SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 Kings Castle Business Park, Bridgwater, Somerset TA6 4AG. Price £1.50).

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- g) Disqualify cats entered into wrong classes by exhibitors.
- h) Refuse admission into the Show hall without giving a reason.

VETERINARY

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the entry fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owners shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet the reasons, and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at shows should note the following points:

- a) When sending a clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b) Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed postcard for signature acknowledging receipt.
- c) Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. A **hot water bottle** or **heat reflecting material** or a **cool pack** may be used provided they are covered by a blanket in accordance with GCCF rules. One **small toy** may be placed in the pen after the time announced for the admission of the public. The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team.

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Society shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. **Please Note** that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

JUDGING AND JUDGES

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

IMPERIAL, CHAMPION AND PREMIER TITLES

The title of Champion for Cats and Premier for Neuters shall be granted to exhibits winning three Challenge Certificates at three shows, under three separate judges. A GCCF Challenge Certificate will be offered for each Cat/Neuter Open Class of recognised breeds with Championship status.

The title of Grand Champion for Cats and Grand Premier for Neuters shall be granted to a Champion or Premier winning three Grand Challenge Certificates at three shows, under three separate judges. The Grand Champion and Grand Premier classes are Open classes, and a Champion or Premier exhibit may enter both its breed Open Class and the 'Grand' Class.

The title of Imperial Grand Champion for Cats and Imperial Grand Premier for Neuters shall be granted to Grand Champions or Grand Premiers winning five Imperial Certificates at five shows, under five separate judges.

The Show closes at 5pm or earlier at the Show Managers' discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Managers, will forfeit any award that may be due to his or her exhibit.

Any complaint related to the show must be forwarded to the Show Managers within seven days of the show.

N.B. No photography is allowed without permission of both Show Managers and Exhibitor.

Please ensure that all mobile telephones are switched off in the Show Hall.
