WELCOME TO THE SHOW

THE SHOW MANAGEMENT AND COMMITTEE OF THE MAINE COON CAT CLUB WELCOME YOU TO OUR FIRST CHAMPIONSHIP SHOW

We hope that you will enjoy looking at our big, beautiful Maine Coon cats and their Non-Pedigree cousins, and perhaps if you own either of these types of cat you will feel inspired to enter yourself next year!

I would like to extend the thanks of the Committee and myself for all those who have supported the show today - in whatever capacity - whether that be by entering your cats, advertising, judging, stewarding, working on the admin tables, manning the door or club table or running the raffle! - as this event would not be possible without you all.

Every care has been taken to make sure the show runs smoothly. If you encounter any problems, please contact me or Shelagh Heavens, my Assistant Show Manager, and we will try to sort it out.

Exhibitors are advised that errors in the details of their show entry appearing in the catalogue may now be corrected up to the end of the show so **CHECK THE CATALOGUE CAREFULLY** for any such errors and inform the Show Manager **IMMEDIATELY**.

This is our **FIRST CHAMPIONSHIP SHOW**, it has taken us 3 Exemption and 3 Sanction Shows over the past six years to reach this stage. It would not have been possible without your continued support and the help and support of many others not here today. The Show is a window onto the world of the Maine Coon Cat, here you can see a large variety of colours and types, meet Breeders, make new friends. Today we have the largest number of Maine Coons entered, 119, I think this is the largest exhibition of the breed in this country so far!

It is with sadness that I have decided to retire as the Show Manager of the Maine Coon Cat Club's Show and I would like to take this opportunity to wish my successor all the best.

Phillipa Holmes - Show Manager

THE SUPREME SHOW IS OPEN TO ALL QUALIFIED CATS AND KITTENS

Full details will be given in the Schedule, but basically the Supreme is open to all titled cats, all cats that have won one or more certificates, and kittens that have won an open kitten class at a championship show. Cats born on or after 1st Sept 1999 and are adult by the day of the show, may qualify by winning a kitten open class at a championship show. Non-pedigree exhibits must have won an open class at a GCCF championship show or a Whiskas heat as appropriate.

Schedules will be available at GCCF stalls, or by post from the GCCF Office
4-6, Penel Orleu, Bridgwater, Somerset, TA6 3PG from mid July.

To avoid disappointment, please send in your entry as early as possible,
as the entries will be closed, when the hall is full.

THE TWENTY FOURTH SUPREME SHOW WILL BE HELD ON
25th NOVEMBER 2000 AT THE NEC, BIRMINGHAM

The Cat Welfare Trust

PLEASE SUPPORT THE GENOME MAP PROJECT

The Trustees have now chosen the second project after an excellent response from the Veterinary Schools and organisations approached. It has been decided to support the project proposed by Dr Matthew Binns of the Animal Health Trust.

The Animal Health Trust has been working on the production of genome maps for horses and dogs. These maps are an essential tool for the study of genetics in any species and Dr Binns will now extend this study to produce a map for cats. This work has already started in the United States and it will be a great asset for cat breeders in this country to have the benefits of this research easily available to them. The project will produce information about inherited disease and enable such problems to be identified by a simple blood test. Programmes can then be developed for the elimination of the disease from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it will be the Cat Welfare Trust grant which will enable the work to commence.

Work will start on the project at the beginning of year 2000 and will be funded for two years. The Trustees need your support to provide money to enable them to make this grant and to produce further funds to undertake future projects for the benefit of our cats. The excellent response received for this project has confirmed the Trustees' belief that there are many worthwhile projects needing their support in the future. It is now possible to obtain a tax rebate on millennium gifts under the Gift Aid rules for one off donations of as little as £100. This special tax benefit will run until the end of next year. Details of this scheme are available from your local tax office.

The final results from the Ringworm Project are being prepared and will be published early in the new year.
