WELCOME

It gives us great pleasure to extend a warm Yorkshire welcome to everyone here today!

We were both delighted to be asked to be involved with this breed show, and we have a hard act to follow! Our predecessors did a great job of managing the show for a good many years and we are keen to keep up the standard you have come to expect. Many of you will already know Elaine Culf, my efficient assistant, and together we think we have put together a show to be proud of.

The very exciting news is that the entry today is the best one since the very first Sanction show, which is very encouraging and certainly bucking the trend. We have some fine older examples of this lovely breed alongside an increased kitten entry and are particularly delighted to have our Semi LH Neighbours the Siberians to add interest for our visitors.

We really hope you enjoy the show today and will give us the pleasure of your company next year, same time same place.....

Saturday 16th April 2011

Stay safe and happy until then.

Lynda and Elaine

Show Rules, Procedures and Regulations

This show is licensed by the Governing Council of the Cat Fancy and is open to all. Copies of the GCCF Rules are available from the GCCF Office, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. Please make sure you read and understand these rules and the schedule before entering the show. **IGNORANCE OF ANY RULE WILL NOT BE ACCEPTED AS EXCUSE OF ITS BREACH**

Exhibits actually received into the show hall are received on condition that the Club shall not be responsible for any loss or damage to exhibits, boxes, baskets or in any other way and thereafter may not be removed before the Show closes without the permission of the Show Manager. Nobody may remove an exhibit from its pen except the owner, owner's representative or show official. Exhibitors may not carry their exhibits around the show hall or hold them in such a way as to upset other exhibits. Exhibitors must be within call throughout the period of the show, except during the time the hall is cleared for judging. The show closes at 5.00 pm, or earlier at the Show Manager's discretion, and no exhibit may be removed before this time. Failure to observe this rule may lead to disqualification and forfeiture of any prizes awarded.

Judging and Judges

Judging will commence at 10.00 am and exhibitors will be asked to clear the hall until 12.30 pm. Judges are empowered to withhold any prize, award or certificate in any class if an exhibit does not, in their opinion possess sufficient merit. Prizes will be awarded from the judges slip only. **THE JUDGE'S DECISION IS FINAL.** An exhibitor may not enter into any conversation with a judge until that judge's engagement is complete.

GCCF Titles

The title of Champion shall be granted to entire cats winning three Challenge Certificates, under three different judges. A GCCF Challenge Certificate will be offered for each Adult Open Class with Championship status. The title of Premier shall be granted to neutered cats under the same rules and conditions as for Champions.

The title of Grand Champion shall be granted to entire cats winning three Grand Challenge Certificates, under three different judges. To enter a Grand Challenge Class a cat must be a full Champion by the published closing date for the show. A GCCF Grand Challenge Certificate will be offered, with a Reserve in case of disqualification. A Champion may also enter its appropriate breed Open Class. The title of Grand Premier shall be granted to neutered cats under the same rules and conditions as for Grand Champions.

The title of Imperial Grand Champion shall be granted to entire cats winning five Imperial Grand Challenge Certificates, under five different judges. To enter an Imperial Grand Challenge Class a cat must be a full Grand Champion by the published closing date for the show, A GCCF Imperial Grand Challenge Certificate will be offered, with a Reserve in case of disqualification. A cat entered in the Imperial Grand Champion Class may also enter either its appropriate breed Open Class, or the Grand Champion Class, but not both. The title of Imperial Grand Premier shall be granted to neutered cats under the same rules and conditions as for Imperial Grand Champions.

Countersigning of Certificates

If your Open Class Judge is changed after the closing date of the show, and the replacement Judge has already awarded a Certificate to your cat, another Judge will be appointed to consider your cat for countersignature if it is awarded the Certificate, **PROVIDED YOU TELL THE SHOW MANAGER BEFORE JUDGING STARTS.** Countersigned Certificates count towards a title or qualification of Preliminary status breeds. If the replacement judge at this show has also been previously booked for a subsequent show, the closing date of which is before the date of this show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

CORRESPONDENCE

All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint related to the show must be forwarded to the Show Manager within 7 days of the show.

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information is also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
