Fleas are active all year round. Fortunately, Indorex is too.

Indorex contains pyriproxyfen 0.02%, permethrin technical 0.93%

Effective flea control isn't just a question of treating your pet - it's also about preventing fleas from breeding in your home - otherwise any accidental infestation of your pet could become a serious problem. Spraying the house only once a year with a product that does not last 12 months can lead to failure of the flea control strategy - your pets may be continually reinfested by fleas that hatch in their environment. Indorex is the only household flea spray that helps control the flea life cycle for 12 months, with one single application. Indorex is available from veterinary surgeons.

None of this equipment may bear any distinguishing marks; blankets must be plain woven; cellular blankets are not allowed. Judges are instructed to pass any pen which is distinguished in any manner. A dish with water **MUST** be left in the pen, but food dishes must be removed from competitive pens when judging commences at 1000 and may not be returned until 1300.

Tallies must be hung around the exhibit's neck by means of white tape, ribbon or elastic and must not be removed until the show closes.

FROM THE CHAIRMAN

Welcome to the Wyvern Cat Club's 4th Championship Show. Once again, we filled up by closing date with a waiting list for cancellations. More entries arrived until well after closing date, and we were still receiving telephone enquiries and envelopes for schedules 10 days later!

Our show is in the position (fortunate or otherwise) of being on the last qualifying date for the GCCF Supreme Show in November. This does enhance our appeal, I have no doubt, but everyone knows this and also that our Championship shows have ALWAYS been over-subscribed. It is a pity that we have to turn so many away, but we do urge exhibitors to enter in good time, in the full knowledge of the situation.

Some would-be exhibitors, disappointed at having their entries returned, seemed to think that there was some sort of priority points scoring which would guarantee them a place, even after we were full. I can assure all exhibitors that, with the exception of members' entries being given priority until the end of June, no other scheme is in operation! Being a long-standing member, a previous "good customer" by entering multiple exhibits, or even purporting to be a close friend of the show manager cannot make room where there is none.

Joyce and Shirley take the entries, knowing the exact number which the hall will hold, and they decide when the "Magic Number" has been reached. Even a direct approach to me personally can not make space for a 2'x2' pen where none exists! All are treated equally, on a first-come, first-served basis, without fear or favour. We keep a small waiting list, just in case of cancellations before we go to print.

Once again, both Joyce Wilcox and Shirley Talboys have absorbed a large amount of work as Assistant Show Managers, for which I am particularly grateful both to them and to their other halves, Tom and David. Joyce took on the British Section this year in addition to her usual responsibilities, to even out the load a little. My thanks as ever to all the show committee for their continued help and support.

Next year's show will be here on Saturday, September 9th. We hope to see you all again then.

Good luck if you are exhibiting, but have a happy time regardless of your interest today.

Anna Bailey, Chairman and Show Manager

“WOULD YOU BE AN AUNT OR UNCLE TO A CATWORK CAT ?”

Catwork is a small, privately run, sanctuary / home for rescued cats who for various reasons are not suitable to be given new homes. They may have physical or psychological problems, or both, or they may just be too old and unwanted.

Catwork provides these cats with a good quality of life and the love and care they deserve.

The costs are such that we need individuals to act as an aunt or uncle to any one of our residents. You will receive regular information, photographs (and even letters from) your feline nephew or niece and the sanctuary as a whole. You are also welcome to visit us to see how they are all cared for.

Please help us to make a REAL DIFFERENCE to our residents.

Patrick was seen roaming throughout the winter. When he was brought to our attention we were told that he was an old, ill cat that needed to be “put out of his misery.” When we trapped him, he was found to be a mere youngster about one year old, very thin, with barely any fur on his back and a terrible flea problem.

He has been neutered and de-fleaed and is now protected, happy, getting plump and his fur is looking great (long-haired ginger). A long-term health problem means he will remain a resident here at Catwork, so he is looking for an aunt or uncle, any offers?

The Cat Welfare Trust

PLEASE SUPPORT THE NEW TRUST APPEAL

The Trustees are delighted to announce the closure of the Ringworm Appeal. The Trust is now holding sufficient funds to support the ringworm vaccine research for the full three year programme. Ann Robinson has been working on this research since October 1996 at Bristol School of Veterinary Medicine. This research is continuing very positively and it is hoped that some good results will be obtained by Autumn 1999.

The Trustees are now asking for support for a new project or series of projects to promote the health of cats.

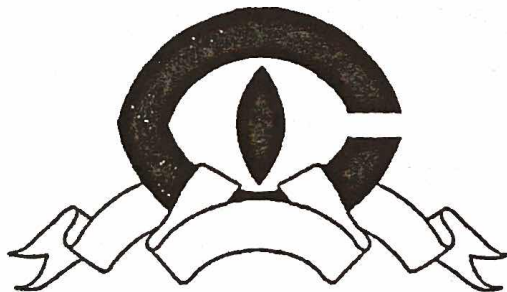

The Trustees are hoping to identify a project and have work on it underway in 1999. The funding required will be at least £10,000 each year.

Donations to the Trust Treasurer: Mr J Allen, 16 St Andrews Way, Langford, Beds, SG18 9QL.

NON-PEDIGREE SECTION

NON PEDIGREE JUDGES

Non-pedigree judges are not normally well-known to most exhibitors, so here is a little information about those officiating today:

- **Mrs Lynn Fryer** – lives in Swadlincote, has been breeding Burmese for four years, and has just bred her first British litter. Previously she bred Orientals and Siamese. Lynn has been stewarding regularly and this is her first time judging.
- **Mr Dave Kinchin** – lives in Studley and is a breeder of British Shorthairs with a special interest in Tabbies. He is currently the Club's delegate to the GCCF. This is Dave's first time judging.
- **Mrs Barbara Leigh** – lives in Bolton, and breeds Longhairs, particularly Cameos, with husband Des. She has been involved with cats for at least 25 years, and is the secretary of the Cameo, Pewter and Smoke Cat Society. Barbara has judged 2 or 3 times a year at other shows..

Please make them all welcome, especially as they have the hardest task in the show!
