SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset, price £1.50).

ADVICE TO EXHIBITORS AS FROM 1.6.92

- a) You are advised against purchasing any shampoos that change a cat's colour as this can lead to disqualification.
- b) Homeopathic vaccinations are not acceptable to the GCCF for the purpose of vetting-in.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of fourteen weeks (14) may not be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
- h) Queens who have kitted within 12 weeks of the date of the show may not be shown.

The Show closes at 5pm. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

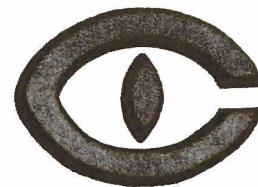

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the show containing information as to the exhibits and the names and addresses of the exhibitors.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- (g) The Show Manager on behalf of the committee reserves the right to pass on any charges incurred to exhibitors whose cheques are refused payment by the club's bankers.
- (h) All Exhibitor's property is left in the Show Hall at the owners risk.

The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as those for Grand Champion.

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

- (a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a Show, the GCCF will require you to produce a veterinary certificate of freedom from infection before being permitted to attend or exhibit at any future show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
- (b) Evasion or breach of any of the GCCF rules, or of the articles of its constitution may, and often will lead to disciplinary action and you are advised to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
- (c) Except where the context demands otherwise, the word 'Cat' in these rules includes kittens and neuters. A kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

RULE ON CONDITION (Effective 1.6.88) Section 4, Rule 4d

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

The Cat Welfare Trust

PLEASE SUPPORT THE NEW TRUST APPEAL

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats by carrying out genetic research. Relatively little work has been undertaken in this field and it is a subject that has come to the fore recently with the European Union's Convention on the Breeding of Pet Animals which pinpoints several areas of concern.

The Trustees are hoping to identify a project and have the work underway in the second half of 1998. The funding required will be £10,000 each year
