- 3) Overseas titles: Cats with titles gained overseas are not eligible to enter Grand Classes at GCCF licensed shows. Overseas titles may be included in brackets at the end of the cats name in the show catalogue.

All awards are given out with the understanding that in the event of a disqualification the awards must be returned on demand to the Show Manager by the recipient. Failure to comply with such a demand renders the exhibitor liable to disciplinary action by the GCCF.

### **CHAMPIONS AND PREMIERS**

The title of Champion for cats and Premier for neuters shall be granted to exhibits winning three challenge certificates or premier certificates at three shows under separate judges. A GCCF Challenge/Premier certificate will be offered for each cat/neuter Open Class of the recognized breed with Championship status.

### **CHAMPION OF CHAMPIONS – PREMIER OF PREMIERS**

The title of Grand Champion will be granted to a cat winning three Grand Challenge Certificates at three shows under three different Judges. To compete in the Champion of Champions Class a cat must be a full Champion on the date that the show closes. A champion cat may be shown both in its ordinary Open Class and in the Champion of Champions Class. Only one prize with a Reserve in case of disqualification will be awarded. ### **GENERAL NOTES FOR THE ATTENTION OF ALL**

The Committee reserves to themselves the right to:

- a. Appoint other judges should those advertised be unable to fulfill their engagements, and to appoint further Judges should they be required.
- b. Fix and limit the number of exhibits at the show.
- c. To accept or refuse exhibit entry without giving reason.
- d. Cancel, amalgamate or divide classes.
- e. Publish a catalogue of the show containing information as to the exhibitors and names and addresses of exhibitors.
- f. Disqualify cats entered into the wrong classes by exhibitors.
- g. Retain a percentage of the entry fees to cover essential expenses in the event of the Show being cancelled for any reason.
- h. Not to be held responsible for any loss or damage, or injury, to any person or persons property.

## GROOMING ETC.

No powder or grooming substances may be left in the coat of exhibits. The use of shampoos that change a cats coat colour, skullcap or valerian which can change a cats normal appearance or physical reaction is strictly prohibited under Section 4, Rule 22.

## JUDGING AND JUDGES

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30pm, whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. A Judge's decision is final. An exhibitor may not approach a judge, or enter into conversation with a judge, until that judge's engagement is complete.

Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate as required by the GCCF has been obtained.

In the event of a change of judge for an OPEN class occurring after the closing date for entries to the show, providing the exhibitor informs the show manager prior to judging, that a certificate has already been awarded to the exhibit by the replacement judge, the show manager shall appoint one other judge who will judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premiership Status.

## LEAVING EARLY

Exhibits received into the show hall cannot be removed, without the permission of the Show Manager, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. The show closes at 5.00pm, or earlier at the Show Managers' discretion. There will be no early removal passes issued.

## Correspondence

All correspondence regarding the show should be made to the Show Managers. Correspondence sent by royal Mail should be accompanied by a stamped addressed envelope. Emailed correspondence should be sent to the show managers, the address can be found on the committee page under Show Manager. You are encouraged to request a 'read receipt' which will be returned when read. There are no guarantees on the delivery of mail.

## PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
