SHCS Cat of the Year:

Miss M Chapman

Dear All

Welcome to the very hastily re-arranged (!) 35th Championship Show of the Short-Haired Cat Society. We are delighted to also welcome back for a second year the Joint Shows run by Lynda Ashmore; we hope that the opportunity of winning two certificates on the day in some sections is as successful as it was last year.

On a sadder note, this will be my final time as Show Manager. Having run this Show for the last 17 years, I am now finding that I am unable to put in the commitment to the Show which I feel it deserves (having taken over as Supreme Show Manager in 2009).

I would like to thank all the people who have worked alongside me over the years. Special thanks go to Doreen Goadby for the use of her show program, Kit Game and Allen Wells who have both worked as Hall Manager and Corinne Ash for her invaluable help in producing the schedule and catalogue and lending a hand over every Christmas to ensure the Show ran smoothly. I must also thank everybody involved in all the extra hard work which has been undertaken this year to bring the Show to you today!

I am delighted that Lynda Ashmore has agreed to take over the running of the Show in 2011 and I wish her every success in her venture.

To all the exhibitors I have encountered over the years, many thanks for your support and I do hope you continue to enter and enjoy the Short-Haired Cat Society Show for many years to come.

Celia

Show Manager

MEMORANDA

Warning. Breeders and owners are hereby warned by the Governing Council of the Cat Fancy and the Officials of the SHCS against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

Exhibitors are responsible for the correct description of their cats and, in the event of any dispute arising after purchase, shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

Special Prizes. It will be noticed that all Club Specials are confined to fully paid-up members, unless otherwise stated.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors and it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servant or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left projecting into the cages and that any gaps affording escape to exhibits be closed before leaving the hall.

All cats and kittens are examined by the Veterinary Surgeon before admission to the Show but the Short-Haired Cat Society cannot hold themselves responsible for cats and kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Only rosettes awarded by SHCS may be displayed. Exhibition pens are excluded from this ruling.

Any exhibitor, other than the owner, in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.00.

Free litter trays are not provided. White litter trays of adequate size must be provided. White blankets (without markings) or Vetbed must be provided by the exhibitor. The use of polystyrene filled cushions instead of white blankets is forbidden, since such cushions do not comply with GCCF Show Rules.

All cats exhibited at Shows held under GCCF Rules must have a current vaccination certificate against FIE, FVR and FCV ('cat flu'). The full course, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the Show. The vaccination certification must be issued by a veterinary practice/hospital and the last vaccination signed by a veterinary surgeon or by a listed veterinary nurse under the direction of a veterinary surgeon. The certificate must be available for inspection at vetting-in. Cats without acceptable certificates might be rejected. Cats showing a positive reaction to the Feline Leukaemia Virus or Feline Immunodeficiency Virus blood tests must not be shown. Please note that, for the purposes of vetting-in, homeopathic vaccinations are not acceptable to the GCCF.

Powdering of the exhibits in the Show Hall is prohibited (GCCF Rule 13). Drapes are not allowed in pens for competition.

Coloured hot water bottles must be placed in white covers. Food and milk must be removed from the pens and a container with water must be placed in the pen before judging.

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Should any judges be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges in their stead.

The GCCF rules that no cat or kitten may be exhibited more than once within 13 days or entered in two shows a week apart.

Veterinary Surgeons appointed by Clubs to pass exhibits must be instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchids or cryptorchids. No nursing queen may be entered as an exhibit within 12 weeks of the date of kitting.

For full Rules and Regulations appertaining to Shows, apply to the GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset, TA6 4AG.

Any complaint regarding the Show must be made in writing to the Show Manager within seven days of the Show.

Duty Vet:

Mrs S F Moreland, MA Vet MB MRCVS.

Hall Manager:

Mr Kit Game, The Keys, Gardner Street, Herstmonceux, Hailsham, East Sussex BN27 4SU.

TATLEBERRY MANX

Tatleberry Manx have done very well over more than 33 years and now I have decided it is time to have my two queens spayed once they each have had one more litter. My stud cat, Burmanx Quinney, will be neutered. There may be a few special kittens for sale later in the year.

My highest point was when Grand Champion and Supreme Grand Premier Tatleberry Tudur won SUPREME EXHIBIT in 2003.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a PhD research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second - the Genome Project - was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. The most recent - a study into feline chronic gingivostomatitis - was carried out by Kitty Healey at the University of Liverpool. Chronic gingivostomatitis is a condition familiar to many cat owners; this is a very painful disease affecting the gums and mouths of pet cats, causing inflammation and ulceration and there is currently no cure for this condition. Kitty's research has established a link between this condition and FCV, reinforcing the need for regular vaccination.

These studies have provided the bases for more specific work within their fields. We have sufficient money to offer £50,000 to fund a fourth project and the Trustees are currently looking for a suitable subject to research. However, the money the Trust can offer for this project is barely sufficient to fund a two-year Masters degree study and we will be seeking additional funding from other sources to enable the chosen project to be a PhD study.

The money the Trust could offer for this project was barely sufficient to fund a two-year Masters degree study but our funding has attracted a scholarship from the University for a three-year PhD study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners; we will keep the Clubs informed. Meanwhile, the project has started and the Trustees have had their first progress report from the Liverpool team.

The Trust is dependent on donations from the Clubs and members of the Fancy and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay income tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.
