TO ALL OUR EXHIBITORS

We would like to welcome everyone to the Clubs 11th Championship Show and hope you have a very happy and successful day with us. There will be the usual Raffle, Photo Competition, a variety of stalls, including plant & cake stalls along with the renowned auction in the afternoon with the Master of ceremonies being either Andy or Ian of M.F. Penning.

As many of you will know this is our first attempt at putting on a show for the Black & White Cat Club, having been 'Press Ganged' into taking it on when we attended the show as exhibitors ourselves last year. Our only problem with this is that it follows hot on the heels (only two weeks) after the other Show that we run which is that of the Kernow Cat Club.

We wouldn't be able to do this if it wasn't for the patience and tireless hard work of Elaine Robinson of Kopikatts who does all the data processing etc to produce this catalogue and all the paperwork that we depend on to run a show, for which we are most grateful. We hope therefore that smooth running is the order for the day for everyone, but if you have any thoughts, criticisms or ideas that will help towards the running of future shows, we would appreciate your input.

This is one of the oldest Cat Clubs in the world and instrumental, along with a few other special clubs, in the founding of the G.C.C.F. and as such, we are determined to see it flourish & Grow, within of course the limitations of its name. Despite its name, this is the first time within the history of the club that Black AND White Cats i.e. Bi-Colours have been able to enter the Show in competition. What an achievement after only 108 years!

We do believe however that we may be able to include any Black, White or Black & White cats of any Breed (not just Persians, British & Exotics as at present) in future years if we so wish and apply to have them on our license. This may not be the Clubs Tradition, but it would certainly help towards the number of cats we could have at the show.

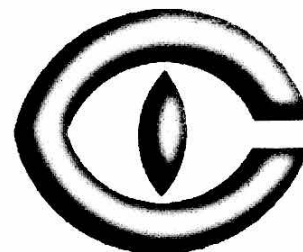

Last, but by no means least, we thank you for your support in being here with us today and to those of you who have helped in the run up to the Show and at the Show here today our Very Special Thanks as we could not do it without you.

GCCF SUPREME SHOW – NEC Birmingham - Saturday 20 November 2010

Closing date 29th September 2010

Schedules available end of July- see to GCCF Office with correct postage for size or from the www.supremecatshow.org web site .

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with the schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the Rules, price £2, may be obtained from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset. TA6 4AG.

VETERINARY

Any exhibit rejected by the Vet.Surgeon must be removed by its owner and the Entry Fees are forfeit. If in the Vet. Surgeon's opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. **The Veterinary Surgeon's decision is final.**

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Vet.Surgeon, the Show Managers shall obtain from the Vet the reasons and accordingly notify the GCCF within 48 hours of the Show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

- a. When sending your Clearance Certificate to the GCCF Vet.Officer, please include your copy of the rejection slip.
- b. Please DO NOT send certificates by Recorded Delivery as this can cause considerable delays in the receipt of certificates. If you wish an acknowledgement or receipt, please enclose a S.A.Postcard for signature of receipt.
- c. Exhibitors should not attend Shows until they have received a letter from the GCCF office confirming clearance. It is recommended that this letter be taken to shows within one month of issue.

JUDGING AND JUDGES

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the Show Managers prior to Judging, that a certificate has previously been awarded by the replacement Judge, the Show Managers shall appoint one other Judge who shall Judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.

WARNING

Breeders and owners are hereby warned by the GCCF of the unfortunate consequences, which may follow the sale of the whole litter to one buyer. The Black & White Cat Club cannot be responsible for cats and kittens bought at the show neither will they be held responsible for details of such which may appear in the catalogue.

NO SPRAYS OF ANY KIND ARE ALLOWED IN THE SHOW HALL.

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
