EXHIBITORS – If your cat has won a Champion, Premier, Grand Champion/Premier, Imperial Grand Champion/Premier or UK Grand Champion/Premier title at a GCCF Show please make your claim to the Office (address above). Please include the cat's name, breed number, sex, breeder's name, owners names and address, together with the names and dates of the qualifying shows and awarding judges' names. All claims are acknowledged and periodically the Title lists are published on the web site shortly after which medals are sent to the owners from the GCCF Office, if they have been ordered when claiming at a cost of £15 per medal (payment with order).

Owners of cats achieving the same title under GCCF and GCCF of Ireland Rules may claim "International" status for that title, by writing to the GCCF Office enclosing written confirmation of having gained the title under GCCF or Ireland Rules. This written confirmation must be signed by the Secretary and stamped with the GCCF of Ireland's Seal.

APPLYING FOR A PREFIX - Breeding prefixes cost £75, for overseas residents/s the cost is £100 and applicant/s must be a member of a GCCF affiliated cat club at the time of application. Forms are available from the GCCF Office or online.

SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle Business Park, The Drove, Brdwater, Somerset. TA6 4AG.

The Committee reserve to themselves the right to:

- a). Appoint other Judges should those advertised be unable to fulfil their engagement, and to appoint further Judges should they be required.
- b). Fix and limit the number of exhibits at the show.
- c). To accept or refuse exhibit entry without giving a reason.
- d). Refuse admission to the hall without giving a reason.
- e). Cancel, amalgamate or divide classes.
- f). Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- g). Retain a percentage of the Entry Fees to cover essential expenses in the event of the show being cancelled for any reason.

VETERINARY

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeons opinion it is desirable, all exhibits from the same household and owner shall be debarred from attending the show. **The Veterinary Surgeons decision is final.**

VETERINARY REJECTIONS

Exhibitors whose cats have been rejected at shows should note the following :

- a. When sending your clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b. Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement is required please enclose a stamped addressed postcard for signature.
- c. Exhibitors should not attend shows until they have received a letter from the GCCF Office confirming clearance. It is recommended that this letter be taken to shows within one month of issue.

JUDGING AND JUDGES

Judging will commence at **10.00 am** and Exhibitors will be requested to clear the hall until **12.30 pm**, while the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate, in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

COUNTERSIGNATURES

In the event of a change of Judge of an Open Class occurring after the closing date of the show, **providing the exhibitor informs the Show Manager prior to Judging**, that a certificate has previously been awarded by the replacement Judge, the Show Managers shall appoint one other Judge who shall Judge the cat, and if the cat is considered worthy, countersign the certificate which shall then count towards Champion/Premier status.

If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purpose of requesting a counter-signature.

SKYLON

SKYLON, capable of mach 25, ten times faster than Concorde and Britain's best chance of glory in the development of Spaceplanes for very fast global travel and low-Earth orbit missions to the fringe of space in the 21st century and beyond.

The awesome SKYLON Spaceplane will be capable of the journey from Heathrow to Sydney, or Melbourne, Australia, or Auckland, New Zealand, in just 45 minutes flying time – what a prospect for the 21st century.

With its powerful SABRE engines, which are a Hybrid Jet and Rocket engine, it will climb to 85,000 feet in less than 7 minutes, to the very edge of Space itself, where the sky is jet black and the stars stand out like jewels. It would then bounce on the fringe of the atmosphere, like a stone does across water, until it is time to put the nose down for landing, making a powered descent.

A human pilot would not be able to think quickly enough to control it – so SKYLON will be piloted by computers.

At first SKYLON will be used for the fast delivery of mail – but after a few years of testing and proving it will be used to carry passengers as well and will then be about the same size that Concorde would have been.

SKYLON is being developed by Reaction Engines Ltd., based in Oxfordshire, and it has Government funding.

It is due to fly in 2018 and become operational by 2020.

If all of this goes to plan – Britain will, rightly, lead the world once more in the hotbed that is the Aerospace Industry.

All of this vindicates what we at CHARMEUSE & CATRONAUT Burmese have been saying about SKYLON – from at least 1995 its first showing at a Cat Show.

When it first appeared at the Supreme Cat Show – the Designer of SKYLON, Alan Bond, was invited to the Show.

He looked at it in awe and said " When I designed the Spaceplane SKYLON – I never, ever, thought it would, or could, be used at a Cat Show!"

He then said "The real SKYLON will have a mat black finish – I like your chrome silver finish – don't change it."

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
