The show is held under the rules of and licence from the GCCF. Veterinary surgeons will be in attendance to examine exhibits and to advise the show management. Visitors & exhibits are received on the condition that neither the Suffolk & Norfolk Cat Club nor the management of the show hall shall be responsible for any loss, damage or injury however caused, to exhibits, exhibitors, helpers, visitors or their property, in any way whatsoever. Exhibitors & visitors are strictly forbidden to interfere with, or remove from its pen, any exhibit other than their own, without the consent of the show manager.

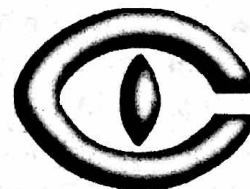

All prizes are given on the understanding that in the event of a disqualification all prizes & other awards must be returned to the show manager on demand. Failure to comply with such a demand renders the exhibitor liable to disciplinary action.

Exhibitors:- If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

Applying for a Prefix:- Breeding prefixes cost £60 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety send a stamped addressed envelope to the office, together with the **registration number and name of the cat. No fee is charged by the GCCF.** We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

Mating Certificates:- Section 1 Rule 3d (effective 1/6/02) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. (Rule added 24/10/2001).

GCCF SUPREME SHOW
NEC Birmingham on Saturday 20th November 2004

SHOW RULES AND REGULATIONS

The Show is held under the Rules of and licence from the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Catalogue, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orliou, Bridgwater, Somerset TA6 3PG. Price £2.00).

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven (7) days of the Show.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The second project was undertaken by Dr Matthews Binns of the Animal Health Trust which has been involved in the production of genome maps and is working on similar projects for horses and dogs. These maps are an essential tool for the study of genetics in any species and now much of this work on the feline map has been completed in the United States. Dr Binns' work of identifying specific markers will enable researchers to produce information about inherited feline diseases and enable such problems to be identified by a simple blood test. Programmes can now be developed for the elimination of the condition from the breed in the most positive and caring way. The work on the genome map and the following research will take time and funding from other sources but it is the Cat Welfare Trust grant which has enabled the work to commence.

The Trustees have supported the Genetics Project for two years and this has enabled Dr Binns to produce a 'blueprint' which can now be used to facilitate work on genetic conditions. Dr Binns has set up a Genetics Working Group with feline veterinary interests from around the country represented on it. This Group will be able to provide additional support for the work and co-ordinate the collection of information on specific diseases.

The search has now begun for a **THIRD** project. All the veterinary colleges and other relevant organisations have been contacted and asked to supply the Trust with an outline of any project they would like to have considered for funding. The Trustees need your support to provide money to enable them to make grants and undertake the support of future projects for the benefit of our cats. The excellent response we have already received from the Veterinary Schools, with suggestions for a third project, has confirmed the Trustees' belief that there are many worthwhile schemes needing their support now and in the future.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

All awards are given out with the understanding that in the event of a disqualification the awards must be returned on demand to the Show Manager by the recipient. Failure to comply with such a demand renders the exhibitor liable to disciplinary action by the GCCF.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 3 working days of the closure of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

VRECHVA BENGALS.

We hope to have two litters of kittens in May, One Snow-Spotted and one Brown Spotted ,the Snows will be out of Vrechva Satinsnow x Champion Goldspurr Hawkeye. Satinsnow is sister to Vrechva Snowjaguar who has many ICs and Bobs. He was 1st in his class and BOB at the Supreme so we are excited about the Mating. The Brown litter is out of Typhast Hermionehotpants. Our kittens are reared in their own bedroom and handled from day 1, they are loved and cuddled every day. Also fully vaccinated, insured, wormed and Micro-chipped before they leave us. We try to rear friendly, fully adjusted, well socialised Babies to go to loving homes and be part of the family for life.

Enquires to Carol & Peter Smart.
