Colourpointed British Shorthair Cat Club

Welcome to the Club's Third Exemption show, we hope that you and your cat(s) find the experience an enjoyable one.

In the interests of safety and the comfort of the exhibits, please observe the following:

1. Smoking is NOT permitted within the Show Hall.
2. Please do NOT handle the exhibits or put fingers into pens as this could transmit infection
3. Please walk, do not run in the Show Hall, and speak quietly.
4. Please be considerate to Judges and Stewards, give way to them if they need to pass you. Do not crowd them or push past them, you could cause distress to an exhibit, which may then bite or scratch the judge. Remember that without Judges, the exhibits could not be judged and we would not have a show!

Thank you for observing the above and on behalf of the committee may we wish you a successful and enjoyable day and a safe journey back home. See you again at next year's show.

GCCF SUPREME SHOW

NEC BIRMINGHAM ON SATURDAY 25th NOVEMBER 2000

This Show is held under the Rules of the Governing Council of the Cat Fancy, and is open to all. Exhibitors are requested to read Section 4 of the Rules (Exhibits and Exhibitors). A copy of the Rules may be obtained from the GCCF, 4-6 Penel Orlieu, Bridgwater, Somerset, price £1.50 including postage. Ignorance of any Rule will not be accepted as an excuse for its breach.
The Schedule for the show sets out all other rules appertaining to this show.

NOTE: All exhibitors property left in the hall is at owners risk.

PENNING
All exhibits must have water but food containers must be removed before judging starts at 10:00.
Judges are instructed to pass any pen that is distinguished in any way. No person may remove any exhibit from its pen except the owner, the owners representative (if the owner is not present at the show) or an official.
Containers with food and one small toy may be placed in the pen after the time announced for the admission of the public.
No exhibitor may remove any official notice from any cat's pen.

VETERINARY CLEARANCE CERTIFICATES
Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show manager shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at shows please note the following points:-

1. When sending your clearance certificate to the GCCF Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery post as this can cause considerable delays in receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard to acknowledge receipt, for signature, and this will be returned to you.
3. Exhibitors should NOT attend shows until they have received a letter accepting and confirming clearance from the GCCF Veterinary Officer. It is recommended that this letter be taken to shows within one month of issue.
   If your cat is rejected by the Show's Veterinary Officer please make sure you have received the forms you require from the Show Manager before you leave the show hall.

The GCCF Veterinary Officer may be contacted through the GCCF Offices.

JUDGES
Judges are empowered to withhold any prizes if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that judge's engagement is complete.

The Committee reserves to themselves the right to:

a. Appoint other judges, should those advertised be unable to attend to fulfil their engagement and to appoint other judges if required.
b. Fix and limit the number of exhibits at the show and to accept or refuse entry to the show without giving reason.

The committee wish to thank the following firms for their kind support for the show:

NUTRIENCE®

ROYAL CANIN
FELINOTECHNIQUE INTERNATIONAL

felix®™

c. Cancel, amalgamate or divide classes. Announcement of any alteration in the schedule will be made in 'Cats' and will be sufficient notice.
d. Publish a catalogue of the show containing information of the exhibits and the names and addresses of exhibitors.
e. Disqualify any exhibit entered in the wrong class by the exhibitor.
f. Refuse admission to the show hall without giving reason.
g. Retain a percentage of the show fees to cover essential expenses in the event of the show being cancelled for any reason.

WARNING

Breeders and owners are hereby warned by the GCCF of the unfortunate consequences, which may follow the sale of the whole litter to one buyer. The Colourpointed British Shorthair Cat Club cannot be responsible for cats and kittens bought at the show neither will they be held responsible for details of such which may appear in the catalogue.

The Cat Welfare Trust

PLEASE SUPPORT THE GENOME MAP PROJECT

The Trustees have now chosen the second project after an excellent response from the Veterinary Schools and organisations approached. It has been decided to support the project proposed by Dr Matthew Binns of the Animal Health Trust.

The Animal Health Trust has been working on the production of genome maps for horses and dogs. These maps are an essential tool for the study of genetics in any species and Dr Binns will now extend this study to produce a map for cats. This work has already started in the United States and it will be a great asset for cat breeders in this country to have the benefits of this research easily available to them. The project will produce information about inherited disease and enable such problems to be identified by a simple blood test. Programmes can then be developed for the elimination of the disease from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it will be the Cat Welfare Trust grant which will enable the work to commence.

Work will start on the project at the beginning of year 2000 and will be funded for two years. The Trustees need your support to provide money to enable them to make this grant and to produce further funds to undertake future projects for the benefit of our cats. The excellent response received for this project has confirmed the Trustees' belief that there are many worthwhile projects needing their support in the future. It is now possible to obtain a tax rebate on millennium gifts under the Gift Aid rules for one off donations of as little as £100. This special tax benefit will run until the end of next year. Details of this scheme are available from your local tax office.

The final results from the Ringworm Project are being prepared and will be published early in the new year.
