Stud services are available for appropriate queens and breeders. We now welcome stud enquiries from European breeders, provided that their queens meet the UK entry requirements of the EU Pet Passport scheme. We have kittens available several times per year to suitable breeder, show or pet owners. Keep an eye out at www.abyworld.com for details. We specialise in the breeding of blue and blue (dilute) carrying cats. Our kitties are renowned for their friendliness - why not check us out?

Kittens are due from Harmony (to GC Flamstone Tiberius Rex) in mid-May.

- * cats are tested PKDef 'normal', or from tested 'normal' parents.
- # cats are tested, awaiting PKDef results.

To see full colour photos and pedigrees of these and many other Abyssinians, see the world famous AbyWorld site at www.abyworld.com
