Special Thanks to the staff of the Caird Hall for all their help and to the many exhibitors for their kind donations.

## FOR THE ATTENTION OF VISITORS TO THE SHOW.

The Nor'East of Scotland Cat Club is opposed, in principle, to young kittens changing hands at the Show. Note that cats and kittens not entered in the Show may NOT enter the Show Hall during the day.

No objection is raised to arrangements for sale being made at the Show, but intending purchasers are warned about the possibilities of infection when taking a kitten straight from a Show. The Show Manager or any Club Committee member will be glad to give advice to any person intending to buy a kitten.

The Committee has done everything in its power to ensure that no feline infection is present at the Show today. but the surest way of passing on infection - even though it may not be obvious - is by touch:

## VISITORS ARE THEREFORE SPECIALLY ASKED NOT TO TOUCH THE CATS.

It is a natural reaction for children to put their fingers through the wire of the cages. PLEASE DO NOT LET THEM DO THIS. Though most cats are mild mannered and make lovable pets, on a Show day they may be frightened by the noise and the unaccustomed crowds. IF YOU TOUCH THEM THEY MAY BITE.

## SO HELP CUT DOWN RISK OF INFECTION AND BITING – DO NOT TOUCH THE EXHIBITS.

## THANK YOU FOR COMING TO OUR SHOW WE HOPE YOU HAVE ENJOYED IT .... COME AGAIN NEXT YEAR.

# The Cat Welfare Trust

## PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivo-stomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

## VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at shows please note the following points.
1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery post as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that the letter has reached the Veterinary Officer, please enclose a stamped addressed postcard acknowledging receipt for signature, and this will be returned to you.
3. Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the GCCF Veterinary Officer. It is recommended that this letter be taken to shows within one month of issue.

**IF YOUR CAT IS REJECTED BY THE VETERINARY OFFICER AT THIS SHOW PLEASE MAKE SURE YOU HAVE RECEIVED THE FORMS YOU REQUIRE FROM THE SHOW MANAGER BEFORE YOU LEAVE THE SHOW HALL.**

## GENERAL RULES AND REGULATIONS FOR THE SHOW

The Show will be open to the public at 12.00 p.m. until 4.00 p.m.
All certificates are awarded with the understanding that in the event of disqualification, these certificates must be returned on demand to the Show Managers by the recipient. Failure to comply with such a demand renders the exhibitor liable to disciplinary action by the GCCF.
Judges may be changed during the course of the Show, in an emergency, with the consent of the Show Manager.
Whilst the Committee will take all normal precautions to ensure the safety of the exhibits it must be clearly understood by the exhibitors and all other persons, that they will not be responsible for the loss, detention of, or damage to any cats or other property, whether arising from accident or any other causes whatsoever or from any act of omission of themselves, their officers, agents or others.
Exhibitors are forbidden to carry their cats around the Hall other than in a container, and they must not hold their cats in such a manner as to annoy other cats.

ANY EXHIBITOR IN ANY WAY INTERFERING WITH, OR REMOVING ANY CAT FROM ITS PEN DURING THE SHOW, EXCEPT WITH THE CONSENT OF THE SHOW MANAGER, WILL FORFEIT ANY PRIZE THAT MAY HAVE BEEN AWARDED TO HIS OR HER CAT. NO-ONE MAY REMOVE ANY EXHIBIT FROM ITS PEN EXCEPT ITS OWNER OR A CLUB OFFICIAL.

**WE ESPECIALLY REQUEST THAT EXHIBITORS REFRAIN FROM REMOVING THEIR CATS FROM THEIR PENS DURING THE SHOW UNTIL AFTER JUDGING IS FINISHED TO AVOID THEIR OWN OR THE ADJACENT EXHIBITS BECOMING UNNECESSARILY DISTRESSED OR UPSET**

## COMPLAINTS

Any complaints regarding the Show, Exhibits or Exhibitors, must reach the Show Managers, in writing, by Saturday May 17th, 2008.

## WARNING

Breeders and Owners are warned by the GCCF of the danger of selling whole litters to one buyer.

## NEW SHOW RULE

Exhibitors please note: errors in the details of your show entry appearing in the catalogue may now be corrected up to the end of the show so CHECK THE CATALOGUE CAREFULLY for any such errors, and inform the Show Manager as soon as possible during the day.
