## FROM THE CHAIRMAN & SHOW MANAGER

The Committee & I welcome you to the 14th Annual Championship Show which celebrates the twenty fifth anniversary of the founding of Wyvern Cat Club. Because of this, we have departed from our usual black/red rosettes, and added silver as well. We trust that you will be pleased with the results.

This year sees our return to Perdiswell Leisure Centre after an absence of eight years spent in Birmingham. We hope that you will enjoy the benefits of better parking arrangements, a lovely city to go and visit, and easy bus links to take you there. Sadly Royal Worcester Porcelain has fallen under the hammer of the recession, but the museum is still open for you to visit.

An added attraction is the fact that the Mayor of Worcester will be visiting the Show during the afternoon from 3 pm, and has agreed to present the prizes to the cats that are Best in Show

We have listened to your comments from last year, and have returned to the giving of rosettes instead of cash prizes. We apologise to those people who were disappointed by not having rosettes last year but we do have to try new things.

Please support the stalls that are here today, remember there is access to them for the whole day, but you must avoid the judging area until after 12. 30 pm. Please also ensure that your cats are comfortable before you leave them, remove all food bowls & toys, but ensure that they have a supply of fresh water

There is a limited breakfast menu in the bar area upstairs where tea, coffee & cold drinks will be available throughout the day. There is also a viewing gallery on the first floor

Thank you for your continued support, and have an enjoyable day. We hope to see you, and your lovely cats, again next year

Margaret Gear.

## JUDGING AND JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing that the exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge to countersign any certificate awarded to that exhibit in that class, which will then count towards Champion/Premier status.

# The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
