Exhibitors:- If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

Applying for a Prefix:- Breeding prefixes cost £60 and applicants must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office. Registration forms are now available on line.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety send a stamped addressed envelope to the office, together with the **registration number and name of the cat. No fee is charged by the GCCF.** We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

Mating Certificates:- Section 1 Rule 3d (effective 1/6/02) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. (Rule added 24/10/2001). The owner of the stud cat must provide a Certificate of Mating to the owner of the queen upon collection of the queen. (amended/effective 29.10.03)

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

SOME NOTES FOR VISITORS AND EXHIBITORS

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judges award slip and not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a judge, or enter into conversation with a judge, until that judge's engagement is complete.

Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.

The cats and kittens are all very beautiful and it is very tempting to play with them through the pen but **under no circumstances should you touch an exhibit** which does not belong to you. No exhibits are to be removed from the hall until 5:00pm or when the show has been officially closed. There will be no early passes.

For the protection and comfort of the cats we ask you and your family to observe the following:

- 1. PLEASE DO NOT HANDLE THE CATS OR PUT FINGERS INTO PENS**
- 2. PLEASE WALK - DO NOT RUN IN THE HALL - SPEAK QUIETLY**
- 3. PLEASE BE CONSIDERATE TO THE JUDGES AND DO NOT CROWD THEIR TABLES**
- 4. FOR THE COMFORT AND SAFETY OF THE CATS PLEASE DO NOT SMOKE IN THE AISLES OR NEAR THE PENS**
- 5. TO COMPLY WITH THE SAFETY REGULATIONS NO CHAIRS ARE ALLOWED IN THE AISLES**
