WELCOME TO OUR 12TH CHAMPIONSHIP SHOW

After a record entry last year, not surprisingly this year our entry has been affected by our unavoidable clash with the Somerset, Mersey and London Shows. Nonetheless, we are very grateful to those of you who have supported us and we hope that you have an enjoyable and successful day.

Thanks also to those who have given Specials, trophies, raffle prizes and support through advertising and tables.

Congratulations to the Oriental Shadedds on their promotion to Championship status.

This year we are offering a choice of rosettes or cash for the miscellaneous classes, with the exception of the Congratualtions, Special and OCA Club classes, and you will need to present your vetting-in envelope and award card to collect either miscellaneous or other club class rosettes or cash.

Once again we will be running our Photograph Competition. Please go and cast your votes with your money - the more the merrier - all proceeds go to the OCA Cat Welfare Fund.

Have a safe journey home and we hope to see you all next year when the show will be reverting to its correct date -

20TH JUNE 1998

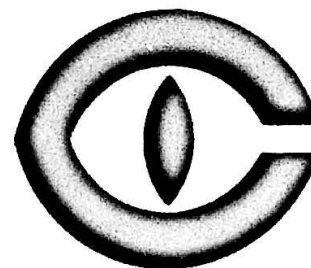

AWARDS

Open, Congratulations, Special and OCA Club Class Rosettes
will be placed on the pens.

Please collect your other rosettes or prize money as above

Exhibitors:- If your cat has won a champion or premier title here today, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of champions etc. is published in CATS, shortly after which medals are sent to owners from the office.

Applying for a Prefix:- Breeding prefixes cost £50 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety, send a large stamped addressed envelope to the office, together with the registered number and name of the cat. No fee is charged by the GCCF. Once signed by your veterinary surgeon, return it to the GCCF office. We recommend you keep a photocopy available to show to owners of queens using your cat at stud.

GCCF SUPREME SHOW
NEC BIRMINGHAM ON SATURDAY 22ND NOVEMBER 1997

THIS SHOW is held under the rules of the Governing Council of the Cat Fancy and is open to all. Ignorance of any rule will not be accepted as an excuse for their breach. Copies of the GCCF Rules are available from the G.C.C.F. Office, 4 - 6 Penel Orliou, Bridgwater, Somerset TA6 3PG, price £1.50. PLEASE MAKE SURE THAT YOU OWN, HAVE READ AND UNDERSTAND THE GCCF RULES.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip not from any catalogue or prize card. In an emergency, Judges may be changed during the course of the Show with the consent of the Show Manager. A Judge's decision is final. You may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is completed.

THE COMMITTEE RESERVE THE RIGHT TO:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagements, and to appoint further Judges should they be required.
- (b) Fix and limit the number of exhibits at the Show, and to accept or refuse entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors and process such information by computer.
- (e) Retain a percentage of the fees to cover essential expenses in the event of the Show being cancelled for any reason.

WARNING: Breeders and owners are hereby warned by the GCCF and the Officials of the Oriental Cat Association Show against the danger of selling whole litters to one buyer, as unfortunate consequences may follow.

No one may remove any exhibit from its pen except the owner, owner's agent or Show Official. Any other person in any way interfering with or removing any exhibit from its pen during the show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall, and they must not be held in such a way as to annoy other exhibits.

Exhibitors are responsible for the correct description of their exhibits and their entry in the correct classes. PLEASE CHECK YOUR ENTRY IN THIS CATALOGUE. If you find an error tell the Show Manager as early as possible.

ANY COMPLAINTS RELATING TO THIS SHOW MUST BE FORWARDED, IN WRITING, TO THE SHOW MANAGER WITHIN SEVEN DAYS OF THE SHOW

ringworm
research project

THE CAT WELFARE TRUST is delighted to announce the appointment of Mrs Ann Robinson who has started research for the project at Langford House, Bristol University.

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

DONATIONS SHOULD BE SENT TO:

The Feline Advisory Bureau is a charity dedicated to the health and welfare of cats. The Bureau was founded in 1958 when knowledge of the cat and its veterinary care was in its infancy. By gathering information and funding veterinary surgeons to specialise in the care of cats, FAB had a major influence on early improvements in veterinary treatment. Since then the Bureau has continued to be a leader in feline matters, both in veterinary diagnosis and treatment, and in the welfare of cats in boarding and quarantine catteries. It has created the scientific backbone for many of the advances in the treatment of cats that we enjoy today. The need to fight against disease, and to try to understand the physical and mental makeup of our felines continues... the more we learn the more we find there is to discover.

FAB members receive....

- Quarterly colour FAB Journal
- Special rates for referral consultations with FAB scholars
- Reduced rates for continuing education days and conferences
- A chance to participate in FAB's regional network

FAB operates an Advice helpline....

The FAB office is open 9 am to 5 pm Monday to Friday. Staff will endeavour to help you with feline problems or advise you where to find further help.
