**Exhibitors:-** If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

**Applying for a Prefix:-** Breeding prefixes cost £60 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

**Registrations and Transfers:-** Forms for both are available from the office.

To obtain an official Certificate of Entirety send a stamped addressed envelope to the office, together with the **registration number and name of the cat**. No fee is charged by the GCCF. We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

**Mating Certificates:- Section1 Rule 3d** (effective 1/6/02) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. (Rule added 24/10/2001).

NEC Birmingham on Saturday 20th November 2004

# MEMORANDA

**Warning.** Breeders and owners are hereby warned by the GCCF and the Officials of the Coventry & Leicester Cat Club against the danger of selling whole litters to one buyer as unfortunate circumstances may follow.

**Exhibitors** are responsible for the correct description of their cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

**The Committee** will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

**Special Prize.** It will be noticed that all Club Specials are confined to fully paid up Members, unless otherwise stated.

Exhibitors are responsible for ensuring that no sharp-ended wires are left protruding into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the Enquiries Section.

## **Penning by DANCO**

The attention of exhibitors is drawn to the fact that hospital pens are provided by the committee for the housing of exhibits found to be unwell during the show.

Exhibits rejected by the Coventry & Leicester Cat Club Duty Veterinary Surgeon at vetting-in, MAY at the Show Managers discretion and with the consent of the Veterinary Surgeon be housed in hospital pen(s) during the day.

All cats and kittens are examined by the Veterinary Surgeon before admission to the show. The Coventry & Leicester Cat Club cannot hold themselves responsible for cats and kittens bought at the show.

It is pointed out that whilst Coventry & Leicester Cat Club and Show Committee have great sympathy with exhibitors whose exhibits are so unfortunate as to be rejected or taken ill during the show, they can accept NO responsibility for any disease or illness contracted or claiming to be contracted during the stay of the exhibits in these pens.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on the pens. Only rosettes awarded by Coventry & Leicester Cat Club may be displayed. Exhibition pens are excluded from this ruling.

Exhibitors wishing to advertise for sale a cat or kitten must apply at the Enquiries table for an official 'For Sale' card. A small charge will be made for this service which will be donated to the Welfare Fund and / or Cat Charities.

**THE SUPREME SHOW IS OPEN TO ALL QUALIFIED CATS AND KITTENS**

Full details will be given in the Schedule, but basically the Supreme is open to all titled cats, all cats that have won one or more certificates and kittens that have won an open kitten class at a championship show. Cats born on or after 1st September and are adult by the day of the following year's show, may qualify by winning a kitten open class at a GCCF championship show. Non-Pedigree exhibits must have won an Open Class at a GCCF Championship Show

Schedules will be available at GCCF stalls, or by post from the GCCF Office  
4-6 Penel Orliou, Bridgwater, Somerset. TA6 3PG from the end of July

**To avoid disappointment, please send in your entry as early as possible,  
as the entries will be closed, when the hall is full.**

Coloured hot water bottles must be placed in white covers. No other heating appliance may be used. Food and milk must be removed from the pens and a water container must be placed in the pen towards the rear before judging. These may be replaced after 12.30.

Powdering of the exhibits in the Show Hall is prohibited (GCCF Rule 13).

Drapes are not allowed in pens for competition.

Free litter trays are not provided. White litter trays of adequate size must be provided by the exhibitor. The use of polystyrene filled cushions is forbidden, since such cushions do not comply with current GCCF Rules.

Judges are empowered to withhold any prize or Championship in any class if exhibits do not in their opinion possess sufficient merit.

**Should any Judge** be prevented from fulfilling their engagement the Committee reserve themselves the right to appoint other judges in their stead. The right to cancel or amalgamate classes is also reserved.

The GCCF rule that no cat or kitten may be entered or exhibited within 13 days

Veterinary Surgeons appointed by Coventry & Leicester Cat Club are instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchid or cryptorchid. No nursing queen may be entered as an exhibit within 12 weeks of the date of kitting.

Any complaint regarding this show must be made in writing to the Show Manager within 7 days of the Show.

# The Cat Welfare Trust

## PLEASE SUPPORT OUR RESEARCH PROJECTS

The second project was undertaken by Dr Matthews Binns of the Animal Health Trust which has been involved in the production of genome maps and is working on similar projects for horses and dogs. These maps are an essential tool for the study of genetics in any species and now much of this work on the feline map has been completed in the United States. Dr Binns' work of identifying specific markers will enable researchers to produce information about inherited feline diseases and enable such problems to be identified by a simple blood test. Programmes can now be developed for the elimination of the condition from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it is the Cat Welfare Trust grant which has enabled the work to commence.

The Trustees have supported the Genetics Project for two years and this has enabled Dr Binns to produce a 'blueprint' which can now be used to facilitate work on genetic conditions. Dr Binns has set up a Genetics Working Group with feline veterinary interests from around the country represented on it. This Group will be able to provide additional support for the work and co-ordinate the collection of information on specific diseases.

The search has now begun for a **THIRD** project. All the veterinary colleges and other relevant organisations have been contacted and asked to supply the Trust with an outline of any project they would like to have considered for funding. The Trustees need your support to provide money to enable them to make grants and undertake the support of future projects for the benefit of our cats. The excellent response we have already received from the Veterinary Schools, with suggestions for a third project, has confirmed the Trustees' belief that there are many worthwhile schemes needing their support now and in the future.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
