SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the rules is NOT included with this schedule all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. (Copies of the Rules may be obtained from the GCCF Office, 4-6 Penel Orliou, Bridgwater, Somerset. TA6 3PG. Price £1.50).

JUDGES

Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card. A Judge's decision is final. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

The Show closes at 5.00pm and no exhibit may be removed from its pen before this time. Failure to observe this Rule will result in disqualification or forfeiture of any awards or prize money. This Rule will be strictly enforced.

No photography may be taken without the specific permission of the Show Manager and the exhibit's owner.

CORRESPONDENCE

All correspondence must be accompanied by a Stamped Addressed Envelope if a reply is required. Any complaint relating to the Show must be forwarded to the Show Manager in writing within seven days of the Show.

EXHIBITORS - If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to the owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF Office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

APPLYING FOR A PREFIX - Breeding prefixes cost £60 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

REGISTRATIONS AND TRANSFERS - Forms for both are available from the office.

CERTIFICATE OF ENTIRETY - All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety, send a large stamped addressed envelope to the office, together with the registration number and name of the cat. No fee is charged by the GCCF. We recommend you keep a photocopy for your own records and to show to owners of visiting queens.

The Cat Welfare Trust

PLEASE SUPPORT THE GENOME MAP PROJECT

The Trustees have now chosen the second project after an excellent response from the Veterinary Schools and organisations approached. It has been decided to support the project proposed by Dr Matthew Binns of the Animal Health Trust.

The Animal Health Trust has been working on the production of genome maps for horses and dogs. These maps are an essential tool for the study of genetics in any species and Dr Binns will now extend this study to produce a map for cats. This work has already started in the United States and it will be a great asset for cat breeders in this country to have the benefits of this research easily available to them. The project will produce information about inherited disease and enable such problems to be identified by a simple blood test. Programmes can then be developed for the elimination of the disease from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it will be the Cat Welfare Trust grant which will enable the work to commence.

Work started on the project at the beginning of year 2000 and will be funded for two years. The Trustees need your support to provide money to enable them to make this grant and to produce further funds to undertake future projects for the benefit of our cats. The excellent response received for this project has confirmed the Trustees' belief that there are many worthwhile projects needing their support in the future. It is now possible to obtain a tax rebate on millennium gifts under the Gift Aid rules. Details of this scheme are available from your local tax office.

The final results from the Ringworm Project are now available.
