WELCOME

... to this All Breed Championship Cat Show

The organisers hope that you will have an enjoyable day viewing the beautiful exhibits and chatting to fellow cat lovers. You will find here today representatives of most recognised breeds of cat, competing for honours and Championships; these exhibits are judged according to a strict Standard of Points. There are also a number of Non-Pedigree exhibits; this section is provided so that unregistered cats and kittens may also compete for show honours; these exhibits are judged on condition, appearance, personality and presentation at the show.

For the protection and comfort of the exhibits we ask you and your family to observe the following.

***PLEASE DO NOT HANDLE THE EXHIBITS OR PUT
FINGERS INTO THE PENS***

***PLEASE WALK - DO NOT RUN IN THE HALL
- SPEAK QUIETLY***

***PLEASE BE CONSIDERATE TO JUDGES - DO NOT
CROWD THEIR TABLES***

We ask this to ensure that infection will not be passed from cat to cat, and so that exhibits will not become frightened.

Should you purchase a cat or kitten today, please remember that the Surrey and Sussex Cat Association CANNOT be held responsible in any way. However, there are Judges and Veterinary Surgeons here who will be happy to advise where possible.

THANK YOU FOR COMING TO THE SHOW ...

... PLEASE COME AGAIN NEXT YEAR

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of fourteen weeks (14) may not now be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
- h) Queens who have kitted within 12 weeks of the date of the show may not be shown.

JUDGING AND JUDGES

Judging will commence at 10.00a.m. and exhibitors will be requested to clear the hall at this time until 12.30p.m., whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

ringworm research
project

Help eradicate ringworm

Support the CWT project to produce a vaccine

THE CAT WELFARE TRUST is delighted to announce the appointment of Mrs Ann Robinson who has started research for the project at Langford House, Bristol University.

THE SKIN DISEASE resulting from ringworm infection is often mild and localised; in some cats it can become severe and / or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some infections prove very prolonged and can be extremely difficult to cure.

THE RISK OF SPREAD OF INFECTION TO MAN is of considerable importance as the disease, particularly in children can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households

Donations should be sent to:

BRITISH BLUES

BROWN BURMESE

Home of -

UK GR CH CASSIOBURY BEECHNUT (27)

Raffles has been at stud for 12 years and has sired innumerable show winners and he appears in many of today's Burmese pedigrees. We feel that he has made his contribution to the breed, so he is now neutered and living with his harem.

CH. POSITIVELY LLEW GLAS (16)

Lew is our pride and joy, with his heavy bone, deep eye colour and sound coat - and a fantastic temperament. AND - He's just learned what girls are for!

Still in control, the matriarch, now 14 years old -
CASSIOBURY RED CORAL, British Red Self.

Kittens from **Lew** to **LACENDEL LATEST FLAME** and **POSITIVELY GWALIA** hoped for any day now.
