## **WELCOME TO OUR 13TH CHAMPIONSHIP SHOW**

After the superb effort last year when unavoidably we clashed with three shows, right up to the day before the closing date we found ourselves with less cats than we had ever had - by a long way. However, the support came in the end and we are especially grateful to those of you who added to the entries you had already made to boost the numbers! We hope that you have an enjoyable and successful day.

Thanks also to those who have given Specials, trophies, raffle prizes, tombola items and support through advertising and tables.

Congratulations to the Angoras on their promotion to Provisional status.

This year we are again offering a choice of rosettes or cash for the miscellaneous classes, with the exception of the Congratualtions and OCA Club classes, and you will need to present your award card to collect either miscellaneous or other club class rosettes or cash.

Please support the Photograph Competition. Even if you haven't been able to enter any photos, please cast your votes with your money - the more the merrier - all proceeds go to the OCA Cat Welfare Fund.

Have a safe journey home and we hope to see you all next year on

**19TH JUNE 1999**

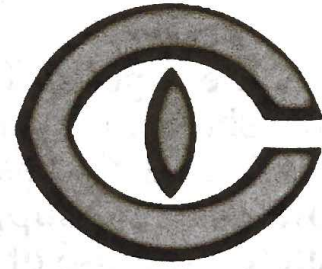

### **AWARDS**

Open, Congratulations and OCA Club Class Rosettes  
will be placed on the pens.

Please collect your other rosettes or prize money as above

**Exhibitors:-** If your cat has won a champion or premier title here today, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

**Applying for a Prefix:-** Breeding prefixes cost £50 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

**Registrations and Transfers:-** Forms for both are available from the office.

**Certificate of Entirety:-** All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety, send a large stamped addressed envelope to the office, together with the registered number and name of the cat. No fee is charged by the GCCF. We recommend you keep a photocopy for your own records and to show to owners of visiting queens.

GCCF SUPREME SHOW  
 NEC BIRMINGHAM ON SATURDAY 21ST NOVEMBER 1998

**THIS SHOW** is held under the rules of the Governing Council of the Cat Fancy and is open to all. Ignorance of any rule will not be accepted as an excuse for their breach. Copies of the GCCF Rules are available from the G.C.C.F. Office, 4 - 6 Penel Orliou, Bridgwater, Somerset TA6 3PG, price £1.50. **PLEASE MAKE SURE THAT YOU OWN, HAVE READ AND UNDERSTAND THE GCCF RULES.**

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip not from any catalogue or prize card. In an emergency, Judges may be changed during the course of the Show with the consent of the Show Manager. A Judge's decision is final. You may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is completed.

**THE COMMITTEE RESERVE THE RIGHT TO:**

- (a) Appoint other Judges should those advertised be unable to fulfil their engagements, and to appoint further Judges should they be required.
- (b) Fix and limit the number of exhibits at the Show, and to accept or refuse entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors and process such information by computer.
- (e) Retain a percentage of the fees to cover essential expenses in the event of the Show being cancelled for any reason.

**WARNING:** Breeders and owners are hereby warned by the GCCF and the Officials of the Oriental Cat Association Show against the danger of selling whole litters to one buyer, as unfortunate consequences may follow.

No one may remove any exhibit from its pen except the owner, owner's agent or Show Official. Any other person in any way interfering with or removing any exhibit from its pen during the show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall, and they must not be held in such a way as to annoy other exhibits.

Exhibitors are responsible for the correct description of their exhibits and their entry in the correct classes. **PLEASE CHECK YOUR ENTRY IN THIS CATALOGUE.** If you find an error tell the Show Manager as early as possible.

**ANY COMPLAINTS RELATING TO THIS SHOW MUST BE FORWARDED, IN WRITING, TO THE SHOW MANAGER WITHIN SEVEN DAYS OF THE SHOW**

**COUNTERSIGNATURES**

In the event of a change of Judge of an Open or Assessment Class occurring after the closing date of the show, providing you inform the Show Manager prior to judging commencing that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge to judge your cat and if the cat is considered worthy, countersign the certificate, which will then count towards Champion/Premier status. If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purposes of requesting a countersignature.

# **"TALIESIN"**

## **SIAMESE, ORIENTALS & BRITISH SHORTHAIRES**

Represented here today by

**SAYONARA MISS MONEYPENNY (37k)**  
and her crazy daughter  
**TALIESIN CORDELIA GRAY (41k)**

*We have such fun with these quite insane Orientals and the owners of their kittens  
are getting used to grey hair!*

*The BRITISH SHORTHAIRES at home with their more leisurely attitude to life are the ideal  
companions for the ORIENTALS, and we just have to boast about the  
great successes of our "DOLLY" line.*

Matriarch "HUNMAR DOLLY BLUE" (28)  
is the mother of:

Quad Gr Ch Taliesin Quintessabedmole (28) in Canada  
Gr Ch Taliesin Starry Night (15) in the USA  
Ch Taliesin Reo Speedwagon (30ds)  
Ch Taliesin Runaround Sue (30s)  
Ch Taliesin Sister Sarah (30d)  
Taliesin Sally Ann (21) ICC

"Dolly" is also the grandmother of Ch Atrebates Danny Boy (16), Atrebates Rabcee (16),  
Atrebates Summer Storm (16) ICC, Valpetina Lifeofriley (16), Valpetina Bridsonjewel (16),  
Skellum Moriarty (16) and Skellum Mostyn Magee (17).

All these lads are either proved or future stud cats.

Her granddaughters include Porteous Coconut Airways (20e) ICC & Best in Show,  
Porteous Alishas Attic (18d) and a very exciting Red Tabby recently born to Mary Mercedith's  
new "Singalto" line.

Our own Taliesin Sally Ann should by now have a multi-coloured litter from  
Ch Taliesin Reo Speedwagon.

# The Cat Welfare Trust

**Please support the new Trust appeal**

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats by carrying out genetic research. Relatively little work has been undertaken in this field and it is a subject that has come to the fore recently with the European Union's Convention on the Breeding of Pet Animals which pinpoints several areas of concern.

The Trustees are hoping to identify a project and have work on it underway in the second half of 1998. The funding required will be £10,000 each year.

The Feline Advisory Bureau is a charity dedicated to the health and welfare of cats. The Bureau was founded in 1958 when knowledge of the cat and its veterinary care was in its infancy. By gathering information and funding veterinary surgeons to specialise in the care of cats, FAB had a major influence on early improvements in veterinary treatment. Since then the Bureau has continued to be a leader in feline matters, both in veterinary diagnosis and treatment, and in the welfare of cats in boarding and quarantine catteries. It has created the scientific backbone for many of the advances in the treatment of cats that we enjoy today. The need to fight against disease, and to try to understand the physical and mental makeup of our felines continues... the more we learn the more we find there is to discover.

**FAB members receive....**

**Quarterly colour FAB Journal**

**Special rates for referral consultations with FAB scholars**

**Reduced rates for continuing education days and conferences**

**A chance to participate in FAB's regional network**

**FAB operates an Advice helpline....**

The FAB office is open 9 am to 5 pm Monday to Friday. Staff will endeavour to help you with feline problems or advise you where to find further help.
