## **6<sup>TH</sup> CHAMPIONSHIP SHOW**

We would like to welcome all exhibitors to this our 6<sup>th</sup> Championship show. Once again we have had an excellent entry. Unfortunately we have had to turn some last minute exhibitors away, we always regret this but there comes a point when we have to close the show.

We hope you will all have an enjoyable day with us. We have some excellent stalls which you may browse at your leisure. We would ask you to remember to stay around the periphery during the morning session of judging.

The snack bar staff have assured us they will have a good selection, at reasonable prices – let's hope they fulfil their promises!!

We would also like to take this opportunity to thank all our workers in whatever capacity, we could not run the show without you. Thanks also to our generous sponsors **Royal Canin, R&L Pet Products, Pets at Home, Jolleys Pet Superstore, Liverpool Wood Pellets** and anyone else who has **donated/sponsored our show this year.**

Finally we are pleased to tell you that a large number of our judges, in the absence of "Our Cats" will supply their judging comments to be published on our website [manchesteranddistrictcatclub.co.uk](http://manchesteranddistrictcatclub.co.uk) but please allow a short time lapse as our judges are only human, (I'm told) with lives to live.

We look forward to welcoming you again next year to our 7<sup>th</sup> Championship show.

Please have a safe journey home.

## **PLEASE SUPPORT OUR RESEARCH PROJECTS**

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
