Welcome to the

We hope that you have a successful
and enjoyable day with us

Could we please ask that you
DO NOT RUN IN THE AISLES
POKE FINGERS INTO THE PENS
as this may upset the cats and can spread infection.

May we also remind you that only the owners, judges
or stewards are allowed to take cats out of their pens.

The Cat Welfare Trust

PLEASE SUPPORT OUR RESEARCH PROJECTS

The Cat Welfare Trust is the Fancy's own charity, set up by the GCCF in 1988. The Trust Deed was written to enable funds to be used for the widest possible range of activities to benefit cats. Currently the work of cat rescue is undertaken by GCCF Affiliated Cat Clubs and so the Trust has turned to other ways of improving cat welfare.

Three projects have been undertaken so far, all of which have been funded because the subjects were of particular interest to pedigree cat owners and were not likely to attract commercial funding in their initial stages.

The first of these was a Ph.D. research project to study the preparation of a vaccine for ringworm and was undertaken by Ann Robinson at Bristol University Veterinary School. The second – the Genome Project was undertaken by Dr Matthew Binns of the Animal Health Trust and resulted in the identification and analysis of 211 markers on the feline genome map. Both these studies have provided the bases for more specific work within their fields.

We had raised sufficient money by 2003 to offer £50,000 to fund a third project. The chosen proposal was put forward by the University of Liverpool for a study into feline chronic gingivostomatitis. A condition familiar to many cat owners, this is a very painful disease affecting the gums and mouths of pet cats causing inflammation and ulceration. There is no cure for this condition at present.

The money the Trust could offer for this project was barely sufficient to fund a two year Masters degree study but our funding has attracted a scholarship from the University for a three year Ph.D. study and an extremely generous grant from the British Veterinary Association's Animal Welfare Foundation, which has transformed this project into a very comprehensive study. During the second year of the study it is hoped to involve pedigree cat owners, we will keep the Clubs informed. Meanwhile the project has started and the Trustees have had their first progress report from the Liverpool team

The Trust is dependant on donations from the Clubs and members of the Fancy, our only certain funding is £2500 a year from GCCF and so it is easy to see that in order to be able to make grants large enough to make a difference to cats' lives we rely on you for all the financial support possible. Donations and legacies to the Trust will ensure the continuation of this work. Please remember the Trust when you or your club consider welfare donations.

Please send donations to The Treasurer, Mrs Eileen Fryer, c/o GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, TA6 4AG. Further information also available from the GCCF Office.

You can help us maximise your support by enabling the Trust to reclaim tax on your donations under the Gift Aid scheme. All you need to do is to state that you pay Income Tax and wish the Cat Welfare Trust to treat your donation as Gift Aid.

ENTRY REQUIREMENTS

All cats, kittens and neuters entered in the Pedigree Section must be registered with the GCCF. Unregistered cats, kittens and neuters may only enter classes in the Household Pet Section. To be effective for entry all Registration/Transfer applications must have reached the GCCF office, 5 King's Castle Business Park, The Drove, Bridgewater, Somerset TA6 4AG, at least 21 days prior to the show. No cat or kitten, entire or neutered, born after 19.10.71 with one or more parent/grandparent/great grandparent unregistered shall be eligible for competition. If certificates are not to hand when completing the entry form write the name applied for and put NAF (Number Applied For) in the appropriate columns and forward numbers to the show manager when registration is received.

Exhibitors must complete an official Entry Form and subscribe to the declaration therein. **No telephone entries can be accepted.** If an exhibit is owned by two persons both must sign the declaration. Every exhibit must be identified on the Entry Form exactly as recorded on the Registration/Transfer Certificate relating to it. Exhibitors are responsible for entering the correct description of their exhibits.

Each exhibit must be entered in a minimum of FOUR Classes one of which must be an Open Class. For Experimental Breeds granted preliminary recognition by the GCCF, exhibitors **MUST** provide a copy of the approved Standard of Points **WITH ENTRY** and state name of breed and colour on the Entry Form.

The Committee reserves the right to:

1. Cancel, amalgamate or divide any classes not guaranteed. Announcement of any alteration in the Schedule will be made in 'Our Cats' and will be deemed sufficient notice.
2. Appoint other judges should those advertised be unable to fulfil their engagements and to appoint further judges should they be required.
3. Fix and limit number of exhibits at the Show.
4. Refuse admission to the Show Hall without giving a reason.
5. Disqualify cats entered in the wrong classes by the exhibitor.
6. In the case of the Show being cancelled for any reason the club reserves the right to retain a percentage of fees to defray essential expenses.

VETTING IN

Exhibits will be received at the Show Hall from 7.30am to 9.45am on the morning of the show. All exhibits (including those for exhibition only) must be brought to the Show in baskets or suitable containers (top-opening recommended) and must be accompanied by the owner or owner's representative. Each exhibit must be examined by the club's Honorary Veterinary Surgeons and no exhibit may be penned before being so examined.

Exhibits must have clean ears and coats free from pests and be free of communicable diseases. The following will not be admitted: Cats or Kittens that have been de-clawed; Male Cats (over nine months) which are either Monorchid or Cryptorchid; Pregnant or Lactating Queens; Vasectomised Cats may not be shown.

Unfit exhibits must be removed by their owners and entry fees forfeited. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the owner shall be debarred from attending the Show. The Veterinary Surgeon's decision is final.

All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu) the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED. THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN. PLEASE NOTE: Homeopathic vaccination is not acceptable for the purpose of showing.

Section 5 Rule 3a

Queens who are pregnant, lactating or who have kitted within the past 12 weeks must be rejected

Section 5 Rule 11

Veterinary Surgeons and assistants must not smoke whilst handling cats.

Section 5 Rule 10

Exhibits which have been de-clawed should be rejected together with polydactyls, folded ears, curly tails and any other abnormality. With the exception of de-clawing this does not apply to unregistered non pedigree exhibits.

JUDGES

Judges are empowered to withhold any prizes or certificates in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judges slip, not from any catalogue or prize card.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the Show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy, countersign the certificate which shall then count towards championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature.

When a cat which has been awarded a certificate at the Supreme Show is entered under the same judge, for the equivalent certificate, during the following three months, then at one subsequent show this judge can be regarded as a replacement for the purpose of requesting a countersignature.

PENNING

The pen may be wiped down with cotton wool dampened with any non-toxic disinfectant before putting the exhibit into it. Each exhibit must be provided with a white sanitary tray, water bowl, white litter, and clean, plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white vet-bed or like material with white or green backing may be used if preferred. Hot water bottles or heat reflective material may be used but must be concealed by the blanket. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging starts at 10am and may not be returned until 12.30pm. Judges are instructed to pass any pen that is distinguished in any way. No person may remove any exhibit from its pen except the owner (or the owners representative should the owner not be present at the show), or an official. No cat may be removed from the show hall prior to closing time (5pm) unless an early pass has been given by the Show Manager.

Section 4 Rule 10

Containers with food and one small toy may be placed in the pen after the time announced for the admission of the public.

SPRAYS OF ANY KIND ARE NOT ALLOWED IN THE SHOW HALL

No Stud advertisements, written or printed matter of any kind other than the official award cards may be put on pens. No exhibitor may remove an official notice from a cat's pen.

Exhibits are only received on condition that the Club shall not be responsible for any loss or damage to cats, boxes, baskets or any other property, or in any other way.

The Committee on behalf of the Club retain the exclusive right to publish catalogues for their Show, containing such information as required by the GCCF Rules and reserve to themselves the right to refuse any entry without giving a reason.

N.B. No 'For Sale' signs will be allowed on the pens.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited, **PRINTING** the details carefully to avoid any misinterpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **VERY CLEARLY** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show
Adults - not less than 9 calendar months on date of show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER. If registration/transfer were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

- | | |
|-------------------------|--|
| EXHIBIT | Totally incorrect name |
| REGISTERED OWNER | Joint when they should be single and vice versa |
| (EXHIBITOR) | Declaration not signed by registered owner(s) |
| | NB The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show. |
| BREEDER | Totally incorrect name or names |
| | NB The breeder of a cat is always the registered owner of the dam on the date of the cat's birth |

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW

These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

INCORRECT CLASS ENTRY

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

CAT REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

All Non Pedigree Cats aged 9 months or over exhibited at Shows held under GCCF licence MUST be Neutered.

REMINDER that this still in force

GENERAL NOTES FOR THE GUIDANCE OF EXHIBITORS

- a) If your exhibit is rejected by the examining veterinary surgeon or veterinarian before or during a show, the GCCF will require you to produce a veterinary certificate of freedom from infection as indicated in Rule 4 above before being permitted to attend or exhibit at any further show. This certificate must be dated not less than seven days after the show at which the exhibit(s) was/were rejected and submitted to the GCCF with all relevant details.
- b) Evasion or breach of any of the GCCF rules, or the articles of its constitution may, and often will lead to disciplinary action and you are to familiarise yourself with all sections of the Rules and with the Constitution. These are obtainable from the GCCF Secretary.
- c) Except where the context demands otherwise the word cat in these rules includes kittens and neuters. A Kitten is defined as a young cat under nine calendar months of age. Thus a kitten born on 12th January becomes a cat (adult) on the following 12th October.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

VETERINARY LETTERS

In the past, cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. This is no longer applicable; such letters are no longer accepted at shows and any

exhibitor presenting a cat with any skin lesions indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesions indicative of ringworm, however small.

**THE GOVERNING COUNCIL OF THE CAT FANCY NEW SHOW RULES
FROM 1st JUNE 1976**

1. No Kitten shall be exhibited under the age of fourteen calendar weeks. This applies to litters for Exhibition also.
- 2a Any Cat or Kitten which in the opinion of the judge is very under-developed or in poor condition shall be disqualified from competition.
- 2b Any Cat or Kitten disqualified by a judge on grounds of condition must be reported by the Show Manager to the Honorary Secretary of the GCCF.
3. **NEW RULE ON BITING AT SHOWS**
Any cat biting or inflicting injury by deliberately scratching a Judge, Veterinary Surgeon, Steward or other show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

SECTION 3 Rule ii

No person may steward at all for any judge under whom he or a member of his household is exhibiting in an open class. This shall also include cats not entered in the open, but to be considered for best of breed.

WITHDRAWAL FROM CAT SHOWS - NEW G.C.C.F RULING

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show, after this date the cats concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. Show Managers may be prepared to return part entry fees if the cat is not present at the show but the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

REFUNDS

Entry Fees will be refunded for entries withdrawn before the published closing date. Thereafter a percentage of the entry fees may be refunded at the discretion of the Committee. Withdrawal of entry must be in writing. If the entry is withdrawn on Veterinary advice 50% of entry fees excluding penning will be refunded providing that a Veterinary Certificate is received by the Show Manager at least seven days prior to the date of the show. All refunds will be posted after the Show.
