Ignorance of any Rule will not be accepted as excuse of its breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- c) Cancel, amalgamate or divide classes.
- d) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- e) Disqualify cats entered into the wrong classes by exhibitors.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.

The Show closes at 5.30 pm or earlier at the Show Managers discretion and no cat may be removed without the permission of the Show Managers. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. There will be no early removal passes issued. All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show.

## JUDGING AND JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.

## The Cat Welfare Trust

PLEASE SUPPORT THE NEW TRUST APPEAL

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats by carrying out genetic research. Relatively little work has been undertaken in this field and it is a subject that has come to the fore recently with the European Union's Convention on the Breeding of Pet Animals which pinpoints several areas of concern.

The Trustees are hoping to identify a project and have work on it underway in the second half of 1998. The funding required will be £10,000 each year.

Donations to the Trust Treasurer: Mr John Allen, 16 St Andrews Way, Langford, Bedfordshire SG18 9QL.
