SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the rules is NOT included with this catalogue all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the rules. (Copies of the Rules may be obtained from the GCCF Office, 4-6 Penel Orliou, Bridgwater, Somerset, TA6 3PG. Price £2.00).

ADVICE TO EXHIBITORS

1. The Show closes at 5.00pm and no exhibit may be removed from its pen before this time, except with the consent of the Show Manager. Any person doing so will be disqualified and entries for future Shows will not be accepted. This Rule will be strictly enforced.
2. Please note that in addition to the classes you have entered your cat may be handled for the purpose of assessing candidates in the GCCF Judge Appointment Scheme.
3. All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint relating to the Show must be forwarded to the Show Manager in writing within seven days of the Show.
4. We request that mobile phones be used in areas away from the cats and judges, preferably outside of the Show Hall.

JUDGES

Judges are empowered to withhold any prize in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip, not from any catalogue or prize card. A Judge's decision is final. Exhibitors may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete. Exhibitors may withdraw their exhibits from competition in any Open Class affected by changes in Judges and entry fees for such classes must then be refunded on demand. Penning fees are not repayable.

The Committee reserve to themselves the right to:

- a. Appoint other judges should those advertised be unable to fulfil their engagement and to appoint further Judges should they be required.
- b. Cancel, amalgamate or divide classes.
- c. Refuse admission to the hall without giving a reason.
- d. Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- e. The Celtic LH & Semi LH Cat Society shall not be held responsible in any way for any loss, accident or damage, however caused, to any person, cats, baskets etc., or in any other way.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team.

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

BREEDERS	Exhibits bred by exhibitor/s. cats originally registered in the Breeder's joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeder's Class.
DEBUTANTE	Exhibits that have never been shown at a show held under GCCF Rules. The status of the exhibit for entering restricted classes (i.e. Maiden, Limit etc.) shall be the cat's status on the day of entry, except where Section 2 Rule 15e applies. Wins as a kitten do not count when the exhibit is shown as an Adult or Neuter; wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.
