INTRODUCTION

A very warm welcome to all who have come to our 65th Show.

It doesn't seem possible that John and I have been associated with this Show in some capacity since it's Ruby Anniversary (40th) and Managing it since 1983. This remains a very special Show, quite unique in fact as for many years it pioneered for recognition of the lovely Neuters. Although this is no longer necessary, we still feel this Show holds a very special place in the Show calendar for those exhibitors who enjoy showing their neutered cats.

We thank you for supporting us and hope you will have an enjoyable day viewing the beautiful exhibits and chatting with fellow cat lovers. There is also a fine selection of stalls for you to visit.

For the protection and comfort of the exhibits we ask you and your family to observe the following:-

**PLEASE DO NOT HANDLE THE EXHIBITS OR PUT
FINGERS INTO THE PENS**

**PLEASE WALK – DO NOT RUN IN THE
HALL – SPEAK QUIETLY**

**(We ask this to ensure infection will not be passed from cat to cat and to
minimise the risk of exhibits becoming frightened)**

**PLEASE BE CONSIDERATE TO JUDGES – DO NOT
CROWD THEIR TABLES**

NO SMOKING IN THE SHOW HALL PLEASE

**IF YOU HAVE ENJOYED THIS SHOW WHY NOT VISIT THE
OCICAT AND BENGAL CAT CLUB SHOW BEING HELD IN THE
3m's HALL TODAY**

(special admission rates apply if you visit both Shows)

PREMIERS

The title of Premier for neuters shall be granted to exhibits winning three Premier Certificates at three Shows under separate Judges. A GCCF Premier Certificate will be offered for each neuter Open Class of the recognised breeds with Championship status.

PREMIER OF PREMIERS

The title of Grand Premier will be granted to a cat winning three Grand Premier Certificates at three Shows under three different Judges. To compete in the Premier of Premiers Class a cat must be a full Premier on the date that entry for the show closes. A Premier cat may be shown both in its ordinary Open Class and in the Premier of Premier Class. Only one prize with a Reserve in case of disqualification will be awarded.

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

1. If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a Show, the GCCF will require you to produce a veterinary certificate of freedom from infection before being permitted to attend or exhibit at any future Show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
2. Evasion or breach of any of the GCCF rules, or of the articles of its constitution may, and often will, lead to disciplinary action and you are advised to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
3. Except where the context demands otherwise, the word 'Cat' in these rules includes kittens and neuters. A kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

CONTERSIGNING OF CERTIFICATES

In the event of a change of Judge of an Open Class occurring after the closing date of the Show, and provided the exhibitor informs the Show Manager prior to Judging that a Certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge who shall judge the cat and, if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

As exhibitors are responsible for the correct description of exhibits and entry into the correct classes, obvious errors in the Catalogue should be drawn to the Show Managers attention during the day and may be corrected up to the close of the Show.

RULE ON CONDITION (effective 01.06.88) Section 4, Rule 4d

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

NEW RULE OF BITING AT SHOWS (effective 01.06.88)

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

The Cat Welfare Trust

PLEASE SUPPORT THE GENOME MAP PROJECT

The Trustees have now chosen the second project after an excellent response from the Veterinary Schools and organisations approached. It has been decided to support the project proposed by Dr Matthew Binns of the Animal Health Trust.

The Animal Health Trust has been working on the production of genome maps for horses and dogs. These maps are an essential tool for the study of genetics in any species and Dr Binns will now extend this study to produce a map for cats. This work has already started in the United States and it will be a great asset for cat breeders in this country to have the benefits of this research easily available to them. The project will produce information about inherited disease and enable such problems to be identified by a simple blood test. Programmes can then be developed for the elimination of the disease from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it will be the Cat Welfare Trust grant which will enable the work to commence.

Work started on the project at the beginning of year 2000 and will be funded for two years. The Trustees need your support to provide money to enable them to make this grant and to produce further funds to undertake future projects for the benefit of our cats. The excellent response received for this project has confirmed the Trustees' belief that there are many worthwhile projects needing their support in the future. It is now possible to obtain a tax rebate on millennium gifts under the Gift Aid rules. Details of this scheme are available from your local tax office.

The final results from the Ringworm Project are now available.
