The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

SEMINAR

The Burmese BAC will be holding a seminar
at the show this year from 10am to 1pm.

Speakers will include

Joyce Dell, Michele Codd, Helen Marriott-Power and Steve Crow

and topics to be covered are

Reds and Creams, The Burmese Wedge, Judging a kitten,

The seminar will be open to all exhibitors at an additional cost of
£3.00 (to be paid on the day)

"THE BREEDERS' CUP"

The Show Management Team invited breeders and owners to enter their cats in groups of three in a special Breeders' competition. Any three cats **with the same prefix** can be entered into a group (any combination of adults, kittens or neuters) and will be judged against other groups in this special class. The group of three do not have to be owned by the same person although the three exhibits will have to be entered as a group on the same special entry form (enclosed). You may have more than one group entered for each prefix. Each group will be judged collectively. So put your best cats together. The Breeders' Cup will be awarded to the winning group, together with a first Breeders' Cup rosette for each cat. The group coming second will win Reserve Breeders' Cup rosettes and that coming third Runner-up rosettes. **Each cat entered in the Breeders' Cup must have this specified as an additional extra class on the entry form.**

BEST IN SHOW

Best in show will be judged in two parts: all Best of Breed, Imperial Grand and Grand will be judged at their pens, the BIS judge will in each case select their short list, short listed adults, kittens and neuters will then be taken by stewards to the BIS ring to be judged across the table. Exhibitors may watch the judging from a designated viewing area in front of the Judging Table.
