GCCF SUPREME SHOW

NEC BIRMINGHAM ON SATURDAY 21st NOVEMBER 1998

From the "Bedford" Chairman.

Welcome to this, our 27th Championship Show, at the Queensway Hall, Dunstable.

I would like to thank everybody for all the effort and hard work they have put into the preparation and running of the show.

To Di Birtwistle, our Show Manager, for all her determination in getting things done and her organising ability.

To all of the committee members, for staying up so late at the meetings and helping to make the decisions.

To our section managers, for taking and sorting out all of the entries, and being so computer literate.

To the judges, stewards and vets for their dedication and expertise.

To the stallholders for such a fantastic assortment of goods and delights for you and your cat.

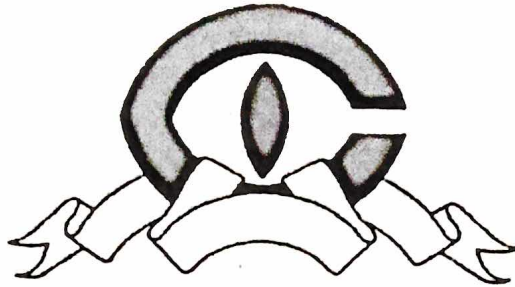

And last but not least, to you, the exhibitor - without you there would be no show.

Unfortunately this is our last show at the Queensway hall - it's been a great venue to us over the years and the staff have been so kind and helpfull. We shall miss coming here.

Have a wonderful day, and once again thank you to all of you.

Chris Wood

Chairman

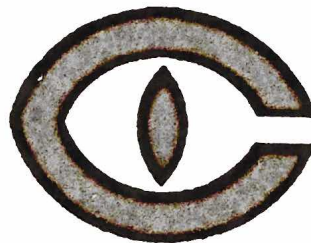

THE SUPREME SHOW IS OPEN TO ALL QUALIFIED CATS AND KITTENS

Full details will be given in the Schedule, but basically the Supreme is open to all titled cats; all cats that have won one or more certificates and kittens that have won an open kitten class at a championship show. Cats born on or after 1st September 1997 and are adult by the day of the show, may qualify by winning a kitten open class at a championship show. Non-pedigree exhibits must have won an open class at a GCCF championship show or a Whiskas heat as appropriate.

Schedules will be available at GCCF stalls, or by post from the GCCF Office
4-6 Penel Orliou, Bridgwater, Somerset, TA6 3PG from July 1998.

To avoid disappointment, please send in your entry as early as possible,
as the entries will be closed when the hall is full.

The Cat Welfare Trust

PLEASE SUPPORT THE NEW TRUST APPEAL

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats by carrying out genetic research. Relatively little work has been undertaken in this field and it is a subject that has come to the fore recently with the European Union's Convention on the Breeding of Pet Animals which pinpoints several areas of concern.

The Trustees are hoping to identify a project and have work on it underway in the second half of 1998. The funding required will be £10,000 each year.

Donations to the Trust Treasurer: Mr John Allen, 16 St Andrews Way, Langford, Bedfordshire SG18 9QL.

SOME NOTES FOR VISITORS & EXHIBITORS

Judging will commence at 10.00 a.m. and exhibitors will be requested to clear hall at this time until 12.30 p.m., whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's award slip and not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a judge, or enter into conversation with a judge, until that judge's engagement is complete.

The cats and kittens are all very beautiful and it is very tempting to play with them through the pen but **under no circumstances should you touch an exhibit** which does not belong to you. No exhibits are to be removed from the halls until 5 pm or when the Show has been officially declared closed there will be no early passes.
