Exhibitors:- If your cat has won a Champion or Premier title at a GCCF Championship Show, please make your claim to the GCCF office (address above). Please include the cat's name, breed number, sex, breeder's name, owner's name and address, together with the names and dates of the three shows, and awarding judges' names. All claims are acknowledged, and periodically a list of Champions etc. is published in CATS, shortly after which medals are sent to owners from the GCCF office.

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF office enclosing written confirmation of having gained the title under GCCF of Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

Applying for a Prefix:- Breeding prefixes cost £60, prefixes for overseas resident/s cost £70 and applicant/s must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the office.

Registrations and Transfers:- Forms for both are available from the office. Registration forms are now available on line.

Certificate of Entirety:- All male cats used at stud must have a Certificate of Entirety deposited with the GCCF, prior to registration of kittens. To obtain an official Certificate of Entirety send a stamped addressed envelope to the office, together with the **registration number and name of the cat. No fee is charged by the GCCF.** We recommended you keep a photocopy for your own records and to show to owners of visiting queens.

Mating Certificates:- Section 1 Rule 3d (effective 1/6/02) When a litter is registered, the application to register must be accompanied by a copy of the certificate of mating unless the person registering the kitten(s) is also the registered owner of the sire. Schedules available end of July - sae to GCCF Office with postage for 100g
Closing date 14th September 2005, receipt in Office - no late entries will be accepted

SHOW RULES AND REGULATIONS

The Show is held under Licence and Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orlieu, Bridgwater, Somerset TA6 3PG).

REGISTRATIONS

No Cat or Kitten, Entire or Neutered, with one or both parents, grandparent/s or great-grandparent/s unregistered shall be eligible for entry into the Open Classes. All Cats, Kittens and Neuters are eligible for the Show if registered with the GCCF, except those on the reference register. All registered exhibits which have changed hands, must have been transferred to their new owner at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.

If the registration number has not been received when completing the entry form, write N.A.F. (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY

The registered owner must complete the entry form as stated on the registration/transfer certificate. **Registered owners are responsible for the correct description of the exhibits and for entering them into the correct classes.** Please do not omit to Read and Sign the declaration - if joint owners, both must sign the form. Registered owners under 18 must have the declaration signed by parent(s) or guardian(s).

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

NEUTERED KITTENS: Exhibitors must notify the Show Manager if a kitten entered into the show as an entire is neutered before the show even though re-registration or change of class may not be necessary.

VETERINARY

Exhibits will be received at the entrance of the Show Hall from 7.30a.m. until 9.30a.m. on show day. Suitable, secure (top-opening where possible) carriers should be used. If the cat cannot be removed from the carrier, it will not be vetted in / judged (such as for Best in Show). Each exhibit will be examined by the Club's Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

Vetting-in slips will be given out on the day of the Show.

All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu) the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the original certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED.

THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN.

It is **NOT** acceptable for breeders to vaccinate their show cats. Please see note 9 on the entry form. Exhibits must have clean ears and coats free from any pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and the owner shall be debarred from attending the Show. The Veterinary Surgeon's decision is final.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. A hot water bottle OR HEAT REFLECTING MATERIAL or cool pack may be used, provided they are covered by the blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, **but food containers must be removed when judging commences at 10am and may not be returned until 1pm.** Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

ADVICE TO EXHIBITORS

- a) You are advised that using any shampoos or stress remedies including scullcap or valerian which change a cat's normal appearance or physical reaction is forbidden at GCCF shows and will lead to disqualification under Section 4 Rule 14.
- b) Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of showing.
- c) Any alteration to your entry form must be in writing which will be attached to the form by the show manager. You may also make corrections to the form up to the close of the show.
- d) Kittens under the age of 14 weeks may not be shown.
- e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.
- f) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing mark.
- g) Please note that in addition to the classes you have entered, your cat may also be handled for the purposes of assessing candidates in the GCCF appointment scheme.
- h) Queens who have kitted within 12 weeks of the date of the show may not be shown.
- i) Veterinary treatment at show. Exhibitors are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.
- j) Photographs of the exhibits may only be taken after permission has been obtained from the show manager and the exhibits' owner.
- k) Exhibitors advertising the future attendance of their cat(s) at any GCCF show could lead to disciplinary action and great care should be taken when advertising in magazines, newspapers, newsletters or on the internet.
- l) Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.
- m) Whilst there is no specific ruling against the use of handsprays at shows for disinfecting pens, the Executive Committee have emphasised that aerosols are not desirable and hand pump sprays should be used with discretion particularly when there are cats in adjacent pens.

The Show closes at 5.00p.m. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

The Committee reserve to themselves the right to

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement, and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the show containing information as to the exhibits and names and addresses of the exhibitors.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the entry fee to cover essential expenses in the event of the Show being cancelled for any reason.

- (g) The Show Manager, on behalf of the committee, reserves the right to pass on any charges (currently £20) incurred to exhibitors whose cheques are refused payment by the club's bankers.
- (h) All Exhibitor's property is left in the Show Hall at the owner's risk.

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven (7) days of the Show.

NOTICE OF CHANGE

An announcement in 'OUR CATS' of any alterations or additions made to the Schedule or in these regulations shall be deemed sufficient notice thereof.

CHAMPIONS AND PREMIERS

The title of Champion for Cats and Premier for Neuters, shall be granted to Exhibits winning three Challenge Certificates at three Shows, under separate Judges. A GCCF Challenge Certificate will be offered for each Cat/ Neuter Open Class of recognised Breeds with Championship status.

GRAND CHAMPIONS AND GRAND PREMIERS

The title of Grand Champion shall be granted to a Cat winning three Grand Challenge Certificates, at three shows, under separate Judges. To compete in a Grand Champion Class a cat must be a full Champion. A Champion cat may also be entered into its ordinary Breed Open Class.

Only one prize with a Reserve, in case of disqualification, will be granted. If the Grand Challenge Certificate is withheld, no Reserve will be awarded.

The title of Grand Premier shall be granted to neutered Cats under the same rules and conditions as those for Grand Champion.

IMPERIAL GRAND CHAMPIONS AND IMPERIAL GRAND PREMIERS

The title of Imperial Grand Champion or Imperial Grand Premier shall be granted to Cats having been awarded 5 Imperial Certificates from 5 different Judges. Reserve Certificates will be awarded.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. The Reserve Grand Certificate will be withheld if the second placed cat is not of sufficient merit to be awarded a Grand Certificate in the event of disqualification of the winner. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

STEWARDS - THE MINIMUM AGE FOR STEWARDS IS 16 YEARS

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

DEFINITION OF CLASSES

NEUTER ADULTS	Neuter adults may only enter neuter classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.

(If Debutante Adult and Neuter classes are offered at a show, entry as a Debutante kitten does not count when the exhibit is shown as an adult or neuter, and entry as a Debutante adult or kitten does not count when the exhibit is neutered and shown.)
MAIDEN	Exhibits that have not won a First, Second or Third prize in any class at a show held under GCCF Rules.
BREEDERS	Exhibits bred by exhibitor/s. Cats originally registered in the breeders' joint ownership but changed to single ownership of one of the breeders can still be entered in this class. Cats originally registered in Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.

The status of the exhibit for entering restricted classes (ie Maiden, Limit, etc) shall be the cats' status on the day of entry, except where Section 2, Rule 15e regarding entry into Grand Classes applies. The wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter; the wins as an Adult do not count when the exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

Notes:

- (1) To be eligible for entry into the Imperial / Grand Ch or Imperial / Grand Pr Classes, the status of Grand / Champion or Grand / Premier must be attained on or before the closing date for entries as published in this schedule
- (2) When counting wins / prizes, include all awarded in any class at a show held under GCCF rules.
- (3) Overseas titles: Cats with titles gained overseas are not eligible to enter Grand Classes at GCCF licensed shows. Overseas titles may be included in brackets at the end of the cats name in the show catalogue.

All awards are given out with the understanding that in the event of a disqualification the awards must be returned on demand to the Show Manager by the recipient. Failure to comply with such a demand renders the exhibitor liable to disciplinary action by the GCCF restricted classes.

SH - Shorthaired; AV - Any Variety; AC - Any Colour; M - Male; F - Female;
AOC - Any Other Colour; AOV - Any Other Variety; GCCF - Governing Council of the Cat Fancy.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited. **PRINTING** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **VERY CLEARLY** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show

Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	Totally incorrect name
REGISTERED OWNER	Joint when they should be single and vice versa
(EXHIBITOR)	Declaration not signed by registered owner(s)

NB The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show.

BREEDER Totally incorrect name or names

NB The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW

These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand Class must have qualified on or before the published closing date of the show

CAT REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

- (a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a Show, the GCCF will require you to produce a veterinary certificate of freedom from infection before being permitted to attend or exhibit at any future show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
- (b) Evasion or breach of any of the GCCF rules, or of the articles of its constitution may, and often will lead to disciplinary action and you are advised to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
- (c) Except where the context demands otherwise, the word 'Cat' in these rules includes kittens and neuters. A kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

RULE ON CONDITION (Effective 1.6.88) Section 4, Rule 4d

Any Cat or Kitten disqualified by a Veterinary Surgeon or Judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

- 1 When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
- 2 Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
- 3 Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.
