## CHAIRMAN'S WELCOME

Welcome one and all to our new venue - I hope you are as impressed with it as we are. Also new this year, as you've already found out - you can browse and buy at the stalls all day, which should please the stallholders and of course yourselves. Please let us know if there is any aspect of the show that you think could be improved.

I would like to stress that no cats are to be taken out of the show hall prior to the close of the show without the Show Managers' permission.

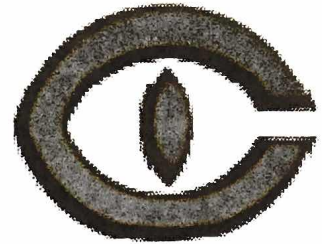

The Show Managers, Committee and myself would like to thank the Judges, stewards, Vets, vet stewards, section helpers and the army of back room workers all of whom do a sterling job. Thanks also to you the exhibitors.

Have a safe journey home and drive with care.

Don't forget - it costs you nothing to smile and say hello, and who knows, you could make a new friend 😊

### **A MESSAGE FOR VISITORS**

We welcome you to our annual Championship Show and hope that you have an enjoyable day viewing the beautiful exhibits and chatting with other cat lovers. Should you purchase a cat/kitten today. Please remember that the Lincolnshire Cat Club cannot be held responsible in any way for the description or condition of your purchase. However, there are Veterinary Surgeons, Judges and breeders here today who will be happy to advise. Where possible it is not advisable to take a new cat/kitten home direct for a Show, it is much better to wait at least 7-10 days before you collect your purchase and then take it home.

1. Please do not try to handle the cats or poke fingers into pens.
  2. please walk, do not run in the hall.
  3. Please do not shout.
  4. Be considerate to Judges and Officials who are moving about the hall in order to do their jobs.
  5. Please note No Smoking anywhere in the exhibition centre.
  6. Have a lovely day and Thank You for coming to our Show.

# The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
