Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

No fee is charged by the GCCF.** We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

**Mating Certificates:- Section 1 Rule 3d** (effective 1/6/02) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. ## MEMORANDA

**Warning.** Breeders and owners are hereby warned by the GCCF and the Officials of the Coventry & Leicester Cat Club against the danger of selling whole litters to one buyer as unfortunate circumstances may follow.

**Exhibitors** are responsible for the correct description of their cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

**The Committee** will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

**Special Prize.** It will be noticed that all Club Specials are confined to fully paid up Members, unless otherwise stated.

Exhibitors are responsible for ensuring that no sharp-ended wires are left protruding into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the Enquiries Section.

### **Penning by DANCO**

The attention of exhibitors is drawn to the fact that hospital pens are provided by the committee for the housing of exhibits found to be unwell during the show.

Exhibits rejected by the Coventry & Leicester Cat Club Duty Veterinary Surgeon at vetting-in, MAY at the Show Managers discretion and with the consent of the Veterinary Surgeon be housed in hospital pen(s) during the day.

All cats and kittens are examined by the Veterinary Surgeon before admission to the show. The Coventry & Leicester Cat Club cannot hold themselves responsible for cats and kittens bought at the show.

It is pointed out that whilst Coventry & Leicester Cat Club and Show Committee have great sympathy with exhibitors whose exhibits are so unfortunate as to be rejected or taken ill during the show, they can accept NO responsibility for any disease or illness contracted or claiming to be contracted during the stay of the exhibits in these pens.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on the pens. Only rosettes awarded by Coventry & Leicester Cat Club may be displayed. Exhibition pens are excluded from this ruling.

## **THE SUPREME SHOW IS OPEN TO ALL QUALIFIED CATS AND KITTENS**

Full details will be given in the Schedule, but basically the Supreme is open to all titled cats, all cats that have won one or more certificates and kittens that have won an open kitten class at a championship show. Cats born on or after 1st September and are adult by the day of the following year's show, may qualify by winning a kitten open class at a GCCF championship show. Non-Pedigree exhibits must have won an Open Class at a GCCF Championship Show

Schedules will be available at GCCF stalls, or by post from the GCCF Office  
4-6 Penel Orliou, Bridgwater, Somerset. TA6 3PG from the end of July

**To avoid disappointment, please send in your entry as early as possible,  
as the entries will be closed, when the hall is full.**

**THE TWENTY EIGHTH SUPREME SHOW WILL BE HELD ON  
19th NOVEMBER 2005 AT THE NEC, BIRMINGHAM**

### **DUTY VETS**

**Mrs S Moreland and Mrs A Spekeman**

Coloured hot water bottles must be placed in white covers. No other heating appliance may be used. Food and milk must be removed from the pens and a water container must be placed in the pen towards the rear before judging. These may be replaced after 12.30.

Powdering of the exhibits in the Show Hall is prohibited (GCCF Rule 13).

Drapes are not allowed in pens for competition.

Free litter trays are not provided. White litter trays of adequate size must be provided by the exhibitor. The use of polystyrene filled cushions is forbidden, since such cushions do not comply with current GCCF Rules.

Judges are empowered to withhold any prize or Championship in any class if exhibits do not in their opinion possess sufficient merit.

**Should any Judge** be prevented from fulfilling their engagement the Committee reserve themselves the right to appoint other judges in their stead. The right to cancel or amalgamate classes is also reserved.

The GCCF rule that no cat or kitten may be entered or exhibited within 13 days

Veterinary Surgeons appointed by Coventry & Leicester Cat Club are instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchid or cryptorchid. No nursing queen may be entered as an exhibit within 12 weeks of the date of kitting.

# The Cat Welfare Trust

## PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
