SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. All exhibitors are reminded that they should read Section 4 of the Show Rules as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orieu, Bridgwater, Somerset.)

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring **AFTER THE CLOSING DATE OF THE SHOW**, provided that the exhibitor informs the Show Manager **PRIOR TO JUDGING** that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Championship/Premiership status.

If the replacement judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature. **IT IS YOUR RESPONSIBILITY TO ENSURE THE SHOW MANAGER IS AWARE OF ANY COUNTERSIGNATURES WHICH MAY BE REQUIRED, BEFORE THE START OF JUDGING.**

NEW SHOW RULES

Exhibitors please note: errors in the details of your show entry appearing in the catalogue may now be corrected up to the end of the show **SO CHECK THE CATALOGUE CAREFULLY** for any such errors and inform the Show Manager as soon as possible.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please **DO NOT** send these certificates by recorded delivery as this can cause delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer, please enclose a stamped, addressed postcard which will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance: it is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

JUDGES

Judging will commence at 10am. Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Awards will be made from the judge=s slip, not from any catalogue or prize card.

The Show closes at 5pm (or earlier at the Show Managers' discretion). No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit. Exhibitors must leave the hall at 9.45am and not return until **1.00pm.**

CLUB SHOW RULES

The following rules will be enforced in addition to the GCCF Rules and the Regulations already given:

The Committee reserve to themselves the right to:

1. Appoint other Judges should those advertised be unable to fulfill their engagement and to appoint further Judges if deemed necessary.
2. Refuse entry without giving a reason.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 4-6 Penel Orliou, Bridgwater, TA6 3PG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

7. All Exhibitors property is left in the Hall at the owners risk.

The Show Manager must withdraw the cat from that show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rules otherwise.

SOUTH-WEST BRITISH CAT CLUB

CALLING ALL BRITISH OWNERS & BREEDERS!

An exciting new club is being formed for all those with a special interest in British cats. Although there are other clubs in the country aimed at British owners and breeders they are some distance away and this new club will be of particular interest to all those who live within the south-west peninsula (although it will be open to all lovers of British cats regardless of address).

We will be working towards affiliation to the GCCF and it is hoped that in due course we will be able to stage our own breed show. We are hoping to plan a range of interesting activities and meetings to enable members to get together regularly.

If you are interested in becoming a member of the South-West British Cat Club please collect a form from the Show Managers table. Complete and return it and we will contact you shortly with details of our inaugural meeting.

Susan Newman, Lesley Tricker and Veldes Carnell.

ACHURI

BRITISH SHORTHAIRES

Are you interested in showing and breeding van-patterned British Shorthairs? Most of these attractive cats are produced by mating a male British bi-colour or British van to a female British bi-colour, tri-colour or British van. Occasionally a van will appear in a litter where one parent is a self. Because of the variety of partners that can be used, the British van has a wider gene pool available than many experimental breeds.

There are a few golden rules for breeding them:

- Use only British Shorthairs.
- Do not use any white, pointed or tabby cats, as vans must be any self colour or colours on a clear white background.

Now that many British vans have won merits, we hope the breed may soon progress to Intermediate level.

At stud, our cream and white blood type A boys:

Achuri Vanguard (31fw), litter brother to Gr. Ch. Achuri Homeguard.
Vanguard has sired more merit winning vans than any other cat.

Achuri Vanowen (31fw; 5 Merits)
Young proven son of Vanguard.

Kittens expected August, by Vanowen to Achuri Vanunique.
