Ignorance of any Rule will not be accepted as excuse of its breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- c) Cancel, amalgamate or divide classes.
- d) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- e) Disqualify cats entered into the wrong classes by exhibitors.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- g) The Show Manager on behalf of the committee reserves the right to pass on any charges incurred to exhibitors whose cheques are refused payment by the club's bankers.
- h) All exhibitor's property is left in the show hall at the owners risk.

Exhibits received into the show hall are received on condition that the Club shall not be responsible for any loss or damage to exhibits, boxes or baskets or in any other way. The Show closes at 5.00 pm or earlier at the Show Managers discretion and no cat may be removed without the permission of the Show Managers. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. There will be no early removal passes issued. All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaint related to the Show must be forwarded to the Show Managers within seven days of the show.

VETERINARY

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Managers shall obtain from the Vet the reasons, and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows, please note the following points:-

1. When sending your Clearance Certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send certificates by Recorded Delivery as this can cause considerable delays in the receipt of certificates. If you wish an acknowledgement of receipt of certificates, please enclose a stamped addressed postcard, for signature of receipt.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within one month of issue.

Don't Forget

The Long Haired & Semi Long Haired Cat Club has a points system for those members who enter our club classes.

Points are awarded on a scale basis for all cats entered into our club classes. Trophies are awarded at our AGM for Best Adult, Best Kitten Best Neuter and Best Non Pedigree.

We also have a members trophy which goes to the person who has supported our club by entering the most club classes over the year
One point is awarded for each cat entered.

You don't even have to claim - the points are calculated by our show support secretary from the catalogue results.

The winner of a club class is also entitled to claim one of our special club class rosettes, just send a large S.A.E. to our show support secretary, details below.

So, come on – If you are a member of the LH&SLH Cat Club why not enter the club classes at future shows?

Also remember that if your cat receives a title at this, or any other Championship show that you can claim your personalised rosette with the cats name printed on it. Just send details of the cat, the title and the qualifying shows, together with a large stamped addressed envelope to:

JUDGING AND JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1998. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr. Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two years Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team.

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer , Mrs. Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
