SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset TA6 3PG. Price £1.50)

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

- (a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a Show, the GCCF will require you to produce a veterinary certificate of freedom from infection before being permitted to attend or exhibit at any future show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
- (b) Evasion or breach of any of the GCCF rules, or of the articles of its constitution may, and often will lead to disciplinary action and you are advised to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
- © Except where the context demands otherwise, the word 'Cat' in these rules includes kittens and neuters. A kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

RULE ON CONDITION (Effective 1.6.88) Section 4, Rule 4d

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

CORRESPONDENCE

All correspondence must be accompanied by a stamped, addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven (7) days of the Show.

CHAMPIONS AND PREMIERS

The title of Champion for cats and Premier for neuters shall be granted to exhibits winning three challenge certificates or premier certificates at three shows under separate judges. A GCCF Challenge/Premier certificate will be offered for each cat/neuter Open Class of the recognised breeds with Championship status.

CHAMPION OF CHAMPIONS - PREMIER OF PREMIERS

The title of Grand Champion will be granted to a cat winning three Grand Challenge Certificates at three shows under three different Judges. To compete in the Champion of Champions Class a cat must be a full Champion on the date that the show closes. A champion cat may be shown both in its ordinary Open Class and in the Champion of Champions Class. Only one prize with a Reserve in case of disqualification will be awarded.

The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as those for Grand Champion.

The Champion of Champions Classes will be split into Male and Female.

JUDGES

Judging will commence at 10am and exhibitors will be requested to clear the hall at this time until 12.30pm whilst the Open Classes are being judged. Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge until that Judge's engagement is complete.

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of four (4) months may not now be shown.
- e) Any person whose cats have been rejected under Section C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
- h) Queens who have kitted within 12 weeks of the date of the show may not be shown.

ring worm research project

Help eradicate ringworm

Support the CWT project to produce a vaccine

THE CAT WELFARE TRUST is delighted to announce the appointment of Mrs Ann Robinson who has started research for the project at Langford House, Bristol University.

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and / or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households

Donations should be sent to:

Mr. J. Allen, Treasurer, Cat Welfare Trust, 16 St Andrews Way, Langford, Bedfordshire SG18 9QL
