DEFINITION OF CLASSES.

CLASS. Open to all of the Specified Breed. (GCCF).

ADULTS. Not less than 9 Calendar Months on the day of the Show.

KITTENS. Not less than 14 weeks and under 9 Calendar Months on the day of the Show. Since 1 June 2001 Neuter Kittens are entered in Kitten Open & Miscellaneous Classes and compete for BIS Kitten. Neuter Kittens of Preliminary Breeds should be included in Kitten Assessment Classes where separate classes are scheduled.

NEUTERS. Neuter adults may only enter Neuter Classes, and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.

DEBUTANTE. Exhibits that have never been shown at a Show held under GCCF Rules (if Debutante Adult/Neuter Classes are offered at a Show Debutante as a kitten does not count when exhibit is shown as an Adult or Neuter and Debutante entry as an Adult does not count when the Exhibit is neutered and shown).

BREEDERS. Exhibitors bred by Exhibitor/s. Cats originally registered in the Breeders joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership & changed to joint ownership with the Breeders should be entered in the Non-Breeders Class.

JUNIOR. Cats over 9 Calendar months of age and under 2 years on the day of the Show.

SENIOR. Cats 2 years and over on the day of the Show.

ADOLESCENT. Exhibits 9 to 15 months on the day of the Show.

The status of the Exhibit for entering restricted classes shall be the cats' status on the date of entry except where

Section 2 Rule 15e regarding entry in to Grand Classes applies. The wins as a kitten do not count when the Exhibit is shown as an Adult or Neuter. The wins as an Adult do not count when the Exhibit is neutered and shown. Merit Awards do not count as 'wins' for entering restricted classes.

NOTE. To be eligible for entry into GRAND CHAMPION or GRAND PREMIER Classes, the status of Champion or Premier must be attained on or before the closing date for entries as published in the Schedule.

To be eligible for entry into IMPERIAL GRAND CHAMPION or IMPERIAL GRAND PREMIER, the status of Grand Champion/Premier must be attained on or before the closing date for entries as published in the Schedule.

EXHIBITS FOR ASSESSMENT.

Cats, Kittens & Neuters of those Breeds with Preliminary recognition must enter the appropriate Assessment Classes.

Assessment classes are not competitive. Exhibits will be individually assessed and awarded a 'Merit' certificate if considered, by the Judge, to meet the approved standard of points. Exhibitors must provide a copy of GCCF approved Standard of Points.

GENERAL GUIDELINES ON ENTERING SHOWS.

Complete your Show entry form from your GCCF Registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your Registration/Transfer document at the time of entry, complete the show entry form with details from the pedigree, giving the first choice of name, if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For) or both, in the Regd.No.Box .It is wise to enclose a S.A.E. with all applications to GCCF, especially for cats entered for Shows so that you know that the application has been recieved by GCCF.

Keep a copy of your Entry form, then, when you receive the Registration details and number, check against the entry form and notify Show Managers in writing of any differences as well as the Registration Number. Show

Manager should attach your letter to entry form which will save unnecessary notification of discrepancies when the Show is checked. All catalogue errors are checked against the original entry form and any exhibitor's letters are used for reference. Show Managers are permitted to accept corrections at their own discretion, up to the close of the Show. Such a change must not be a change of Exhibit.

If you are entering several cats from your household and the registered owners(exhibitors) differ within that Household, it would be less confusing and more acceptable for each owner to use a separate entry form. If Joint owners of an Exhibit, **both must sign.**

New Rule 9 (added 24.10.2001.effective **June 1st 2002**)
Cats which are not normally resident with their registered owner should be transferred within the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

STATUS OF ERRORS.

MINOR ERRORS.

These warrant a notification for your reference if the error occurs more than once and is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include=

- (a) spelling errors.
- (b) Separation of cat's names that should be One word vice versa.
- (c) Admin/Breeder's Prefix omitted from or partially incorrect name given for exhibit.
- (d) Overseas Title preceding the name of Exhibit, Sire, Dam.
- (e) Full breed number known but not given.
- (f) Sire and dam reversed or names incorrect.
- (g) Breeder joint when single or vice versa.

INCORRECT DATE OF BIRTH.

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes but if the incorrect

date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show. (see definition of classes).

INCORRECT NAME OF EXHIBITOR/OWNER/BREEDER.

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable.

The following discrepancies are those which usually arise: =

- 1) Exhibit.. Totally incorrect name.
- 2) Registered Owner.. Joint when they should be single/
vice versa.
- 3) Exhibitor.. Declaration not signed by registered Owner(s)
NB The Exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the Show.
- 4) Breeder.. Totally incorrect name(s)
NB The Breeder of a cat is always the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW.

These entries will be disqualified. Remember the effective date of all registrations/transfers is the first date of valid receipt by GCCF, and if you enclose your own S.A.C. with your application form this will be stamped with GCCF Office stamp date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE SHOW.

Entries such as these will also be disqualified as the Exhibitor's entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY.

These will be disqualified from the class concerned so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Exhibits entered in the Grand/Imperial Classes must have qualified on or before the published date of the Show.

CATS REGISTERED ON THE REFERENCE REGISTER.

No cat registered on this Register is eligible to be shown and these

entries will be disqualified. The only exception to this is when a new breed becomes recognised and then cats of the breed may be shown even if they are registered on the Reference Register as long as this was the reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking giving their reasons. The appeal will be referred to the Executive Committee if considered valid, and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention show checking.

SHOW RULES AND REGULATIONS.

The Show is held under Licence and Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules. (Copies of the Rules may be obtained from the GCCF Office. 4/6 Penel Orleu. Bridgwater. Somerset. TA6 3PG)

REGISTRATIONS.

No Cat or Kitten, Entire or Neutered, with one or both parents unregistered, shall be eligible for the Open classes. All Pedigree cats, kittens or neuters exhibited at a GCCF Show must be registered. All registered exhibits which have changed hands must have been transferred to their new owner at least 21 days before the Show. All registrations and/or transfers must have reached the GCCF Office at least 21 days before the Show.

SHOW ENTRY.

The exhibitor must complete the entry form as stated on the Registration/Transfer Certificate. **Exhibitors are responsible for the correct description of the Exhibits and for entering them into the correct classes.**

VETERINARY.

Exhibits will be received at the Show Hall from 8.00am to 9.30am on Show Day where they will be examined by a Veterinary Surgeon before being penned. Judging will commence as soon as possible after 10.15am.

Rule 4c. ammended/effective 19.2. 2003

All cats exhibited at shows held under GCCF Rules must have a current certificate of vaccination against FIE, FVR, and FCV (cat flu). The full course or booster, in accordance with the Manufacturer's recommendation, must have been completed more than 7 days before the Show. The certificate must have been issued by a Veterinary Surgeon or by a listed Veterinary Nurse

under the direction of Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A.

Cats unaccompanied by a Vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

YOU WILL BE ASKED TO PRODUCE A CURRENT VACCINATION CERTIFICATE.

No exhibit is to be penned before being examined. Vetting-in slips will be given out on the day of the Show.

Exhibits must have clean ears and coats free from any pests.

Pregnant or lactating queens may not compete. No exhibit that has been de-clawed will be admitted. Neither will male cats which are either monorchids or cryptorchids. Any exhibit rejected by the Veterinary Surgeon must be removed by it's owner and the Entry Fee forfeited. The Veterinary Surgoen's decision is final.

PENNING OF EXHIBITS.

Each exhibit must be provided with a white litter tray, white water bowl and white blanket(s) (without distinctive marking/edging).

Cellular blankets are not allowed but white Vet-bed or like material with white or green backing may be used if preferred. All exhibits must have water but food containers must be removed whn judging commences and may not be returned until 12.30pm.

Other than official notices or Award cards, no written or printed matter may be placed on competitive pens. It is advisable for Exhibition Pens to be decorated for Best Decorated Pen class and may carry printed matter relating to the Exhibit.

No exhibitor may remove any official notice from a pen.

Exhibits cannot be removed from the Show Hall without sanction from the Show Manager.

Exhibits must arrive at the Show Hall in baskets or suitable containers (top opening recommended) and they are only recieved on the condition that the Club shall not be held responsible for any loss or damage to the Exhibits, boxes or baskets or in any other way. They must be accompanied by the owner/owner's agent.

If the replacement judge at the first show has also been previously booked for the subsequent show, the closing date of which is before the date of the first show, than at the subsequent show this judge can be considered as a replacement judge for the purposes of requesting a countersignature.

Exhibitors who cats have been rejected at Shows please note the following points:=-

- 1) When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.

- 3) Exhibitors should not attend Shows until they have received from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

Committee, if the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

Cat Welfare Trust

Registered Charity No. 800719

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivo-stomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team.

The Trust is dependent on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
