MEMORANDA

Warning. Breeders and owners are hereby warned by the GCCF and the Officials of the Coventry & Leicester Cat Club against the danger of selling whole litters to one buyer as unfortunate circumstances may follow.

Exhibitors are responsible for the correct description of their cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

Special Prize. It will be noticed that all Club Specials are confined to fully paid up Members, unless otherwise stated.

Exhibitors are responsible for ensuring that no sharp-ended wires are left protruding into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the Enquiries Section.

Penning by MALCOLM'S PENNING

The attention of exhibitors is drawn to the fact that hospital pens are provided by the committee for the housing of exhibits found to be unwell during the show.

Exhibits rejected by the Coventry & Leicester Cat Club Duty Veterinary Surgeon at vetting-in, MAY at the Show Managers discretion and with the consent of the Veterinary Surgeon be housed in hospital pen(s) during the day.

All cats and kittens are examined by a Veterinary Surgeon before admission to the show. The Coventry & Leicester Cat Club cannot hold themselves responsible for cats and kittens bought at the show.

It is pointed out that whilst Coventry & Leicester Cat Club and Show Committee have great sympathy with exhibitors whose exhibits are so unfortunate as to be rejected or taken ill during the show, they can accept NO responsibility for any disease or illness contracted or claiming to be contracted during the stay of the exhibits in these pens.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on the pens. Only rosettes awarded by Coventry & Leicester Cat Club may be displayed. Exhibition pens are excluded from this ruling.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

Coloured hot water bottles must be placed in white covers. No other heating appliance may be used. Food and milk must be removed from the pens and a water container must be placed in the pen towards the rear before judging. These may be replaced after 12.30.

Powdering of the exhibits in the Show Hall is prohibited (GCCF Rule 13).

Drapes are not allowed in pens for competition.

Free litter trays are not provided. White litter trays of adequate size must be provided by the exhibitor. The use of polystyrene filled cushions is forbidden, since such cushions do not comply with current GCCF Rules.

Judges are empowered to withhold any prize or Championship in any class if exhibits do not in their opinion possess sufficient merit.

Should any Judge be prevented from fulfilling their engagement the Committee reserve themselves the right to appoint other judges in their stead. The right to cancel or amalgamate classes is also reserved.

The GCCF rule that no cat or kitten may be entered or exhibited within 13 days

Veterinary Surgeons appointed by Coventry & Leicester Cat Club are instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchid or cryptorchid. No nursing queen may be entered as an exhibit within 12 weeks of the date of kitting.

Exhibitors are reminded that removing their cats before the end of the Show without the Show Manager's consent, will not only lead to disqualification of their cats but could result in a Disciplinary Action being taken against them.

Any complaint regarding this show must be made in writing to the Show Manager within 7 days of the Show.
