Welcome to our 69th Premier Show

We have lots of very beautiful cats and kittens for you to see, also an interesting collection of Stalls.

We are hoping that our president, Eric Wickham Ruffle will be joining us in the afternoon. Eric has not been too well recently, but he fully intends to join us health permitting.

To all our friends who give up their time to help the show run smoothly, a very big THANK YOU we couldn't do it without you!

We hope you have a happy successful day, but please remember, even if your cat didn't win today, the cat you came with is still the best.

Please remember all those working at the Show today do it on voluntary basis, so please as you leave, remember a smile and a thank you makes such a difference.

Thank you for coming and we hope to see you again next year.

Helen and John Hewitt

GCCF SUPREME SHOW
NEC BIRMINGHAM ON SATURDAY 20th NOVEMBER 2004

BITING AT SHOWS

Any cat biting or inflicting injury by deliberately scratching a judge, veterinary surgeon, steward or other show officials must be reported to the show manager. The show manager will withdraw that cat from the show and shall inform the owner of the cat in writing, sending a copy to the GCCF. If the cat was defending itself in exceptional or frightening circumstances, that information should be given to the GCCF for consideration by the executive committee. If that cat is reported at any subsequent show, it shall be disqualified from all future shows unless the executive committee rule otherwise.

Other than official notices or award cards, no written or printed matter may be placed on competitive pens.

Exhibits actually received into the show hall may not be removed without the sanction of the show manager. They are only received on condition that the club shall not be responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

The show closes at 5.00pm. No exhibit may be removed from its pen before this time UNLESS the Show Manager has announced that the show is closed. The exceptions are persons holding early passes for disabled only. Anyone removing a cat before this will forfeit all awards. YOU WILL BE ASKED TO SHOW YOUR VETTING SLIP AT THE EXIT DOORS.

No one may interfere with or remove any exhibit from its pen except the owner, the owner's representative or a club official. The penalty for contravention of this rule will be £10.00.

JUDGES

Judges are empowered to withhold any prize or certificate in any class if the exhibits do not in their opinion possess sufficient merit. Prizes are awarded from the judge's award slips and not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a judge or enter into conversation with a judge until judging is completed for the day.

GCCF RULES ON COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an open class occurring AFTER THE CLOSING DATE OF THE SHOW, provided that the exhibitor informs the show manager PRIOR TO JUDGING that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge WHO SHALL JUDGE THE CAT AND IF THE CAT IS CONSIDERED WORTHY, COUNTERSIGN THE CERTIFICATE which shall then count towards championship status. IT IS YOUR RESPONSIBILITY TO ENSURE THE SHOW MANAGERS ARE AWARE OF ANY COUNTERSIGNATURES WHICH MAY BE REQUIRED, BEFORE THE START OF JUDGING

CLUB RULES FOR THIS SHOW

No exhibitor shall remove an official notice from a cat's pen. All exhibitors' property is left in the show hall at the owners risk. If you leave the hall complex to visit the town centre you must appoint a representative who will be responsible for the welfare of your cats in your absence. THE WELFARE OF THE CAT IS OF PARAMOUNT IMPORTANCE.

The Kensington Kitten and Neuter Cat Club Deprecates the selling of kittens from shows. For Sale notices will not be allowed on the pens.

All correspondence must be accompanied by an SAE if a reply is required. Any complaint relating to the show must be forwarded in writing to the show manager within seven days of the show.

The committee reserve the right to Appoint other judges should those advertised be unable to fulfil their engagement and appoint further judges should they be required.

Fix and limit the number of exhibits at the show and to refuse entry without giving a reason.

Cancel, amalgamate or divide classes.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The second project was undertaken by Dr Matthew Binns of the Animal Health Trust which has been involved in the production of genome maps and is working on similar projects for horses and dogs. These maps are an essential tool for the study of genetics in any species and now much of this work on the feline map has been completed in the United States. Dr Binns' work of identifying specific markers will enable researchers to produce information about inherited feline diseases and enable such problems to be identified by a simple blood test. Programmes can now be developed for the elimination of the condition from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it is the Cat Welfare Trust grant which has enabled the work to commence.

The Trustees have supported the Genetics Project for two years and this has enabled Dr Binns to produce a 'blueprint' which can now be used to facilitate work on genetic conditions. Dr Binns has set up a Genetics Working Group with feline veterinary interests from around the country represented on it. This Group will be able to provide additional support for the work and co-ordinate the collection of information on specific diseases.

The search for a THIRD project is progressing well. All the veterinary colleges and other relevant organisations were contacted and asked to supply the Trust with an outline of any project they would like to have considered for funding. The applications have all been considered and one project has been shortlisted but the new project needs more funding than the Trust can raise. The Trustees and the Applicant hope that the balance of the funding will be available early in 2004 to enable the first two years' work to start.

The Trustees need your support to provide money to enable them to continue to make grants and undertake the support of future projects for the benefit of our cats. The excellent response we have already received from the Veterinary Schools, with suggestions for a third project, has confirmed the Trustees' belief that there are many worthwhile schemes needing their support now and in the future.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

*Not only do feline friends
communicate their own needs
famously; they also have an uncanny
ability to sense our moods without
words.*

*Somehow, a favourite cat will
know where it is needed and
settle comfortably on the lap of
an unhappy human. There it will
stay until the constant sound of purrs
pushes away even the most
troublesome thoughts from the
human mind.*
