate will be offered for each cat/neuter Open Class of the recognised breeds with Championship status

CHAMPION OF CHAMPIONS-PREMIER OF PREMIERS

The title of Grand Champion will be granted to a cat winning three Grand Challenge Certificates at three shows under three different Judges. To compete in the Champion of Champions Class a cat must be a full Champion on the date that the show closes. A champion cat may be shown both in its ordinary Open Class and in the Champion of Champions Class. Only one prize with a Reserve in case of disqualification will be awarded. The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as those for Grand Champion.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card.

ADVICE TO EXHIBITORS AS FROM 1.6.92

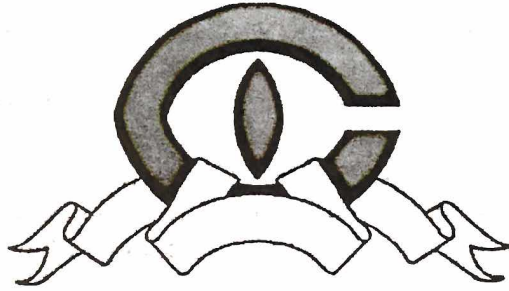

- a) You are advised about against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of fourteen weeks (14) may not now be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme
- h) Queens who have kitted within 12 weeks of the date of the show may not be shown.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of you certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped,

addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.

3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

Ringworm research project

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

CATS WITH RINGWORM SUFFER from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

COUNTERSIGNING CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

CHANGE TO ENTRY FORM

Exhibitors are advised that they may correct any mistakes on their entry form up to the close of the show. Please inform the Show Managers in sufficient time if your entry is wrong

RULE ON BITING AT SHOWS (Effective 1.6.88)

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

EXHIBITS FOR ASSESSMENT

Cats, kittens and neuters of those breeds with Preliminary recognition must enter the appropriate Assessment Class, plus a minimum of three applicable Miscellaneous classes. Assessment classes are not competitive. Exhibits will be individually assessed and awarded a 'Merit' certificate if considered, by the judge, to meet the approved standard of points.
